### **The Sustainable Travel Accredited & Recognised (STAR) Scheme**

The national accreditation scheme has been designed to ensure a long-term commitment to sustainable travel planning in schools. Those schools that are accredited really embrace the borough's school travel plan programme by making sure they encourage modal shift away from the car for their journey to and from school.

On Thursday 22<sup>nd</sup> October 2009 a total of 29 schools were accredited at the sustainable (bronze) level in a ceremony at the Arsenal Emirates Stadium. There were 6 schools that were accredited at the higher standards (silver) level on Tuesday 20<sup>th</sup> October 2009 at the Altitude 360.

Congratulations to the following 36 schools that have worked so hard over the past year to achieve their accreditation award:
