

30-60% of your household waste (including uncooked kitchen vegetable and fruit waste, garden waste - weeds, leaves, prunings and grass cuttings - egg shells, T-bags, ground coffee, paper and card) can easily be composted, reducing the amount of waste going to landfill whilst creating your own compost - for FREE!

HOME COMPOSTER OFFER

Composting is a simple way of reducing your waste and it requires minimal effort. Barnet Council is keen to promote waste minimisation and is offering its residents composting units for less than half their retail price.

You can buy as many units as you need from our selection....

WHAT IS AVAILABLE

Blackwall Tumbler

(200 litres)

Plastic (recycled), lidded "barrel" on metal stand. May be turned to mix contents. Place on earth or paved surface (with catch tray). Final compost tipped out. For small to medium-sized gardens. For kitchen and garden waste. **£20***

Compost Machine

(220 litres)

Plastic (recycled), cone-shaped bin with separate lid. Place on earth. No access door; lift off finished compost. For small to medium-sized gardens. For kitchen and garden waste. **£10***

Linpac Ecobin

(330 litres)

Plastic (recycled), cone-shaped bin with separate lid. Place on earth. No access door; lift off finished compost. For medium to large-sized gardens. For kitchen and garden waste. **£5***

Thermo Bin

(420 litres)

Robust plastic (recycled), tapered square-based unit with hinged lid. Place on earth. Open bottom front panel for compost. For larger gardens. Kitchen and garden waste. **£24.30***

Original Organics Junior Worm Bin

(23 litres)

Plastic bin with lid and tap. Inside or outside storage. Produces compost and liquid plant food. One to three person households. Kitchen or some soft garden waste. **£11***

Original Organics Large Worm Bin

(100 litres)

Plastic bin with lid and tap. Inside or outside storage. Produces compost and liquid plant food. Three or more-person households. Kitchen or some soft garden waste. **£18***

Green Cone Food Waste Bin

(155 litres)

Plastic, cone-shaped bin with hinged lid. Insulated. Bury partly underground. Directly fertilises your soil. Ideal for most households. All food waste including meat and cooked food. A Green cone disposes of waste. **£5***

N.B. A Green Cone disposes of the waste without creating usable compost. It needs good drainage.

*All Prices will be subject to change from April 2004

HOME COMPOSTING INITIATIVE
