The Corporate Plan sets out the council's vision for the organisation. It shows how we will get to where we want to go over the next four years and it looks back at our progress to date.

Our values set out our aspirations for Barnet as an organisation and place, serving its residents:

1. **Barnet - the place:** We want Barnet to play its part on the wider stage as a successful city suburb in a successful London.
2. **Barnet - the people:** We want to work with our partners to understand the needs and aspirations of our residents so that we consistently provide excellent public services to our diverse population.
3. **Barnet - the organisation:** We want to provide high quality services offering value for money and maximum choice.
