

# Barnet Multi-Faith Calendar 2007

This calendar has been produced by the Barnet Multi-Faith Forum to assist in the planning and organising of meetings, functions and other activities. It contains the principal dates of many of the faith and ethnic communities who live within the London Borough of Barnet. Where possible, these dates have been approved by members of the communities themselves, many of whom are members of the Barnet Multi-Faith Forum, however errors may occur. We hope it will prove useful to you in planning events so that all of Barnet's diverse communities can participate.

Further copies of this calendar can be downloaded from Barnet Council's website:
