

New Barnet Town Centre Framework

Consultation Feedback Form

On behalf of Barnet Council a consultant team led by GVA Grimley has prepared a draft Town Centre Framework for New Barnet. This sets out a vision for the town centre and provides a framework for managing future change.

We are seeking your views on this document and would be grateful if you could complete this feedback form. Your views and comments will help inform the preparation of the final Town Centre Framework.

1. Do you agree with the Vision and Objectives for New Barnet Town Centre?

2. Please tell us how important the following objectives are to you:

Objectives	Very Important	Important	Not that Important	Not Important
1. To protect the town centre from further decline				
2. To enhance consumer choice				
3. To improve accessibility to and within the town centre				
4. To minimise increases in road traffic and deal with congestion				
5. To enhance the town centre environment				
6. To improve and manage the evening economy				
7. To take advantage of development opportunities on key sites				
8. To ensure an appropriate scale of development				
9. To minimise use of natural resources				
10. To achieve a more sustainable pattern of development				
11. To ensure deliverability				

3. The three alternative Framework Scenarios for New Barnet Town Centre propose a number of key elements – please tell us how much you support each one by ticking the appropriate box:

		Strongly Support	Support	Don't Support	Dislike	
Retail	Should there be significant new retail development in New Barnet Town Centre?					
	If Yes, should new development include a new supermarket?					
	If Yes, where in the town centre should retail development/growth be focused?	To the north of Victoria Road on the former East Barnet Gas Works Site?				
		Within the existing retail 'core' on East Barnet Road (including the former Optex site)				
Evening Economy	Do you think there should be an improved evening economy offer in New Barnet Town Centre (restaurants etc)?					
	If Yes, where in the town centre should development/growth be focused?	In a 'cluster' around the junction of East Barnet Road and Victoria Road?				
		Lytton Road				
		Distributed across the whole town centre?				
Markets	Do you support the provision of a weekend market in the town centre?					
Other Uses	What other uses should be promoted in the town centre	Residential?				
		Offices?				
		Other employment uses such as Workshops?				
		Healthcare?				
		Children's nursery?				
		Sports/recreation facilities?				

4. What do you think of the alternative Framework Scenarios?

Scenario	Strongly Support	Support	Don't Support	Dislike
1. A Consolidated High Street				
2. A Compact and Intensive High Street				
3. An Extended High Street				

5. Do you have any comments on the alternative Framework Scenarios?

6. Do you have any comments on the Urban Design Strategy?

7. Do you have any comments on the Transport Strategy?

8. Do you have any comments on the Sustainability Strategy?

9. Please let us have any further comments in the box below (continue on separate sheets if necessary?)
