

## **Barnet Council prepares extra places for Reception Class 2010**

A growing London population, the recession and other demographic changes led to an unprecedented demand for primary school reception classes across the capital last September. The council is pleased to announce that for Reception Class 2010 four schools have each agreed to accommodate up to 30 additional pupils. **Woodcroft School** and **Tudor School** will have a temporary demountable classroom (fully insulated, air-conditioned and with interactive white-boards), while **Monkfrith School** and **Dollis Infant School** will have small modifications to their buildings to create additional room.

Any parent living near these four schools who wishes to amend their application for a primary school place in the light of this information should contact the School Admissions Team on 020 8359 7651 or email [school.admissions@barnet.gov.uk](mailto:school.admissions@barnet.gov.uk) before the **12<sup>th</sup> March 2010**.
