# Application to Vote by Post

How do I apply to vote by post?

1. Fill in the postal vote application form.
2. Make sure you complete all sections of the form and supply your date of birth and signature.
3. Return your form as soon as possible to the address below:

Please note your application form must reach us at least 11 working days before the relevant election.

## **Voting By Post**

You can apply to vote by post for a particular election, for a set period of time or for all future elections.

But, you must be registered to vote first. Postal votes can be sent out to addresses in the UK and abroad.

## **What happens after I've returned this form?**

- When an election is going to be held, your ballot paper will be sent to you in the post. It should be with you about 10 days before the election but it may not be sent out until four working days before election day.
- If it does not arrive by this time, contact us for a replacement ballot paper. You must do this by 5pm on election day.
- You will need to give your date of birth and signature on this application form, and again when you use your postal vote. This information is needed to tackle fraud.
- Make sure you return your postal vote so that it arrives by election day, otherwise it will not be counted. A freepost envelope is included in your postal ballot pack.

- If it is too late to send your vote back by post, you can hand it in on election day to our office or drop it off at your local polling station.
- Your postal vote will be mixed with all the others before counting begins, so your vote will be kept secret.
- You must give a reason if you wish to have your postal vote sent to an address other than your registered address.
