A guide to secondary education in Barnet 2018
Apply for a school place online at www.eadmissions.org.uk

From 1 September 2017 you can apply for a school place online

The benefits of applying online:

- it is quick and easy to do
- the system is available 24 hours a day, seven days a week up until the closing date, Tuesday 31 October 2017
- you can log in and change your application as many times as you like up until 11.59pm on the closing date
- you can register your mobile phone to receive reminder alerts
- you can attach additional documents to your application
- the system is secure and your information is safe
- the system helps you by checking for errors and telling you if you forget to fill anything in
- you will be sent an email with the outcome of your application during the evening of Thursday 1 March 2018.

If your child is due to transfer to a secondary school in September 2018 you need to apply for a school place for them.

Message from Councillor Reuben Thompstone

Barnet is very proud of the diversity of its schools, all of which provide an excellent education. Pupils educated in our borough achieve some of the best examination results in the country, both at GCSE and A level. At the same time, local schools provide a wide range of sporting, musical and other activities that give children a rich and broad education.

We know that the secondary school application process can seem daunting, schools and the council together work hard to make the process as smooth as possible. The admissions system is co-ordinated across the whole of the London area and is operated by all 33 London boroughs. This booklet explains that co-ordinated secondary transfer process in detail and also provides information about all the secondary schools in Barnet.

It is important that you read the booklet carefully and look closely at each school's admissions criteria in order to make the right choice for your child.

All Barnet schools have open evenings arranged when you will be able to meet staff and pupils. You will find a list of dates and times on page 16 of this booklet.

I hope that your child will enjoy his or her time at secondary school and I am sure the education children receive in Barnet will give them the skills, knowledge and qualifications to help them succeed in their future lives.

Councillor Reuben Thompstone
Chairman of the Children, Education, Libraries and Safeguarding Committee
About this booklet

This booklet will help you understand the admissions process when your child transfers to secondary school in 2018.

In this booklet we explain:
• how to choose a school
• how to fill in the application form
• how school places are allocated
• what happens if we cannot offer your child a place at a school you have chosen.

In this booklet you will also find:
• the secondary transfer timetable
• descriptions of all the secondary schools and academies in Barnet
• a schedule of open evenings.

There is also information about:
• in-year admissions
• fair access protocol
• placing children outside their correct year group
• post-16 education
• school meals
• help with travel costs
• school uniform.

When does my child transfer to secondary school?

• children born between 1 September 2006 and 31 August 2007 will transfer to secondary school in 2018
• if your child has an Education, Health and Care Plan (EHC), the arrangements for your child’s transfer will be different and these will be explained to you by the SEN Team. The EHC replaces the Statement of Special Educational Needs. For more information contact SENadmin@barnet.gov.uk.

Co-ordinated admissions

Each year, over 100,000 pupils living in London transfer to secondary schools.

All London boroughs work together on the secondary transfer process and this is known as the Pan-London co-ordinated admissions scheme.

How the scheme works

• you can apply for up to six schools
• the application is submitted to the local authority where you live
• you can apply for schools in Barnet or elsewhere
• a computer system is used to exchange information about Barnet residents applying for schools outside the borough, and other boroughs can tell us about their residents wishing to apply to Barnet schools
• if a school is oversubscribed, its published admissions criteria is used to decide who should be offered a place
• the scheme makes sure that no child is offered more than one school place
• you will get the result of your application on 1 March 2018.
Choosing a school

Before you make your application:

Read the information in this booklet

Visit the schools that interest you...

...go to the open evenings and talk to the teachers

Talk to your child

find out what they want

...look at exam results and Ofsted reports

Consider how your child will get to school...

by bus, walking, cycling

Think about how realistic your choice is
Think about how realistic your choice is.

Do your research...

Talk to the Admissions Team...

Don’t listen to gossip...

Read the school prospectus...

available from the school

we can give you advice and answer your questions

what’s right for other children may not be the same for your child

most schools get more applications than they have places available so...

Apply online

When you have decided which schools you want to apply for, you are ready to fill out your application form at www.eadmissions.org.uk.

Getting started
- the online application system opens on 1 September 2017
- you will need an email address to register and create a new account
- once you have registered you will be sent your username and password
- you will then be ready to login to your account and start your application
- if you already have an account you will be prompted to update your details when you first log in.

You will then be given your unique application reference number and you will also receive an email confirmation.

Supplementary Information Form (SIF)
All voluntary aided (faith) schools, some foundation schools, free schools and academies will require you to fill in a SIF to provide additional information, such as a reference from your priest/minister or information needed in order to arrange aptitude tests. Jewish voluntary aided schools may also require you to provide a Certificate of Religious Practice (CRP). SIFs and CRPs are available directly from the school. Please remember an application is not valid unless an application has also been submitted at www.eadmissions.org.uk and the school is named on it.

Support with making your application
- the following pages will give you information to help you to complete your application
- there is also an ‘Information & Guidance’ section on your ‘My school admissions’ page.
The following information will help you to complete your application

Your child's address

The address that we will use to process your child's application will be the child's permanent address and cannot be a relative's, child minder's, or business address. We will not use a temporary address if you still possess a property that was previously used as a home address; nor will we accept a temporary address that is used solely or mainly to obtain a school place.

We may also carry out additional checks with the new school to see whether the child's home address has changed since the application and will investigate applications where:

- There are any doubts about the information originally provided
- Information has been received from a member of the public to suggest that misleading information has been provided and a fraudulent application made
- The Council Tax is in a different name than the applicant's

We cannot use a Barnet address in advance of a planned move. If your child is still living abroad when you make your application, we will use the Barnet address once the move has taken place. The only exception is in the case of UK service personnel or other Crown Servants.

Proof of address

In order for us to verify your address, please provide your council tax reference number on your application (you can find this on your Council Tax bill).

You will also need to attach a scanned copy of one of the following documents to your application (or at least two documents if you cannot provide your council tax reference number):

- tax credit documentation
- a recent bank statement showing child benefit payments
- a recent (within 3 months) utility bill.
- your most recent rent, mortgage statement or tenancy agreement.

If your address has changed in the last two years, we may ask you for further proof that your current address is your permanent home address.

Change of address

If your address changes between now and September 2018 you must notify the Admissions Team. We will require proof of change of address from you.

The type of additional evidence you will need to provide will vary depending on your circumstances.

If you have sold one property and purchased another, we will need to see all of the following:

- evidence of completion on the property sold
- evidence of completion on the property purchased
- closing utility account for the property sold
- the Council Tax reference number for the property purchased
- a utility bill for the property purchased.

If you have moved from one rented property to another, we will need to see all of the following:

- copy of termination of tenancy agreement on the previous property
- closing utility account for the previous property
- copy of tenancy agreement on the current property
- proof of payment of rent to the landlord on a regular basis
- the Council Tax reference number for the current property
- two utility bills for the current property
- if you are not liable for Council Tax or utilities you will need to provide official evidence that you are resident at that address (for example, child benefit letter, tax credit documentation, driving licence, child's medical card).

Where you are moving between two properties that you own, you will need to the Council Tax reference

---

1 We reserve the right to request confirmation of any address if we feel it is appropriate. We will also refer to any publicly available information, such as the electoral roll, where this is relevant.

2 Changes of address can only be accepted once they have taken place.
number for your residence and documentation
detailing the use of the other property.

If your circumstances differ from these situations,
contact the School Admissions Customer Service
Team to discuss your individual situation on 020
8359 7651.

If this information cannot be provided, we won’t be
able to accept the new address and will continue
to use the original address provided.

Where there is a change of address during the
secondary transfer process, the change must have
occurred by 8 December 2017 and the appropriate
proof provided to the Admissions Team in order for
the change to be considered in the initial allocation of
school places. Please contact the School Admissions
Customer Service Team for advice if you will be
changing your address between 8 December 2017
and 1 March 2018.

Parents who live separately

When parents live separately, the application must
be based on the address at which the child usually
lives and from which s/he attends primary school.
When parents live separately but the child lives with
both parents at different addresses, the child's home
address will be taken to be the address where the
child lives most of the week. If the child spends an
equal amount of time with each parent, the address
will usually be taken to be that of the main parent/
carer eligible to receive Child Benefit and Child
Tax Credit.

School preferences

Please remember that:

• you may list up to six schools in the order you
  prefer them
• the preference order is very important, think
carefully about this as only one offer can be made
• you can include schools within or outside Barnet
• there is no advantage to listing only one school
• all applications are processed as though they
  were equally preferred
• your ranking does not affect your child's eligibility
  for a place at any Barnet school

• you should include details of any sibling (brother
  or sister) who will be attending any of the schools
  you have listed. In most cases the sibling must
  still be attending the school in September 2016
  (please check the oversubscription criteria for the
  individual schools)
• if there is an exceptional medical or social reason
  why you want your child to attend a particular
  school, it may be taken into account. Check the
  oversubscription criteria for the school to see if
  there is a medical/social category. If there is, you
  can attach evidence to support your application.

Changing your preferences

Please note if you want to make changes to your list
of schools:

• you can change your preferences any time up until
  31 October 2017 on your ‘My school admissions’
  page
• you cannot change your preferences
  after 31 October 2017 unless there are
  exceptional circumstances.

Looked After Children and
Previously Looked After Children

‘Looked after’ children and previously ‘looked after’
children are given the highest priority for a school
place and are defined as:

• children in the care of a local authority, i.e.
fostered or living in a children’s home

• children who have left care through adoption,
a child arrangements order or a special
guardianship order.

Important – please see glossary on page 84 for
definitions of ‘looked after’ children and previously
‘looked after’ children

If you are a foster carer looking after a child in care,
you must provide a letter from the child’s social worker
confirming the child’s status as a ‘looked after’ child.

Children with special educational needs

If your child has a statement of Special Educational
Needs (SEN) or an Education, Health and Care Plan
(EHC), the arrangements for your child’s transfer
to secondary school will be different. There is no online application process. The SEN Team will write to you in September to explain what happens in detail. Your child will be allocated a school place in February 2018.

For more information please contact SENadmin@barnet.gov.uk

Submitting the form
You must submit your application by the closing date for applications of Tuesday 31 October 2017.

Once you have submitted your application, the online system will show as ‘Submitted’ and show the date, time and version number of the submitted application.

You will also receive an email confirming the details of your application and will be given a unique application reference number similar to 302-2018-09-E-123456. If you do not receive a reference number this means your application was not submitted successfully.

If, after you have submitted your form, you decide that you will no longer need a place for your child, you should let the Admissions Team know as soon as possible by sending an email to school.admissions@barnet.gov.uk

Attaching documents
Once you have submitted your application you will be able to attach your supporting documents. Please ensure that you know where you have saved the document on your computer. The document should be in JPG or PDF format and no bigger than 5 MB. You will find full instructions in the guidance notes on your ‘My school admissions’ page or you can call the School Admissions Customer Service Team for advice.

Remember – if you are unable to scan a document you can attach a photo of it.

Late applications
If you submit your application after 31 October then your application will be late. Late applications will not be considered until we have allocated school places for the applications that were received on time. This could reduce your chances of getting a place at the school you want and you may be allocated an alternative school. If there are good reasons why your application is late, you must send an email to school.admissions@barnet.gov.uk and request a Reason for Late Application Form. This must be completed and attached to your application with any supporting documents by 8 December 2017 at the latest.

Fair access and sharing information
The information you provide will be used in line with the provisions of the Data Protection Act 1998. Barnet Council has a duty to protect the public funds it administers and may use the information you have provided for the prevention and detection of crime. We may also share information with other council departments or external organisations in order to undertake our functions as a local authority. We will always comply with the requirements of the Data Protection Act 1998 and never give information about you to anyone else, or use information for another purpose unless the law allows us. If you want to know more about how your information is used visit www.barnet.gov.uk/privacy.

The people who may receive this information are:
- the current school
- the school to which the child is to be admitted
- other Admission Authorities so as to ensure that parents have provided consistent information and do not hold on to more than one school place.

How places will be allocated
When all the on-time applications have been submitted, the allocation process will begin:
- we will let other local authorities know about any preferences you have made for schools in their area
- we will also let any voluntary aided schools, free schools and academies in Barnet have details about your child if you have included any of these schools in your list of preferences
- your rankings will not be passed on to individual schools
all your preferences will be processed by applying each school’s oversubscription criteria to decide which children should be offered places

the oversubscription criteria for our schools and academies are shown on pages 26 to 77.

When all the applications have been considered:

• admission lists will be drawn up for all schools
• the Admissions Team will co-ordinate all the offers and exchange information with other local authorities
• if your child can be offered more than one school, we will offer the school you have ranked the highest
• lower preferences are automatically withdrawn at this stage
• all withdrawn preferences will be offered on to other children
• no child will be offered more than one place
• if it is not possible to offer a place at any of the schools you have chosen we will allocate your child a place at an alternative school. This will usually be the nearest school with a vacancy.

False or misleading information

It is important that the admissions system is fair for everybody. Nobody should be allowed to cheat by using a friend or relative’s address or by temporarily renting a property near to a popular school. Each year a small number of parents try to get a school place by providing false information, which could result in them taking a place that should have gone to another child.

Please realise that:

• Providing false information to secure a school place is a criminal offence. Any applications suspected of being fraudulent will be referred to London Borough of Barnet’s Corporate Anti-Fraud Team (CAFT) for investigation, if your application is proven to be fraudulent you may be prosecuted in addition to the school place being withdrawn
• All information submitted to Barnet Council can be used in proactive data matching exercises to assist in the prevention and detection of fraud
• If you know someone who intends to use, or has used, a false address to obtain a school place, you can report this confidentially to CAFT:

Fraud hotline: 020 8359 2007
Email: CAFT@barnet.gov.uk
Online: www.barnet.gov.uk/anti-fraud.

Withdrawal of offers

Places offered at oversubscribed schools will be withdrawn if:

• the offer was made in error
• the offer was made on the basis of fraudulent or intentionally misleading information
• the offer was made on the basis of information that cannot be corroborated to the satisfaction of the Admissions Team or later proves to be inaccurate
• the applicant has not responded to correspondence within a reasonable period of time.

If your child’s place is withdrawn you have the right of appeal against this decision.

National Offer day – 1 March 2018

• you will receive an email with the outcome of your application during the evening of 1 March 2018
• if you have registered for text messaging you will also get a message to inform you that the outcome of your application is available to view online
• you should wait until you receive your email before logging into your eAdmissions account for further information
• if you forget your login details you need to go to the login page and select ‘Forgotten your username or password’
• all applicants who are not offered a place at their first preference school will be informed what happens next.

Please accept the school place you have been offered by 15 March 2018. log into your eAdmissions account, go to your ‘My school admissions’ page and select ‘View outcome and respond’
• please remember to ‘submit’ your response otherwise we will not receive it.

If you are not accepting the offer you must tell us why, for example if:

• your child has been offered a place at an independent school
• you are moving out of the area.

Please select the appropriate option on the response page.

It is important that you inform us so that we can offer the place to another child.

What happens if you have not been offered your preferred school?

Waiting lists

• if your child does not get a place at any of your preferred schools, their name will remain on the waiting lists for your preferred Barnet schools
• your child’s name will remain on the waiting list for any Barnet school listed higher on the application form than the school we have offered
• all lower preferences will be have been withdrawn so if you want your child’s name to be added to the waiting list for a lower ranked school to the one your child has been offered, you will need to send us an email and tell us your reasons. You will also need to re-rank the order of your preferences.
• we can also add your child’s name to the waiting list for a school that you did not list on your application form
• information about waiting lists will be included with your notification on 1 March 2018
• waiting lists are ordered in accordance with the admissions criteria
• waiting lists are held for all our secondary schools and academies until at least 31 December 2018
• time spent on a waiting list is not taken into account and it is possible that your child’s position may go down as well as up.

Appeals

If your child is not offered a place at any of the schools listed on your application form, you have the right of appeal:

• for Friern Barnet School you can lodge an appeal online at www.barnet.gov.uk/schooladmissions
• for all other schools and academies you will need to contact the school/academy directly for further information
• appeals are heard by an independent panel and normally take place between May and July
• each case is decided on individual merit and only exceptional circumstances are likely to lead to a successful appeal
• no places are reserved for successful appeals, so any appeals allowed are likely to increase the school’s intake above the admission limit
• the fact that a school is single sex or that the school is a child’s or parents’ particular choice, or that other schools with vacancies involve a longer journey is unlikely to lead to a successful appeal
• decisions made by the appeals panel are binding on the local authority and the school
• accepting a place at another school will not affect your chances of having a successful appeal
• you can only have one appeal for each school in the same academic year unless there are significant changes in your circumstances
• further information about the appeals procedure will be included with your notification on 1 March 2018.

After 1 March 2018

Offers

• some parents may decide not to accept the school place offered to their child
• when a place becomes available it will be offered to the next child on the waiting list
• a second round of offers will be made after 31 March
• if it is still not possible to offer your child a place at one of your preferred schools and you do not wish to accept a place at the school that has been allocated, you will become responsible for securing suitable education for your child.

Tours of the school in normal working hours will be available in the days following the open evening. Please make an appointment by telephoning the school on tel: 020 8202 9004. Further information can be found on our website www.hendonschool.co.uk.

The Henrietta Barnett: Parents and daughters are invited to view the school between 9am – 1pm, the last tour will start at 12 noon. There is no need to make a prior booking. Please assemble outside the main building in Central Square. Please note that there is no parking on school premises and we politely ask that you park considerately. The school prospectus and our test application form can be downloaded from our website. See website for further details at www.hbschool.org.uk.

JCoSS: There will be talks given by the Headteacher during the evening; please go to www.jcoss.org for further details and to pre-register for the talk you wish to attend. There will also be guided tours of the school given by students throughout the evening. The vehicle entrance to JCoSS is on Castlewood Road and there is some parking on site. The pedestrian entrance to JCoSS is on Westbrook Crescent. Please do not park on Westbrook Crescent and please be considerate to local residents if you are parking on roads surrounding the school. Please go to www.jcoss.org or call 020 8344 2220 for updated information.

London Academy: There will be a talk by the Principal at 6.30pm and again at 7.30pm. Guided tours will take place during the evening. Prospective parents may also ring the academy on tel: 020 8238 1100 to arrange a tour. Parents are requested to follow traffic directions given by the car park attendants.

Mill Hill County High: Guided tours of the school for parents and pupils will be arranged between 3 – 8pm. The headteacher will speak to the groups at the start of the tour in the main hall. Parking in and around the school is very difficult. Parents are requested to follow traffic directions given by supervising adults. The final admission to the school is at 7.30pm.

Queen Elizabeth’s School, Barnet (Boys): The school will be open from 3pm until 9pm for those parents and their children who are considering making an application for September 2016. Guided tours of the school will be arranged between 3 – 7.30pm. Parents will also be invited to hear an address from the Headmaster. Please be aware that there is no parking available on the school premises. The final admission to the school is at 7.30pm.

Queen Elizabeth’s Girls’: Parents are invited to view the school between 6pm – 8.30pm (final admission at 8pm). There will be three talks by the headteacher in the school hall at 6.45pm, 7.30pm and 8.15pm. Parents are advised that there is no parking on the school site and that parking around the school is extremely limited. If possible parents should walk or use public transport. Tours of the school during normal working hours will be available in the days following the open evening. Please telephone the school on 020 8449 2984 to make an appointment.

St Andrew the Apostle: The school will be open for parents and Year 6 pupils between 6.30pm and 8.30pm. The headteacher will be speaking at 6.45pm and 7.30pm. St Andrew’s is in the grounds of the North London Business Park and there is plenty of parking on the site; but please use the Brunswick Park Road entrance only. ## Open evening information

**St Mary’s & St John’s:** Parents are invited to come to Bennett House where Years 5 - 9 are based. Pupils will lead guided tours of the school and there will be the opportunity to speak to staff and governors. The Principal will give a number of talks at 6:30 during the evening. Open mornings while school is in session will be held in the week commencing Monday 3 October. Numbers are limited and places must be booked in advance. You can also find details on the website [www.smsj.barnet.sch.uk](http://www.smsj.barnet.sch.uk) or call 020 8202 0026. Performing Arts scholarship applications must be received by Wednesday 28 September.

**St Michael’s Catholic Grammar:** Guided tours of the school will be arranged between 3.30 – 5pm and between 7– 9pm. Parents are also invited to a short meeting with the headteacher at one of these times: 5pm or 7pm or 9pm. All visitors should come to the main hall. If parents wish, transfer age children may accompany them but no other children should be brought because of the lack of space. Unfortunately, there is no parking on site. It is suggested that parents park in Lodge Lane car park as the routes to the school become easily congested with traffic. Visitors should not try to drive onto the school premises.

**The Totteridge Academy:** Prospective parents and pupils are warmly invited to view the Academy between 5.30 – 7.30pm. Parking is available on the school site. Guided tours, led by the students, will be available throughout the evening. Parents and pupils are also invited to join a tour of the Academy throughout the week beginning Monday 9 October. To book a tour please call 020 8445 9205 or for further information please visit our website: [www.thetotteridgeacademy.org.uk](http://www.thetotteridgeacademy.org.uk).

**Whitefield:** Prospective parents and their children are invited to our Open Evening on Wednesday 28 September, to view the School between 4.30pm – 8pm, with a 7.30pm last admission. There will be guided tours for parents and their children. The Headteacher will give a talk at 6.00pm and 7.00pm in The Acorn Theatre. Refreshments will be available. Parents and their children are also invited to visit Whitefield School on any day when the school is operating, to see us at work. Please call the school on tel: 020 8455 4114 to arrange an appointment for a tour. For further information on any of the above, either visit our website [www.whitefield.barnet.sch.uk](http://www.whitefield.barnet.sch.uk) or telephone Whitefield School on tel: 020 8455 4114.

**Woodhouse College:** Parents considering Friern Barnet School may wish to know that Woodhouse College, Woodhouse Road, N12 9EY will be holding an Open Day on Saturday November 12 2016. The College will be open for visitors from 9.30am – 3.30pm. Please note that parking is not available on site (except for people with disabilities) and parking in nearby streets may be challenging. The Principal will give talks throughout the day.

**Wren Academy:** Parents and students are invited to tour the Academy between 5.30 – 8pm. The Principal will speak three times during the course of the evening. Access to the Academy is via our Woodhouse Road entrance. Tours will be held (for parents of Year 6 children only) during the Academy’s working hours in the following weeks. Please contact Reception to book an appointment on tel: 020 8492 6000.
Barnet Schools

Information about the types of secondary school

Barnet has 27 secondary schools

Community schools (1)
Community schools are owned and funded by Barnet Council. Our community comprehensive school is: Friern Barnet School

Voluntary aided schools (7)
Voluntary aided schools are owned by religious or voluntary bodies but funded by Barnet Council. The school governors are responsible for setting admissions criteria. The seven Barnet voluntary aided schools are:
- Bishop Douglass Catholic School
- Finchley Catholic High School
- JCoSS
- Menorah High School for Girls
- St Michael's Catholic Grammar School
- St James’ Catholic High School
- St Mary's and St John's CE School

Academies and free schools (18)
Academies are independent of the local authority and funded directly by the government. Although the governors are responsible for setting admissions criteria, academies are required to participate in co-ordinated admissions arrangements. The 18 Barnet academies and free schools are:
- The Archer Academy
- Ashmole Academy
- Christ's College Finchley
- The Compton School
- Copthall School
- East Barnet School
- Hasmonean High School
- Hendon School
- The Henrietta Barnett School
- London Academy
- Mill Hill County High School
- Queen Elizabeth’s School Barnet
- Queen Elizabeth’s Girls’ School
- St Andrew the Apostle Greek Orthodox School
- Saracens High School
- The Totteridge Academy
- Whitefield School
- Wren Academy

University Technical Colleges and Studio Schools (0)
UTCs are technical academies for 14 to 19-year-olds. They are independent of the local authority and have university and employer sponsors. UTCs combine practical and academic studies and specialise in subjects that need modern, technical, industry-standard equipment.

Studio Schools are innovative schools for 14 to 19-year-olds. They are independent of the local authority and are backed by local businesses and employers. Studio Schools often have a specialism, but focus on equipping young people with a wide range of employability skills and core academic subjects.

A guide to secondary education in Barnet 2018
Secondary schools and academies in Barnet

The following pages (26 – 77) have been written by the schools themselves. Barnet Council has made every effort to ensure accuracy but responsibility for the content lies with the individual schools.

Oversubscription criteria

When more applications are received than there are places available, schools and academies will use their ‘oversubscription criteria’ to decide who will be offered places. The oversubscription criteria at voluntary aided schools, foundation schools and academies may be subject to review and you are advised to check the schools’ websites for the finalised criteria before making an application.

How we calculate home to school distances

We use the Synergy Admissions and Transfers system to calculate the distance from your child’s home (the start point) to the school (the end point). The system calculates the distance in miles to three decimal places. The routing database uses two dimensional maps. This means it does not take into account any contours or terrains.

The start point (applicant’s home)

For calculation purposes, the local authority uses the AddressBase database supplied by Ordnance Survey to determine the start point from the applicant’s address. This provides a national grid co-ordinate and a unique property reference number (UPRN) for each property in Great Britain. The grid reference is provided to a resolution of 0.1 metre (10cm). Calculations are based on the assumption that the child’s home address is classified at the point of application as a residential address. If you live in a block of flats where you use a communal entrance, the local authority will used the UPRN for the block and not the centroid of your individual flat for the distance calculation.

The end point (school)

Unless otherwise stated, the main gate to the school is used as the end point for calculation purposes.

Please note that you cannot compare distances produced on the local authority’s Synergy system to those calculated using any online geographical information system software you may have access to, such as satellite navigation systems or Google maps.

Upper School (Years 10 to 11): 3 Beaumont Close, Bishops Avenue, East Finchley, N2 0GA

Aims and expectations
We aim to be an outstanding secondary school at the heart of our community, providing girls and boys from all backgrounds with the education and inspiration they need to live successful and fulfilling adult lives:

- realising potential – We encourage all our pupils to pursue academic excellence and achieve to the best of their abilities
- inspiring creativity – We place a firm emphasis on critical thinking and creative abilities across all aspects of the curriculum, encouraging our pupils to become well-rounded, inventive and self-motivated adults
- engaging with our community – We foster a culture of respect and concern for pupils, teachers and the wider community, and encourage full participation in both the life of the school and the world outside.

We have proposed changes to our admissions for September 2018 entry and have published our determined admissions arrangements for 2018/19 on our website. Any changes to our final agreed admissions policy will be published on the school website as soon as that decision has been made.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Children in Care at the time of application and children who were previously in Care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order) immediately following having been in Care. ‘Children in Care’ are children who are looked after by a Council in accordance with Section 22 of the Children Act 1989(b).

2. children whose parents are founders of the Archer Academy and who have been granted this provision by the Secretary of State for Education

3. children who will have siblings in the school at the time when they are admitted to the school

4. children of staff (teaching or support) of the school, provided they have been directly employed for a minimum of two years at the time at which the application for a place is made, or have been recruited to fill a post where there is a demonstrable skills shortage. (The definition of a direct employee is an employee holding a contract of employment with the school)

5. Remaining places, out of 110, are offered to children in the priority catchment area which is postcode areas N2, N3 and NW11. Places will be offered to those children who live closest to the school, based on measuring distance in a straight line from the front gate of the lower school campus to the front door of the applicant’s home.

6. An additional planned 40 places are offered at Year 7 secondary transfer to children from the agreed feeder schools according to the following quotas: 15 places to Brookland Junior School, 15 places to Garden Suburb Junior School, 5 places to Manorside Primary School and 5 places to Tudor Primary School. The allocation will be offered to children from each of these schools, living in the priority catchment area and closest to the school.

7. After places have been filled under the first six criteria, any remaining places will be offered on a geographical basis with priority given to children who live closest to the school, based on measuring distance in a straight line from the front gate of the lower school campus to the front door of the applicant’s home.

Attendance, discipline and pastoral arrangements

Good behaviour and firm discipline are the basis of a happy and productive learning environment, so we will set high expectations for the standards of behaviour in our school. This is underpinned by a nurturing house structure and a culture that celebrates hard work and achievement in all aspects of school life. We have a zero tolerance attitude towards bullying, and act swiftly to prevent small problems from becoming big ones.

Facilities/Extra-curricular activities

Our enrichment programme is a central part of Archer Academy life. All Archer students take part in enrichment activities at the end of the formal school day on a Tuesday and Thursday, to enable them to learn important skills that help them in and beyond their lessons and to discover their hidden talents and passions. The programme offers more general opportunities for students in Years 7 and 8, becoming more tailored once they reach Year 9. We also offer a range of extra sport, language and performing arts opportunities before, during and after the formal school day.

You and your child’s progress

Every student is given an individual learning plan, which includes ambitious, measurable targets for them to work towards. We monitor their progress regularly, and hold termly review sessions which give pupils and their parents the opportunity to identify any issues and be clear about any actions that are needed.

Curriculum and homework

We offer a broad and balanced curriculum that follows the National Curriculum. In Year 7, 25% of the timetable is dedicated to our specialist areas, English and Maths. However, our curriculum delivers a wide range of other subjects and skills, including sciences, modern languages, humanities and the creative and performing arts. We also set aside time for a range of competitive sports. Homework is set in all subjects.

Teaching and learning

The success of our school lies in the hands of our teaching staff, who enthuse and educate our pupils in equal measure. The structure of the Archer Academy has been designed to allow our staff to nurture the academic, social and emotional potential of each child. All of our teachers are fully qualified. Outside of the usual curriculum, we offer regular Bright Ideas lectures, designed to inspire and engage our students in their learning, develop them as independent thinkers and help them stretch and challenge themselves through discussion and debate.

Education after 16/

We are delighted to have a strategic partnership with both Woodhouse College and Barnet Southgate College which will create exceptional opportunities for students. Archer Academy students will be given priority places at both colleges.
Ashmole Academy
Cecil Road, Southgate N14 5RJ

Aims and expectations
Ashmole Academy is a high performing school. We aim to enable students to develop to their fullest potential in all areas of school in order to prepare them as far as is practicable to be responsible members of society. We create a friendly environment but insist on strict standards of behaviour and courtesy. We provide a school community which is rich in variety and diversity, where young people of both genders, of all abilities and from diverse cultural backgrounds work together to achieve their personal best.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children who are ‘looked after’ under provision of the Children Act 1989 and including those children who have previously been looked after, meaning children who were adopted, or the subject of a child arrangements order or special guardianship order, immediately following having been looked after

2. children who have a sibling at the academy or the primary at the time at which the application for admission to the school is made. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the sibling already at the academy at the time at which the application for admission to the school is made

3. sons and daughters of members of staff (teaching and non-teaching) who are employed by Ashmole Academy Trust who have been employed for 2 years or more at the time at which the application for admission to the school is made

4. up to 20 children who show an aptitude for music  
Each candidate applying under this criterion will be invited to attend a written musical aptitude test at the academy. Candidates will be notified in advance of the test date and venue. Further details are available from the academy.

5. any other children, priority being given to proximity of a child’s home to Ashmole Academy, as measured by the local authority in a straight line, from the headteacher’s office to the applicant’s home, those living nearest to Ashmole Academy having the highest priority.

Where there are more applicants than places within criterion (1), (2) and (3), or in the event of tied scores in criterion (4), then the distance criterion at (5) will apply.

Waiting list
Applicants who are unsuccessful will be given the option of going onto a waiting list. In the event of a place becoming available, criteria (1), (2) and (5) will be applied at the time the place becomes available, to those on the waiting list. The waiting list will be kept until 31 December 2018.

Late applications
Applications received by the local authority after the closing date from families who have relocated to the area will be considered under categories (1) and (5) only and provided the application is received before decisions have been made on offers by the governors. Other late applications will be placed on the waiting list and offers made if places become available according to the oversubscription criteria.

Facilities/Extra curricular activities
A purpose built school with outstanding facilities throughout. The school is very well resourced, has modern facilities and is fully compliant with needs for disabled access.

Extensive extra curriculum activities for all students in all year groups and all subjects.

You and your child’s progress
Ambitious targets are set for every child which are normally achieved. Progress is reported termly to parents. Progress towards targets is maintained regularly with parents able to see the progress being made.

Curriculum and homework
The curriculum is designed to meet the needs of students with a wide range of talents and abilities. It is designed to stretch the most able, to provide support for those needing additional help and to provide an education suitable for all pupils.

In Years 7 and 8, the school follows the National Curriculum. In Year 9, the school starts KS4 with GCSE options. The school has a specialist gifted and talented programme for the most able, which includes accelerated courses or additional options designed for preparation for university.

Homework is set in all subjects according to the timetable and increasingly available online.

Teaching and learning
The school provides a consistent high quality teaching throughout the school. Classes are initially mixed ability with setting progressively introduced from Year 7. There is a focus on practical and active learning. Students are thoroughly engaged and enjoy learning.

Education after 16/
Sixth form curriculum
Ashmole has a vibrant and highly successful high performing Sixth Form. The school offers a wide range of A level subjects. The school has specialist programme for university preparation and for gifted and talented students.
Bishop Douglass Catholic School
Hamilton Road, East Finchley N2 0SQ

Aims and expectations
We are a thriving Catholic Comprehensive School located in East Finchley, geared towards achieving the best for our young people. We were delighted to recently be recognised by the Department for Education for being in the top 100 most improved schools in the country. Our results continue to show outstanding value-added year on year and our results at A Level place us in the top 20% nationally for value-added. We strive to uphold strong spiritual and moral values, both in and outside the classroom and our approach is strict and traditional. We are an inclusive school and celebrate our diversity, with high expectations of achievement for all our young people. Our approach to learning enables us to ensure a personalised pathway for all learners. All students in Years 7 and 8 receive subsidised music lessons leading to graded qualification. Our most able pupils are stretched, and those with needs supported, to ensure that all achieve their full potential. As Headteacher I am confident in the high standards across the school and would encourage you to visit and see for yourselves what we have to offer.

Uniform
Our strong sense of community is reflected in our uniform, which we expect our students to wear with pride, both within school and outside in the wider community.

Attendance, discipline and pastoral arrangements
We have high expectations of attendance, punctuality and behaviour. Positive relationships are at the heart of everything we do. Dedicated pastoral teams ensure the smooth transition of Year 7 students and provide continuous emotional and academic support for all students in our care. We have a clear, well shared and understood rewards and sanctions policy. We motivate and encourage students through regular rewards, achievement assemblies and annual celebration events.
Oversubscription criteria (summary)

If there are more applications than the number of places available, places will be offered according to the following order of priority:

**Foundation places (120)**

1. Catholic children 'looked after' by a local authority and Catholic children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after
2. baptised Catholics
3. other 'looked after' children and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been 'looked after'
4. other children whose parents wish them to have a Catholic education who attend one of the Bishop Douglass Specialist Science College and Sports Partnership family of schools, i.e. St. Theresa's RC Primary School, Our Lady of Lourdes RC Primary School, Holy Trinity C of E Primary School, Martin Community Primary School and Manorside Community Primary School
5. other Christians whose parents wish them to have a Catholic education and whose application is supported by a minister of religion
6. children of other faiths whose parents wish them to have a Catholic education and whose application is supported by a religious leader
7. any other candidate whose parents wish them to have a Catholic education

**Community places (60)**

1. children 'looked after' by a local authority and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after
2. children who have a sibling attending Bishop Douglass School
3. any other candidate.

The attendance of a brother or sister at the school at the time of admission will give a higher ranking within each category. Brothers and sisters include half, step, adoptive and foster siblings, provided they also live at the same address as the candidate. If the final place available at the school is offered to a twin, triplet or other child of multiple birth and the remaining sibling(s) would ordinarily be refused, the governing body will offer place(s) to the remaining sibling(s) even when admitting such a child(ren) would exceed the Published Admissions Number.

**Facilities/Extra-curricular activities**

We offer excellent facilities for all our students, including a state of the art science block, sports hall and fitness centre, dance hall, drama studio, music technology and art specialist rooms as well as over 500 computers just for student use. We continue to move forward at Bishop Douglass, through adopting and incorporating new practices such as e-learning in every classroom, as well as 24 hour access to the curriculum through a well-used Virtual Learning Environment.

We have a comprehensive extra-curricular programme that enables growth and development beyond the classroom. Sport is a particular strength and is well facilitated with on-site pitches, a fully equipped fitness centre, and a multi court sports hall. Subsidised music lessons for all Year 7 and 8 provide the opportunity for students to acquire accredited grade qualifications. Residential opportunities are provided for all students from Year 7 to 10 as part of an annual activities week, whilst a comprehensive trips programme enriches the broad curriculum and supports learning at all levels.

**You and your child’s progress**

We set rigorous targets at the start of each academic year. Classes are of manageable sizes allowing teachers to target and stretch each individual. Students are assessed five times during the year and progress against targets is monitored closely. This is shared with parents through target setting days, parent consultations and reports.

**Curriculum and homework**

Investment in your child’s future begins in Year 6 with a transition summer school and continues with a broad and balanced curriculum at Key Stages 3, 4 and 5. KS4 commences in Year 9 and enables students to study up to four Foundation Subject GCSEs over three years in addition to the Core subjects (English, Maths, Science, PE, RE and ICT). We aim to develop a passion for education through personalised pathways that develop the individual. This approach ensures that every child can succeed and provides stretch and challenge for students of all abilities. Our PSHE programme allows students to develop important personal, social and intellectual skills in a safe and friendly environment.

**Education after 16/ Sixth form curriculum**

We have a thriving and oversubscribed Sixth Form that secures excellent outcomes for students. Our success over the last few years has meant that at A-Level we are in the top 5% of all schools nationally for value added. We offer 34 courses at Level 2 and Level 3 as well as providing GCSE mathematics and English. As a result our curriculum offers a broad range of subjects available to suit different types of learners of all abilities. Our retention from Year 11 into the Sixth Form is exceptional, with a very high percentage of students choosing to stay on at Bishop Douglass. We also attract a large number of applications from external students – largely due to the success we have secured for students at post-16 level.
Christ’s College, Finchley
East End Road, Finchley N2 0SE

Aims and expectations
Christ’s College Finchley is a highly successful comprehensive school for girls and boys. We pursue academic excellence for all of our students; resolute in the belief that every child has great potential and should be given every opportunity to fulfil it. Our most important aims include:

- the highest standards of academic achievement within a comprehensive setting. (“The Headteacher has very high ambitions for the pupils and a relentless determination to provide the highest quality of education.” Ofsted 2016)

- development of the ‘whole child’ so that they couple academic progress with the skills and personal attributes needed to thrive in life after school. (“The Headteacher has established an environment where pupils thrive.” Ofsted 2016)

- happy young people: we want to develop in our students an optimism for life; an unshakeable belief in their own ability to shape their world and a faith to believe the best in people. (“Pupils are encouraged to celebrate their differences. As a consequence they mix well and show tolerance and respect in this diverse learning environment.” Ofsted 2016).

The school expects a high standard of traditional school uniform for students in Years 7–11. Both girls and boys must wear a tie and blazer.

Attendance, discipline and pastoral arrangements
We have high and improving attendance and are clear in our belief that excellent attendance (95%+) is vital for academic success. Parents are encouraged to support our policy by ensuring that their child attends regularly.

The calm and caring environment we enjoy at the school is underpinned by a firm approach to discipline. The rules are very fair, very simple and consistently reinforced. Disruption of learning and bullying are never tolerated. Students feel safe and happy to learn because we have this clarity of expectation. (“Minor disputes and disruptions to learning are extremely rare.” Ofsted 2016)
Oversubscription criteria (summary)

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children applying who are in the care of a local authority or who were previously in care but who have since been adopted or made the subject of a child arrangements order or special guardianship order

2. children who, at the time of admission, have a sibling living at the same address in Years 7–11 at the school (or who is in Years 12 or 13 if they previously attended in Years 7–11 for at least one year). Siblings will include step siblings, foster siblings and adopted siblings. It will not include other children living permanently at the same address

3. children who, at the time of admission, have a sibling as defined above living at the same address in Years 7–11 at our partner school Copthall School (or who is in Years 12 or 13 at Copthall School, if they previously attended Copthall School in Years 7–11 for at least one year)

4. children of members of staff at either Christ’s College Finchley or Copthall School, provided they have been directly employed at the school / for a minimum of two years or have been recruited to fill a post where there is a demonstrable skills shortage. (The definition of a direct employee is an employee holding a contract of employment with the school)

5. remaining places will be offered on a geographical basis measuring distance in a straight line from the address point for the child’s home, supplied by Ordnance Survey, to a point at the centre of the school main building using the Council’s geographical information system. Where a child lives with parents with shared responsibility, (each parent for part of a week), the child’s home address will be taken to be the address of the main parent/carer eligible to receive Child Benefit and/or Child Tax Credit.

Extra-curricular activities

We place a high value on allowing our young people to develop skills and expertise in important areas outside of the main curriculum. We have a strong record of sporting success and our curriculum is fortified with a rich and varied diet of learning experiences. Our thriving sports department regularly produces championship winning teams in basketball, football and cricket and we also excel in individual sports.

We have a highly successful chess club with nationally ranked players who represent the UK and we have been national champions in Robotics for the last 3 years. We continue to improve our facilities and have a new £500,000 all-weather sports pitch.

You and your child’s progress

Individual students’ progress is monitored closely and assessed formally against aspirational targets set by the school each half term. Progress towards these targets is tracked carefully via each individual student’s “Learning Ladder”.

Parents have constant access to their child’s progress record online. Every year group has a parent consultation evening and a full report is produced for each student every year. The school prides itself on being welcoming to parents and places great emphasis upon forging productive links with families to support students’ learning.

Teaching and learning

Our approach has been to secure and deliver the very highest standards of teaching possible and this has been fundamental to the vast improvements at the school. We insist on appointing only the very best teachers who see teaching as their vocation, possess the personal attributes needed to inspire children and are determined to secure the best for the young people in their care. The school’s powerful blend of the best aspects of traditional education combined with skilled innovation and creativity provides a rich environment for student progress and development. This year we have been awarded Confucius Classroom status and Year 7 students will now learn Mandarin as well as French and Spanish.

(“Improvements, particularly in teaching and learning, have been rapid and sustained.” Ofsted 2016)

Education after 16/
Sixth form curriculum

The Christ’s College Sixth Form is an amazing learning community. We have some of the most brilliant young minds, in their formative years, preparing for life at the country’s top universities. These bright minds support the school’s highly aspirational ethos. The Sixth Form is an integral part of our school and we are very proud of the young people we develop. All students are treated equally, cared for and given a very high standard of teaching and guidance to allow them to realise their aspirations. New students will be warmly welcomed into our friendly community.
The Compton School
Summers Lane, North Finchley N12 0QG

Aims and expectations
The Compton is a high achieving mixed school which converted to Academy Status in January 2011. The school was selected as one of only 100 outstanding schools nationally to become a Teaching School which is a very prestigious national award. We have received three successive outstanding OFSTED designations and are only one of a handful of schools nationally to achieve this record. At The Compton, we believe that all students can learn and fulfill their potential. As a school with a national reputation for excellence we are able to recruit some of the very best staff who support each child to achieve their very best. The school provides a safe and happy school community made up of children from diverse, cultural and social backgrounds. An innovative programme of Student Leadership and a diverse Enrichment Programme ensure students develop a wide range of social and personal skills and become confident young adults during their time with us.

Uniform
The Compton has a strict uniform policy which students are expected to follow at all times including on the way to and from school. Our uniform is traditional in style and includes a blazer and tie for both boys and girls. Sixth Formers are expected to wear formal business wear.

Attendance, discipline and pastoral arrangements
Our comprehensive and highly effective pastoral care system ensures that each student feels individually supported in achieving their very best. Every child has a Form Tutor who they see on a daily basis for Personal Development Time and a Year Manager who coordinates the attendance, behaviour and pastoral arrangements for the year group as well as providing the essential link between students, staff and parents. We run an excellent induction programme in close partnership with our feeder primary schools to help familiarise students with the school well before the first day of term. The Compton operates a Positive Behaviour Policy where excellent behaviour for learning and positive contributions to the school community are rewarded. Alongside this students are familiar with the clear framework of consequences of poor behaviour. Excellent attendance and punctuality are also expected.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. ‘looked after’ children and children who were ‘looked after’ but ceased to be so because they were adopted, or became subject to a child arrangements order, or special guardianship immediately following having been ‘looked after’.

2. children who, at the time the application for admission is made, have a sibling at The Compton in years 7 – 11 or a sibling in the 6th Form who previously attended The Compton School for at least one year prior to Year 12.

3. children of staff of The Compton School where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made

4. remaining places, out of 180, are offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the address point for the child’s home (supplied by Ordnance Survey) and the main school gate. The distance between these points is calculated using Barnet Council’s computerised geographical information system

5. an additional planned 30 places are offered at Year 7 secondary transfer to children from the agreed feeder schools in the N2 and N3 postcodes according to the following quotas: 16 places to Moss Hall Junior School, 7 places to Manorside School and 7 places to Martin Primary School. The allocation will be offered to children from each of these schools based on geographical distance in a straight line from their home to the Compton School. If the quota of children from any one of these feeder schools is not reached the remaining places will be offered to children from the other two schools based on geographical distance. Any of the remaining places not taken up by children from the three feeder schools will be offered in accordance with paragraph 4 above up to a maximum limit of 210 places.

Facilities/Extra-curricular activities
The Compton offers learning environments that are modern, attractive and safe for our students. Students’ access to ICT resources is excellent, with over 350 computers in the school and a range of extra new technologies for students use. Large numbers of students’ are involved in extra curricular activities including Creative Arts, Drama, Music and Physical Education. We also have a range of KS2 extra curricular opportunities, which includes cookery, chess, art and gardening, and departments run homework clubs and revision classes on a regular basis.

You and your child’s progress
There is a Parents’ Consultation Evening held for each year group, with additional evenings held for ‘Welcome to Year 7’, ‘Welcome to KS4’ and homework evenings. There are regular opportunities throughout the year for parents to be informed of their child’s progress. Parents will receive three interim/summary reports and one tutor report at the end of the year.

Curriculum and homework
The curriculum we offer is:

- broad and balanced
- reflects our commitment to students achieving their best
- promotes students’ spiritual, moral, cultural and physical development
- prepares students for opportunities, responsibilities and experiences of adult life.
- promotes the ability to work effectively, both independently and as a member of a group.

At The Compton we regard learning as an active partnership between school and home. Students are issued with homework through an on-line resource (Show My Homework) which parents can also access. A homework timetable is issued to parents and students at the start of the academic year.

Teaching and learning
The school provides a consistently high quality of teaching throughout the school. Achievement is recognised and rewarded throughout the year and at celebration evenings. Classes are initially taught as mixed ability with setting introduced from Year 8 in Mathematics and Science.

Education after 16/
Sixth Form curriculum
The Compton School opened an academic sixth form in September 2015. A significant majority of our existing Year 11 students choose to continue their education at the school. We also attract a large number of external students and this ensures a vibrant and positive atmosphere in the sixth form. A wide variety of Advanced Level courses are offered as well as a broad enrichment programme. High quality pastoral support is available to all students as well as specialist university preparation and careers guidance.

Aims and expectations
We are a girls’ comprehensive school, offering single-sex education for students aged 11-18 and of all abilities. Our mission is to provide an excellent education for all, and we have a clear vision, which can be viewed on our school website. Everything we do is driven by our mission, our vision and our values which are; Respect, Equality for all, Support and Safety, Aspiration and Responsibility.

We are on a journey to renewed success with a committed staff body and a supportive governing body. We have an extremely positive ethos underpinned by the exemplary behaviour of our girls, who are respectful, caring, hard-working and aspirational. Our teaching and learning vision permeates the school and supports all students to become confident learners. We believe that no child should be left behind so we make sure everyone is supported to develop the skills and strategies needed so that they can leave Copthall and take their rightful place as responsible citizens. Copthall School provides a safe and nurturing environment where student talent is encouraged and celebrated. Our aim is for all students to experience a range of extra-curricular activities that include trips to the ballet and theatre as well as residential trips.

Uniform
Copthall School has a strict uniform policy for all students. From September 2017 we are introducing a new uniform which includes a blazer, shirt, tie, skirt or trousers and formal black shoes. All students must wear their uniform when travelling to and from school, as well as during the school day. There is a formal dress code in the sixth form and students are expected to wear professional dress. Mobile phones and other electronic devices are banned within the school site and any device seen or heard will be confiscated for five school days.

Attendance, discipline and pastoral arrangements
The school has high expectations for all of its students and celebrates positive behaviour. A consistent rewards and sanctions policy is in place at the school to maintain excellent behaviour at all times. Exemplary punctuality and attendance is a must, with all students expected to maintain at least 97% attendance. Copthall has Directors of Learning who work closely with Form Tutors to lead each year group alongside our specialist Primary, EAL and SEND teams who...
support the transition of students into Year 7 and beyond.

(The definition of a direct employee is an employee holding a contract of employment with the school)

5. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line.

Facilities/Extra-curricular activities

The school has good facilities to meet the needs of the curriculum. These include well equipped computer suites, learning centre, internet access, library, science laboratories, sports hall, dance/multipurpose suite and netball/tennis courts.

Each classroom is equipped with interactive whiteboard technology.

The school has a number of clubs and activities which take place during lunchtime and after school. A programme of the clubs and activities is circulated at the start of the year.

The school also organises a range of trips and cultural experiences. These include trips to the theatre, dance workshops, museums, the seaside, outward-bound activity days and some residential opportunities.

You and your child’s progress

The school works closely with parents to celebrate students’ progress and identify areas for development, implementing intervention sessions where necessary. Parents will receive a termly summary that details how their daughters are progressing in all areas of their curriculum, along with annually publishing Subject and Pastoral reports and hosting Parents’ Evenings. Aspirational targets are set for all students, allowing them to reach their full potential and making the tracking of progress for parents and teachers clear.

Curriculum and homework

Copthall offers a broad and balanced curriculum that is tailored to meet the needs of all our students. Regular homework tasks are designed to build-on and consolidate students’ understanding of topics while also nurturing students to become independent learners. Students are encouraged to make effective use of ICT resources with all homework tasks being published online for parents and students to view. We operate a three year Key Stage 4 curriculum offering GCSE and Vocational pathways which are reviewed each year to accommodate curriculum changes and meet the needs of our students.

Teaching and learning

Our vision for teaching and learning is ‘A positive learning environment that inspires a passion for learning, so that every student progresses and thrives.’ We have a strong system for encouraging good behaviour for learning, with an emphasis on rewards for the majority of our students who behave extremely well. We have dedicated specialist teachers who love their subjects and share their passion with our girls. We have lots of structures in place to make sure that every student is supported to make progress and thrive. Furthermore, we have an extensive SEND and EAL team who provide tailored support for students who need it. We have a dedicated year 7 catch-up teacher who will provide an individualised curriculum for any students who have gaps in their primary-school learning in English, Maths or Science.

Education after 16/ Sixth form curriculum

Our Sixth Form is made up of both internal and external students. The education offered in the Sixth Form is exciting, challenging and highly creative enabling our students to access academic challenge. The Sixth Form curriculum offers students a wide range of courses for all ability students, including A Level subjects, BTEC options and Vocational pathways alongside our extensive tutorial, enrichment, extended project qualification and PSHE programme. Our pastoral care is paramount to the well-being of our students and we have many internal and external staff and agencies that work with our students including a Careers Advisor. We are part of the school community and the Core Values of our school permeate across all aspects of the Sixth Form provision. Students arrange and run events, mentor students and take on Leadership responsibilities. We also have a very robust Work Experience and UCAS programme, which help our students to prepare for their next step.
A guide to secondary education in Barnet 2018

Aims and expectations
East Barnet is a high performing school with ‘an exciting and stimulating environment for learning’. OFSTED inspectors have described the behaviour of our students as ‘exemplary’ in both of the last two inspections. We are a National Support School, providing support and guidance to many other schools. Our success is built upon an “I want to learn” philosophy through which students develop to their full potential as independent and self-motivating learners. We have a rich and diverse community that supports and promotes respect, courtesy and understanding. We expect high standards of behaviour from all our students and will guide them to develop into responsible young adults who are able to make a positive contribution to the school community and beyond.

Oversubscription criteria (summary)

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

2. a child with a sibling attending the school at the time of application*. Sibling is defined in these arrangements as a child who lives as brother or sister in the same house, including natural, adopted, step and foster brother and sister

3. a child of an East Barnet School member of staff, providing that the member has been employed for a minimum of two years at the time of application*, or is recruited to fill a vacant post for which there is a demonstrable skill shortage. ‘Staff’s Child’ is defined in these arrangements as a child who lives as the staff member’s son or daughter in the same house, including natural born, adopted, step and foster son or daughter

4. other children by distance from the school, with priority for admission given to children who live nearest to the school. Distances are measured in a straight line from the main gate of the school to the address point for the child’s home, as supplied by Ordnance Survey. The distance between these points is calculated using Barnet Council’s computerised geographical information system

5. random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between the school and the home of two children is the same.

Facilities/Extra-curricular activities

The school is contained on a single site in a £30 million modern state-of-the-art building, boasting the very latest in technology, sports facilities, and independent study areas. We have a discreet Sixth Form study area, a fabulous library with fantastic views of London, a unique Sixth Form Coffee Shop, large and fully equipped classrooms and amazing Project Faraday experiments, including a large ‘Wetland’ feature for ecology studies. It is fully compliant with the needs for disabled access. We have literally hundreds of extra-curricular clubs, activities and trips on offer! This includes a wide range of sports, art, music, drama, dance, robotics, lectures from eminent speakers, working with artists, authors and scientists in residence, as well as homework and coursework clubs.

You and your child’s progress

All parents receive a termly report for their child, and are invited to attend an annual Parents’ Consultation Evening. A student’s progress can also be monitored by parents through the school’s e-portal. Heads of Year along with Heads of Subject and Faculty will contact parents if they have any concerns or notice a change in attitude, motivation or progress. Upon joining East Barnet School, parents, students and a school representative will sign the Home-School Agreement which states the commitment of all parties towards making our relationship positive and successful.

Curriculum and homework

Our curriculum is designed to support the needs and talents of all our students. It provides stretch and challenge for students of all abilities and all key stages, as well as opportunities to learn in innovative ways through Triple-E School, extra-curricular activities, lectures from eminent speakers, our More Able Programme and options to work with artists, authors and scientists in residence. Our PSHEE programme allows students to develop important personal, social and intellectual skills.

Homework is set in all subjects in line with school policy and student timetables.

Teaching and learning

The school provides students with high calibre and innovative lessons, as well as many learning experiences beyond the classroom. Subjects are taught in both mixed ability and set groups as students move up through the years. The focus is on developing independent learning skills and active learning.

The school’s learning culture promotes positive relationships between students and teachers. We also challenge the students to think creatively and encourage them to demonstrate curiosity about the world around them.

Education after 16/
Sixth form curriculum

The vast majority of our Year 11 students choose to continue their education in our highly successful Sixth Form; and a significant number of external students also choose to join us at this stage of their education. The school offers nearly 30 AS and A Level courses, and many opportunities for developing leadership skills. The Sixth Form has an enviable record in ‘A’ Level examinations and the vast majority of students secure university places.
Aims and expectations
Finchley Catholic High School recognises the unique nature of each young person and is dedicated to the fullest possible development of the spiritual, academic, physical, cultural and artistic potential of every pupil.

We have very high expectations of pupils, parents and staff. It is important that all those involved with the school are committed to its ethos and prepared to uphold its values.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Catholic looked after children and Catholic boys who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after
2. Catholic siblings of current or past pupils of the school where they meet the criteria for practising Catholic boys
3. Catholic children of members of staff who are employed by the Governing Body and have been in post for at least two years, at the time of application; where they meet the criteria for practising Catholic boys
4. other Catholic boys with a certificate of Catholic practice
5. other Catholic boys
6. other looked after male children and children who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been looked after
7. non-Catholic children of members of staff who are employed by the Governing Body and have been in post for two years, at the time of application
8. boys of other faiths or none

Applications must be supported by:
- a Baptismal Certificate in the Catholic faith (criteria 1-5)
- a current Certificate of Catholic Practice signed by the family’s parish priest or by the priest of the parish in which the family normally worship
- proof of residential address where the applicant lives for more than 50% of the school week.

Please note the school is usually heavily oversubscribed and all places have, in recent years, been filled by boys meeting our Catholic criteria.

Waiting list
Unsuccessful applicants will be invited to join the waiting list which will be maintained in the order of the oversubscription criteria until the end of the academic year.

Late applications
Late Applications for Secondary Transfer will only be considered in the normal admissions round if there are extenuating circumstances for the delay. All such applications will be considered by the admissions authority

Facilities/Extra-curricular activities
The school is located on an attractive campus containing a variety of buildings and different architectural styles. In addition to the main teaching blocks, there are two gymnasia, an all-weather sports pitch, an on-site cafeteria and a large School Hall. A state-of-the-art 6th form building was completed 2 years ago along with a newly refurbished professional standard food technology area. Off-site sports pitches are located five minutes’ walk from the school.

The school is committed to the development of the whole person and affords many opportunities for growth and development beyond the classroom. Sport is a particular strength and Music and Drama are also very popular. A wide range of enrichment opportunities exist for students, from sailing to singing, and comics to dissection.

You and your child’s progress
The school aims to build a strong partnership with parents. To that end, parents are kept well informed about their child’s progress and are encouraged to take an active role in supporting their learning. We also have an ‘open door’ approach should problems arise.

Curriculum and homework
Students follow a common curriculum in KS3 during Years 7 and 8. They are taught in sets for English, Maths, and Languages from Year 7, in Science from Year 8 and in mixed ability forms for other subjects. KS4 commences at the beginning of Year 9 and GCSEs are studied over three years. A wide range of A levels and Level 3 BTECs are offered at post 16 level and Level 2 BTEC courses are also available.

A homework timetable is produced for all year 7 – 11 students at the start of the year.

Teaching and learning
Teaching and Learning is our ‘core business’ and is at the very heart of what we do as a school. At FCHS we accept as the underlying principle of our work that all pupils can achieve and make excellent progress in all areas of their development, irrespective of their attainment level. Effective teaching and learning is achieved through using a variety of teaching styles, planning lessons carefully and making good use of the available technology.

Education after 16/
Sixth form curriculum
Most students enter the Sixth Form on Level 3 courses. They choose three to four A level options from an extensive range, including some subjects offered by our partner secondary school, St Michaels’ Catholic Grammar School. Some students opt for L3 BTEC courses and a small number of students will follow Level 2 BTEC courses.
Friern Barnet School
Hemington Avenue, Friern Barnet N11 3LS

Aims and expectations
Friern Barnet School is a vibrant, culturally diverse, mixed comprehensive specialist arts school. In line with our school motto, ‘Enjoy and Excel’, we are hugely ambitious academically for all our students, ensuring that they secure the results to go on to excellent further and higher education institutions and then on to fulfilling careers. But we also want them to live lives which are personally and socially fulfilling, developing a love for art, music, dance, theatre and culture which will enrich the whole of their lives. Our desire is that students leave us as mature, independent learners who are also engaged and responsible citizens.

We have high expectations of all our students, helping them develop self-esteem and respect for others. We work with them to help all students make a positive contribution to both the school and the local community.

Uniform
Uniform is central to the sense of community within our school and we have high expectations of our students. Students must be smart and reflect a positive attitude to learning both in and on their way to and from school, remembering they are representing Friern Barnet School in the wider community.

Attendance, discipline and pastoral arrangements
Our inclusive family ethos, based on respect, responsibility and relationships, underpin our school. From the first day, your child will be effectively supported in our caring community. Central to this is your child’s tutor group, enabling students to form strong and positive relationships throughout the school. Form Tutors closely monitor academic and personal development and are the first point of contact for parents, creating that important link between school and home. All students are expected to maintain the highest standards of behaviour and take pride in their work and their learning environment. Every student is a valued member of the school community and achievement is celebrated at every opportunity. Excellent attendance and punctuality are expected. Through our exemplary transition arrangements, support for students starts in primary school.
Oversubscription criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. 'looked after' children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989.

2. children who, at the time of admission, have a sibling living at the same address who is a pupil in years 7 – 11 of the school, or who is attending the linked 6th Form College, Woodhouse College, if they previously attended in years 7 – 11 for at least one year. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.

3. priority will be given to a maximum of 16 pupils who show performing arts potential in dance, drama or music.

4. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line. Distance is measured between the address point for the child's home, supplied by Ordnance Survey, to the school’s main gate using the Council’s computerised geographical information system.

Tie Breaker
Distance will be used as a tie-breaker within each category.

Final Tie Breaker
Applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Facilities/Extra-curricular activities
Friern Barnet has an excellent and diverse range of extra curricular arts provision and students of all abilities enjoy taking part. The school holds the Artsmark Gold Award and has won a number of recent, prestigious national awards. Students regularly produce high quality dance, drama and music performances and there is an annual art and design exhibition. Students perform in school and to wider audiences. Many students enjoy sport and participate in our extensive programme which includes athletics, badminton, trampolining, football, rugby, cricket, table-tennis and basketball.

In addition, we have an exciting extra-curricular programme which includes Media and Film Club, Science Club, English 7Up Club, ICT Club, Photography Club, Year 7 Writers’ Group, Chess and Debating Clubs to name but a few.

A great variety of day and residential trips take place throughout the year, including visits to art galleries, museums and the theatre and field trips in Geography and Science. We have regular trips to Europe and welcome international visitors to our school.

Education after 16/Sixth Form curriculum
Students at Friern Barnet School gain preferential places at Woodhouse College where they can study a wide range of post-16 courses including AS and A level. We also have strong links with other sixth forms and colleges across North London. Many of our students progress on to leading universities including Oxford and Cambridge.

There are many occasions to celebrate students’ achievements at our prize giving evenings and at the many performances and productions throughout the year.

Curriculum and homework
Students at Friern Barnet School experience a broad, balanced and innovative curriculum. Programmes of personalised learning ensure every student’s needs are met and their progress is outstanding.

Home Learning is an important aspect of students’ education and plays a significant part in raising achievement. This is set regularly in every subject and gives an opportunity for students to learn independently.

Teaching and learning
Learning is at the heart of our school and we are constantly seeking to make this experience engaging, enjoyable and enriching. High expectations, stimulating lessons and a wide range of extra-curricular opportunities ensure all students are challenged to discover and develop their talents.

A guide to secondary education in Barnet 2018
Hasmonean High School
Hasmonean Girls: 2 – 4 Page Street, Mill Hill NW7 2EU
Hasmonean Boys: Holders Hill Road, Hendon NW4 1NA

Aims and expectations
Hasmonean High School combines the secular with the religious, within a framework of Torah Im Derech Eretz (respect for others, both within the school community and in the wider world). Academic rigour is combined with in-depth Torah study, incorporating values such as chesed (caring, kindness) and tzedokah (charity).

The ethos of Hasmonean High School is based unambiguously on the principles of Orthodox Judaism. At the core of these principles is the recognition that both the written and the oral Torah are Divine. The principles are enshrined in the Shulchan Aruch, the Code of Jewish Law and its commentaries which delineate the laws, customs and values of an Orthodox Jewish lifestyle.

It is the school’s aim to maximise the individual capabilities of its students to provide them with the knowledge and skills that will enable them, subsequently, to take their place in society whether in the worlds of Jewish learning, teaching or social service, or in the general academic, professional or business worlds.

All students are expected to adhere to the school’s uniform policy. Details are distributed to parents in the Welcome Pack

Attendance, discipline and pastoral arrangements
At Hasmonean we aim to maximise the potential of every student within a positive, safe and supportive learning environment. Self responsibility is encouraged through rewards and sanctions. Regular attendance and punctuality are viewed as crucial factors that contribute to maintaining high academic progress and achievement. Support strategies include: tracking, monitoring and intervention; staff mentoring; peer mentoring; pastoral focus on specific groups; and meetings with the Mashgiach and School Counsellor.
A ‘looked after’ child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This definition has been widened to include formerly ‘looked after’ children who have been adopted or made subject to a child arrangements or special guardianship order.

Oversubscription criteria (summary) contact school for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Orthodox Jewish children who are ‘looked after’ or were previously ‘looked after’ as defined by the Admissions Code.
2. Orthodox Jewish pupils with medical or social grounds for admission to this school in particular. Supporting evidence from a suitably qualified professional will be required.
3. Orthodox Jewish pupils whose siblings are at the school at the time of admission.
4. Orthodox Jewish pupils who are only or eldest children (due to the difficulty in our community for only or eldest children to receive a place at a Jewish school).
5. Orthodox Jewish pupils whose siblings are former pupils of the school (i.e. were previously on the school roll).
6. All other Orthodox Jewish pupils.
7. ‘looked after’ children and previously ‘looked after’ children other than those who are Orthodox Jews.
8. Other children.

A. A child must observe and practise Orthodox Jewish traditions and practices as set out in Parts 1 & 2 of our Rabbi Reference Form. In the event of any dispute as to whether a child meets these criteria, the authority of the Rabbis of the Jewish Secondary Schools Movement is final.

B. A child must also have a parent or guardian who observes Orthodox Jewish traditions and practices according to the criteria set out in Parts 1 & 2 of our Rabbi Reference Form.

Confirmation of the above will be required through completion of our Rabbi Reference Form.

In each category priority will be given to those living nearest the school by straight line measuring using the Local Authority’s measuring system.

Waiting list

The school will maintain a waiting list for the new Year 7. Children will be placed on the list in accordance with the above criteria. Children will move down the list if children with a higher priority are added. This waiting list will remain open until 31st December 2016.

Facilities/Extra-curricular activities

An extensive programme of enrichment is delivered within and outside the curriculum. An array of clubs run during lunch and after school, and there are numerous societies devoted to volunteering and charity work.

You and your child’s progress

Three times a year all students in key stages 3 and 4 are assessed by their teachers using a combination of in-class activities and tests. They are awarded a National Curriculum level or GCSE grade. In addition, targets are set in each subject based on past performance which challenge each at their own level. These grades, along with comments and advice, are communicated to parents at the end of each term in a concise report. Interviews and support are provided regularly to help students achieve their targets.

Curriculum and homework

Hasmonean follows a two year Key Stage 3. Students chose courses and enrichment for Key Stage 4, and then again for the Sixth Form. A rigorous course of Jewish Studies is compulsory throughout the Key Stages. Enrichment is part of the curriculum at Hasmonean in all year groups, especially in Year 9 where the students can chose to study courses such as Chinese Culture, First Aid and Photography. Homework is set on a regular basis, often as a project. The VLE is also used to set and monitor homework.

Teaching and learning

The central focus of teaching and learning at Hasmonean is to raise the achievement of our pupils. We are geared towards continuous improvement and there are high expectations for both pupils and the teachers. The school is committed to Assessment for Learning whereby pupils are made aware of the level at which they are working and know what to do to reach the next stage. Teachers are expected to set clear expectations and model positive attitudes to learning to help pupils become independent learners who are committed to lifelong learning and able to cope with the demands of adult life.

Education after 16/
Sixth form curriculum

Students are given guidance in Year 11 to help them select their AS and A Level subjects. Further Sixth Form vocational courses are available. Students at Hasmonean almost invariably go on to further academic study of both Jewish and secular learning. As well-rounded scholars, they are fully equipped for further learning and the world of work and to take their place in the Jewish and wider community as active and responsible citizens.
Hendon School
Golders Rise, Hendon NW4 2HP

Aims and expectations
Believe, Achieve, Lead, Belong
At Hendon School students are part of a thriving learning community where everyone is valued. Working in partnership with parents and carers we aim to get the best out of every student. This is why we put learning and teaching at the heart of everything we do. The strong curriculum extends beyond the classroom with students enjoying success in an impressive range of creative, sporting, technological and enterprise activities. Leadership flourishes and many students have been recognised nationally and internationally for their contributions to citizenship. Hendon is a happy, vibrant and purposeful school. We foster an ethos of respect and mutual support and strive to ensure that our students gain the results and skills they need to follow their chosen pathways at university, in further education or employment. Our students leave school prepared for the challenges of adult life and ready to make a valuable difference to society.

Attendance and pastoral arrangements
Pastoral care and inclusion are of exceptional quality at Hendon School and transition from primary to secondary is well supported. We aim to nurture the whole child and ensure that students develop positive moral values which enable them to make valuable contributions to both school and in wider society. Students are expected to maintain a minimum 96% attendance, given the proven link between good attendance and attainment. High standards of behaviour are expected and students joining the school agree to abide by our Code of Conduct, school rules and behaviour code. The Home School Agreement sets out the expectations and responsibilities of the school, the student, and their family. Excellent systems are in place to support our students through their education. Every student has a tutor who knows the child well and is the main point of contact for parents.

Oversubscription criteria (summary)

Year 7 applicants are required to take a standardised national test (this will consist of verbal, non-verbal and numerical reasoning tests set by the NFER). On the basis of the results of the test applicants are placed in one of three bands:

Band A: scoring equivalent to the top 25% of the population as a whole – 25% (50) places

Band B: scoring equivalent to the middle 50% of the population as a whole – 50% (100) places

Band C: scoring equivalent to the lowest 25% of the population as a whole – 25% (50) places.

Once placed within a band, the actual standardised score and the position within the band are disregarded.

Where applications exceed the number of places available, the following criteria will be applied in order to decide which students to admit. The criteria are applied independently to the groups of applicants in each band in the sequence indicated in order to determine the offer of places. In the event of under application to any band whilst the school remains overall oversubscribed, applicants will be selected from the adjacent band (in the case of band B, alternatively from bands A and C) on the basis of the criteria listed. In the event of there being no further applicants in the adjacent band, places will be offered on the basis of the criteria below to any remaining applicants irrespective of band.

1. all looked after children
   and previously looked after children (see the definition in Section 22(1) of the children’s act 1989) for whom placement at Hendon School is deemed by the London Borough of Barnet to be appropriate

2. children who are deaf or who have an Autistic Spectrum Condition (ASC) for whom placement at Hendon School is deemed by the

3. children with brother* or sister* already at the school and still expected to be at the school when transfer takes place. For the purpose of criterion 3, ‘brother’ or ‘sister’ means either (a) a child having at least one natural parent (or by legal adoption) in common with the applicant, or (b) a child related to the applicant as a stepsibling by the inter-marriage of one of each of their parents prior to the date of application, and living at the same address Monday – Friday

4. children who have previously been on the school register and came off the register due to a change in the home address

5. children of any permanent members of staff. A ‘Staff Child’ is defined in these criteria as a child who lives as the staff member’s son or daughter in the same house, including natural born, adopted, step and foster son or daughter

6. the distance of children’s homes from the school as measured in a straight line, those living nearer being accorded priority. Distance will be used as a ‘tie-breaker if two or more applicants are equally qualified for a place in any of the above criteria.

Waiting list

A waiting list will be maintained for each year group which is updated on an annual basis and maintained in the order of the oversubscription criteria. Late applications are only accepted from parents who have recently moved into the area. These will be treated in the same way as other applicants and arrangements will be made for them to take the entry tests.

Education after 16/
Sixth form curriculum

There is no automatic entry to the Sixth Form, either to students from the school or to others.

Students must have attained the academic entry requirements for the course for which application is made and are expected to have a commitment to the aims and policies of Hendon School and the Sixth Form.

The Henrietta Barnett School
Central Square, Hampstead Garden Suburb NW11 7BN

Aims and expectations
We aim to:

The Henrietta Barnett School (HBS) is a warm, friendly and vibrant community that prides itself on happy and productive relationships. We are consistently one of the top state schools in the country and have an exemplary local and national reputation for academic excellence. Dame Henrietta Barnett strongly believed in the power of education to shape people’s lives and founded the School to provide educational opportunities of the highest quality for its students. She built the School on the principle that education should be open to girls from different backgrounds to study and learn together and from each other. This principle is alive and well at HBS.

We provide a broad education that is ambitious, varied and stimulating. Academic excellence and a wide range of extra-curricular and enrichment opportunities are offered in an open, caring and supportive environment, enabling each individual to thrive and achieve her potential. We are committed to developing the whole person, encouraging students to explore their interests in a wide variety of ways and promoting curiosity of mind, independence of spirit and a love of learning. In a culture of respect for others but without the need for bells or lists of imposed rules, HBS students are driven by self-motivation, self-discipline and a common purpose, a thirst for learning and a strong sense of pride in belonging to the diverse, inclusive, high-performing, friendly and supportive school community. They leave HBS full of integrity and ambition, ready and equipped to make a positive contribution to society, with the world at their fingertips.

Uniform
Years 7 – 11 are expected to wear our School uniform. There is no uniform for the Sixth Form.

Attendance, discipline and pastoral arrangements
Pastoral care and student wellbeing is at the heart of all that we do at HBS. We have a strong and supportive staff team of form tutors and dedicated heads of key stage for each student. Our Wellbeing & Operations Manager oversees the wellbeing of all students across the school, liaising with school staff and external agencies to ensure that every girl has the support she requires.
Oversubscription criteria (summary)

Admission is by academic selection through entrance test. Students are offered places solely on the results of the test. The Entrance Test Entry Form available from the school’s website must be completed in order to enter the test. See the school website for full details, dates and deadlines.

The Round One entrance test will be held in morning or afternoon sessions on Tuesday 5 September 2017. The first round of tests will consist of a verbal and numerical reasoning test set by a nationally recognised body.

The results of the Round One test will be standardised and placed in rank order. On the basis of this rank order, the top 300 candidates will be invited back to sit the second round of tests. The second round tests are in English and Mathematics and will take place at the School on one session in early October 2017. Candidates will only be able to take the Test once and will be tested on literacy and numeracy appropriate to Key Stage 2.

Following the second round test, the results will be combined with the results from the first round, standardised and placed in rank order before being submitted to the Local Authority who will offer the highest ranked applicants in accordance with parental preference. The results of both tests will be used to determine the final rankings.

If the school is oversubscribed, priority for admission will be given to those candidates who meet the criteria set out below, in the following order:

1. a ‘looked after’ child under the provision of The Children Act 1989, or a child who was ‘previously looked after’ but immediately after being looked after became subject to an adoption, residence, or special guardianship order, providing that the candidate is capable of following The Henrietta Barnett School education. A candidate will be considered to have the necessary capability if she is ranked in the top 300 applicants in the tests. Please provide written evidence if you are responsible for a looked after child. This evidence must be received by Monday 17 July 2017.

2. a maximum of 20 candidates who are eligible for Pupil Premium funding, providing that the candidate is capable of following The Henrietta Barnett School education. Candidates will be considered for a Pupil Premium place only if they provide written confirmation, directly from their current school, of their Pupil Premium eligibility. This evidence must be received by Monday 17 July 2017.

3. applicants whose Education, Health and Care (EHC) plan names the School, providing the candidate is considered to be capable of following The Henrietta Barnett School education.

Waiting list

Where candidates are equally ranked, geographical proximity to the School as measured by the London Borough of Barnet will be used to decide the final placings.

Waiting list

All candidates whose names were forwarded to the Local Authority but have not been offered a place at the school on National Offer day will automatically be put on the waiting list in rank order of their test score, but only if they have not already been offered a place at a higher ranked school.

The waiting list remains open until the end of the first term of Year 7. Should a vacancy occur during this time the next girl on the waiting list will be offered a place at a higher ranked school.

Facilities/Extra-curricular activities

We are located in the peaceful surroundings of Hampstead Garden Suburb. Our Science wing has been refurbished and in 2011 two new purpose built buildings were opened, housing state-of-the-art Music, Art, Drama and Technology suites. In 2015 our library was extended and refurbished and is now a favourite place in the heart of the school. The school grounds were re-landscaped and accommodate a large MUGA (Multi Use Games Area). HBS places great emphasis on the importance of extra-curricular activities and a wealth of weekly clubs and societies enable girls to extend their knowledge in favourite subject areas. They are complemented by a wide array of opportunities for girls to discover or develop their talents in the arts, music and sport.

You and your child’s progress

We regularly review targets set for pupils and communicate with parents regarding progress, through reports and consultation evenings. Information on progress and attendance is also available on our secure online reporting system.

Curriculum and homework

Our broad and balanced curriculum exceeds the statutory requirements of the national curriculum and allows pupils to pursue their own interests. Pupils study up to twenty different subjects throughout Key Stages 3 and 4 encompassing aesthetic, creative, human, social, linguistic, literary, mathematical, moral, physical, scientific, spiritual and technological experiences. Students are responsible for the organisation of their own homework with all students being given homework guidance and diaries.

Education after 16/ Sixth form curriculum

Sixth Form students have greater independence and freedom within a firm structure of guidance and support. All our students follow a programme of four or five AS Levels. Students select from a wide variety of subjects and all study, Global Perspectives and curriculum enrichment.

Oversubscription criteria (summary)

contact school for full criteria

If there are more applications than the number of places available, places will be offered using the following 4 categories:

1. first priority – Jewish children who demonstrate, or of whom at least one parent demonstrates, commitment to the Jewish faith or involvement in recognised Jewish faith activities.

2. second priority will be given to non-Jewish “looked after” and previously ‘looked after’ children1.

3. third priority will be given to children who demonstrate, or of whom at least one parent demonstrates, commitment to a faith or involvement in recognised religious activities. This will be assessed by documentary evidence of attendance by the child or by a parent/carer at a minimum of 4 religious services in the six months prior to the application.

4. all other children who do not fulfil the criteria for any category above.

In the event of oversubscription within the above, the following criteria order will be used.

First Priority Children

a) Jewish children who are ‘looked after’, or who previously were ‘looked after’.

b) Jewish children who have a sibling attending the School at the date of admission or who was on-roll on the last day of the summer term of the academic year three years prior to application.

1) a maximum of 10 places for Jewish children attending Akiva School

2) a maximum of 5 places for Jewish children attending Clore Shalom School

3) a maximum of 10 places for Jewish children attending Clore Tikva School

d) A maximum of 18 places for Jewish children who live nearest to the School, with those living closest having higher priority. Distance will be measured in a straight line from the front door of the child’s home address to the main entrance of the school, using Barnet Local Authority’s computerised measuring system. In the event of a tie between applicants who live an equal distance from the School, offers will be made by random allocation which will be supervised by an independent scrutineer appointed by the School.

e) Children (Jewish and non-Jewish) of JCoSS staff who have a permanent contract of employment and have completed two years of service on the last day of the summer term of the academic year prior to application.

f) All other Jewish children.

Second Priority Children

g) all other children who are ‘looked-after’ or who were previously ‘looked-after’.

Third Priority Children

h) ‘other-faith’ children who have a sibling attending the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application.

i) all other ‘other-faith’ children.

Remaining Places

j) all other children who have a sibling attending the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application.

k) all other children.

Tie-break

If in any category there are more applicants than there are available places remaining, offers will be made by random allocation which will be supervised by an independent scrutineer appointed by the School.

If an offer is made under any category to someone of multiple births, an offer will also be made to the other sibling(s). This applies for secondary transfer only and not in-year applicants.

Facilities/Extra-curricular activities

No one walking into JCoSS could fail to be inspired. Our magnificent £48m facilities include state-of-the-art ICT, sprung-floor dance and drama studios, outstanding science laboratories and a learning environment that is second-to-none. We have an outstanding range of activities at lunchtime, after school and in the Enrichment lesson. JCoSS is a member of the Barnet Schools Music Service and the Schools Sport Partnership. There are numerous performance events (music, dance, drama) and an annual School Dramatic Musical.

Curriculum and homework

JCoSS embraces the National Curriculum, basing around it an additional innovative Jewish Education programme for all students (10 per cent curriculum time). All study French and Ivrit at KS3. We operate an accelerated KS3 in Core Subjects (Maths, Science, English), so that most students begin GCSE courses in Year 9. Home learning is set in all subjects, often via the Managed Learning Environment. In Year 7 we expect it to take about an hour each evening.

Teaching and learning

The JCoSS Learning and Teaching Ethos combines our pluralist Jewish ethos, Science Specialist Status, and an inclusive, differentiated approach to learning.

Our aim is that students not only learn about subject content but reflect on what learning is and how they can become better at it. Accelerated setting and target-setting from Year 7 ensures stretch, support and challenge for all students.

Education after 16/
Sixth form curriculum

The JCoSS 6th Form offers both A-Level and BTEC courses with outstanding teaching and facilities. We provide exciting activities outside the curriculum and superb, individual support throughout the vital UCAS process.

The admission limit is 210 with an additional 5 places in the Speech and Language Unit (CDSL). Admission to the CDSL is by relevant statement of educational needs.

If there are more applications than the number of places available, places will be offered according to the following

1. children who are ‘looked after’ and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order under the provision of the Children Act 1989.

2. siblings at the Academy (siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant). It will also include siblings of former students provided they completed their education at the end of year 11 or in Sixth Form.

3. children attending our Academy Trust partner school, Deansbrook Junior School.

4. students in the defined catchment area: in the case of oversubscription, geographical location will be used as a tie breaker. Distance will be measured in a straight line from the child’s home to the entrance of the Principal’s office with those living closest being given priority.

5. students whose parent has been employed at the Academy for two or more years at the time at which the application is made and children of staff who have been employed to fill a post for which there is a demonstrable skill shortage.

6. For students who live outside the defined catchment area, priority will be given to those who live nearest to the school. Distance will be measured in a straight line from the child’s home to the Principal’s office.

Facilities/Extra-curricular activities
Our facilities provide ample opportunity for activities at lunchtime and after lessons. Sports include football, rugby, badminton, table tennis, basketball, sailing, hockey, athletics, cricket, weight training, tennis, netball, dance and rounders. The Academy enjoys a good deal of success in a wide range of inter-academy competitions. We also have a multi-gym and a climbing wall. Students can opt to play golf, go canoeing and sailing and go dry slope skiing.

Other clubs and activities include Dance, Homework Club, Sailing, Steel Pans, Youth Band and Self Defence.

You and your child’s progress
Regular consultations are organised between teachers and parents to discuss individual student progress and to set achievable but demanding targets.

Curriculum and homework
We offer a broad and balanced curriculum from Year 7 to 13 that enables students to achieve their full potential. Homework is an essential part of a student’s academic development and is set regularly from Year 7.

Education after 16/
Sixth form curriculum
At post-16 we recognise that students have different desires or designs. Some have clear ideas on careers they wish to follow at 17 or 18 whilst others have plans to move onto Higher Education. In order to meet these different demands we offer different pathways which lead to Advanced Levels, Applied ‘A’ Levels or vocational qualifications. All students are expected to take advantage of the optional enrichment courses available.
Menorah High School for Girls’
105 Brook Road NW2 7BZ

Aims and expectations
We aim to enable our students to become outstanding citizens within the Jewish and wider communities. We strive to instil in our students a firm foundation that will prepare them for a life of committed Torah observance. To this end, love of Judaism permeates every aspect of school life. Secular subjects are taught in accordance with the National Curriculum expectations. There is a strong emphasis on high levels of character development and personal behaviour. The school develops the girls’ abilities to a level, such that upon graduating they are able to enter a Seminary for Advanced Religious Jewish Study, and subsequently further educational institutions of their choice in this country or abroad.

Type of school
Jewish Orthodox Voluntary Aided Girls Secondary School

Uniform
All students are expected to adhere to the school’s uniform policy. Details are distributed to parents in the welcome pack.

Attendance, discipline and pastoral arrangements
Our school nurtures a particularly warm atmosphere which results in self-confident, happy young people equipped with the necessary tools to face the world with its many challenges. A core aim of the school is to create good relationships between all who work and learn here. We aim to let the pupils know that they are cared for as people, both inside and outside the classroom. Through good models of adult behaviour, consistent approaches in dealing with students and constant encouragement to develop self-esteem, we aim to engender self-discipline and autonomous adherence to high standards by all. The Head Teacher and school staff implement behaviour and discipline practices which are made explicit to students through assemblies, tutorial programmes and parents’ involvement. The implementation of these practices involves both rewards and sanctions. Rewards and sanctions are implemented consistently, recognising that one must have regard to the individual situation and the individual pupil. Regular attendance and punctuality are taken seriously with regular monitoring and follow up.
Facilities/Extra-curricular activities
We incorporate a wide range of enrichment, both within and outside the curriculum. Our pupils are involved in voluntary and charity work within the local community.

You and your child’s progress
Pupils are set aspirational progress targets based on their effort and achievement which are monitored effectively. There is an efficient system of intervention for pupils who are not reaching their expected targets. We integrate a wide range of learning opportunities to further challenge our most able pupils. We report regularly to parents through parents’ evenings and written reports.

Curriculum and homework
Menorah High School exists to serve girls of the fully Orthodox Jewish Community. In consequence the curriculum is designed to equip them to function, and to succeed, as fully observant Jewish citizens of this country. The curriculum is divided into two parts. The Limmudei Kodesh (Jewish Studies) programme which comprises the study of traditional Jewish texts, underpinned and supported by Jewish ethics and Jewish practice. Our secular curriculum includes all National Curriculum subjects delivered to a high level by our skilled and dedicated teaching staff. Regular homework is set and assessed and is used to monitor progress and inform further teaching.

Teaching and learning
We have high expectations of the effort that pupils should make and what they can achieve. We aim for well-paced teaching, using stimulating activities matched to a range of learning styles. We systematically develop pupils’ skills so that their learning becomes increasingly independent. We aim to create an environment that promotes learning in a settled and purposeful atmosphere.

Education after 16/
Sixth form curriculum
The sixth form offers a challenging range of A-Level subjects and a BTEC in Art and Design, together with a high-level Kodesh programme. Some pupils with SEND are offered personalised vocational opportunities such as NVQ qualifications and work experience.
Mill Hill County High School
Worcester Crescent, Mill Hill NW7 4LL

Aims and expectations
The school aims to provide children with a safe, stimulating and challenging environment in which to develop their talents and abilities and to learn to care for others and for their environment. Students are expected to try to learn, to try to help others to learn and to try to be a pleasure to teach and to know. While all members of the school community, adult and child, are expected to treat each other with respect, there is an explicit expectation that students will be respectful to their elders, be they teachers, other staff, contractors, visitors or members of the general public, both in school and out.

Uniform
Students are required to wear our distinctive uniform in the traditional manner, for example, collars buttoned, ties in place and shirt tails tucked in. We have a no-jewellery rule.

Attendance, discipline and pastoral arrangements
The school believes that every child matters, irrespective of their circumstances and that therefore, every child will be provided with a full range of support in order to help them be a successful learner. However, every child is also required to take full responsibility for their behaviour and to show consideration towards the learning and well-being of others.

Oversubscription criteria (summary)

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children who are in public care, under the provision of the Children Act 1989, or who were in public care but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)
2. a maximum of 90 (ninety) pupils will be admitted on the basis of geographical proximity, as measured, in a straight line from the Head's office to the pupil's recognised permanent home address and place of residence at the time of the closing date for applications to the school. The offer of a place may be withdrawn if the address given is found not to be the permanent address. The 90 places will include any applicants who could be admitted under other criteria
3. applicants who have an elder sibling who is on the school roll at the time of the closing date for applications to the school, and who is permanently resident at the same address, will be offered places
4. children of members of the teaching staff of MHCHS, providing that the teacher has been employed at the school for a minimum of two years at the time of the application, or is recruited to fill a vacant post for which there is a demonstrable skill shortage. The criterion applies to natural born, adopted, step and foster children.
5. if there are 60 remaining places after allocations under Criteria 1 – 4 and any places allocated to children with an Education, Health and Care plan (EHC) formerly known as Statements of Special Educational Needs, those 60 places will be allocated on the basis of technological aptitude1 (24), musical aptitude2 (24) and dance aptitude3 (12).

If there are more than 60 places remaining, 60 places will be allocated as above and any remaining places will become additional geographical proximity places, under Criterion 2.
If there are fewer than 60 places remaining, all remaining places will be allocated on the basis of technological, musical and dance aptitude in the proportions 2/5 (two fifths) to technology, 2/5 (two fifths) to music and 1/5 (one fifth) to dance, any odd places being allocated first to technology and then to music.
The total number of places allocated under criterion 5 will not exceed 60, even if some of the 60 places also have places under criterion 1, 2, 3 or 4.

The School Admissions Code 2014 requires schools to conduct any aptitude tests or auditions and to report the results to parents before parents make applications for other schools. Tests and auditions for technology, music and dance places, widely publicised in the local press and by primary schools, take place towards the end of Year 5. Details of the tests and auditions are included for information in The Guidelines document. The final date to apply to take these tests/auditions in respect of admission to Year 7 in September 2017 is 20 May 2016.

Facilities/Extra-curricular activities

Though we are very short of space, we are well-off for equipment including IT facilities. We have our own attractive playing fields, with beautiful views over the Hertfordshire hills. Music is quite exceptional, as is our programme of educational visits. There is first class drama, dance and we excel in both team and individual sports.

Curriculum and homework

Homework is a vital part of every student’s educational experience at MHCHS. It offers girls and boys the opportunity to develop skills which they need to become independent and successful learners; it can consolidate the learning which takes place during the school day and it helps to improve students’ personal organisation and study skills.

You and your child’s progress

Parents of Year 7 students are invited to meet their children’s tutors in early October and a full Parents’ Evening takes place in February. There are regular progress checks and parents are informed of any concerns and encouraged to communicate concerns of their own.

Teaching and learning

We seek ever-improved ways of removing barriers to children’s learning and of finding teaching methods which are suited to each individual child’s needs.

Education after 16/
Sixth form curriculum

Year 11 students are offered places providing they have previously displayed a positive attitude to study and a determination to succeed. We offer a wide ranging curriculum, which includes an extensive extra-curricular programme.

---

1 Technological Aptitude: All applicants seeking a place on the basis of technological aptitude must previously have sat our test on Verbal Reasoning and been recalled for two further tests. The score in the Verbal Reasoning Test will be added to the higher score attained in the other two: no minimum score will be required, places being offered strictly in descending order of each applicant's combined score.
2 Musical Aptitude: All applicants seeking a place on the basis of musical aptitude must previously have obtained a score in our musical aptitude audition. If there are more applicants than places, places will be offered strictly in descending order of each applicant's score.
3 Dance Aptitude: All applicants seeking a place on the basis of aptitude for dance must previously have obtained a score in our dance audition. If there are more applicants than places, places will be offered strictly in descending order of each applicant's score.
Queen Elizabeth’s School, Barnet
Queen’s Road, Barnet EN5 4DQ

Aims and expectations
The central aim of the school is to produce boys who are confident, able and responsible. We believe that a happy life beyond school and good employment prospects rely as much on good character as on high academic achievement. In addition to the acquisition of skills and knowledge, boys are therefore taught the importance of good behaviour, a positive attitude and a genuine respect and concern for others.

Type of school
Boys’ selective academy

Supplementary Information Form
An Entrance Test Request Form is required. Apply online at https://www.qebarnet.co.uk/admissions

Uniform
School uniform is prescribed for boys in years seven to ten, and a strict dress code applies thereafter. We believe that a boy’s appearance is indicative of the pride he takes in himself and his school, and dress regulations are therefore applied rigorously.

Attendance, discipline and pastoral arrangements
On arrival boys are placed in a tutor group of approximately 30 pupils, attached to one of six houses, and they remain with this group until the end of Year 10. For Year 11 and Sixth Form, tutor groups contain approximately 15 pupils. Individual discussions between boys and their form tutors are a regular occurrence to review progress and involvement. Recognition and praise underpin the behaviour management strategy, highlighting to pupils the standards which are expected. If a pupil’s conduct falls short of these, sanctions are applied consistently and fairly.

Regular attendance is a pre-requisite for effective learning and participation, and is expected as a matter of course.
Oversubscription criteria (summary)
contact school for full criteria
There is only one formal point of entry to the school and this is at age 11 on secondary transfer.
All places will be allocated on the basis of academic ability, established by selection tests to be held in the autumn prior to the year of admission. Each candidate will sit two tests on the same day. The scores for each test will be standardised, and then combined. Candidates will be listed in the rank order of their combined scores. Those candidates achieving the combined score set out in the school’s Admissions Guide for Parents, or higher than this score, will be deemed to have met the standard required by the Governors to be eligible to be considered for admission to the School. Achieving this standard is not a guarantee that a place will be offered.

Prior to the deadline for making applications to schools, parents will be informed of the outcome of the selection tests.

They will be told either that:

a. their son has achieved a score which meets the standard required by the Governors, and is therefore eligible to be considered for admission to the School or that:

b. their son has achieved a score which does not meet the standard required by the Governors, and that he is therefore not eligible to be considered for admission to the School.

In the event of two or more applicants scoring the same mark, the rank order for allocation of places will be determined by the distance measured in a straight line between the address point for the applicant’s home, supplied by Ordnance Survey, and the main school gate, with the closest given the highest rank.

Waiting list
Places which become available will be offered to those on our waiting lists in accordance with the published admissions criteria.
Waiting lists will remain open until 31 December 2018.

Facilities/Extra-curricular activities
The school is housed on a 23 acre site adjoining the green belt, making a pleasant educational setting. The facilities are continually upgraded, with the most recent additions being an eight lane indoor swimming pool, a large multi-purpose hall, a new library, an independent learning centre for Sixth Form pupils and a new dining hall.

There is a vast range of extra-curricular activities available through the house system, subject-based clubs and societies and competitions on a local, national and international scale. It is expected that there will be something of interest for all, and every boy is encouraged strongly to participate.

You and your child’s progress
We recognise that education is a partnership between home and school, and that full involvement of parents and harmony of expectations are vital to a boy’s success. Regular briefing evenings are held and parents are kept updated on the progress of their sons frequently. Communication is encouraged through the use of diaries and organisers which we ask parents to monitor on a weekly basis.

Curriculum and homework
Throughout the school all boys receive a broad and balanced curriculum, supplemented by a vast range of additional activities upon which equal importance is placed. In all aspects they are encouraged to the highest levels of effort and commitment, and are acknowledged, praised and rewarded for their achievements. Regular homework supports and augments the work done in school, allowing boys the opportunity to enhance qualities of independent learning.

Teaching and learning
On admission to the school, most lessons are taught to boys in their tutor groups (apart from subjects in which safety or effectiveness of delivery demands a smaller group size). This gives an opportunity for a common basis of knowledge to be established whilst friendships are being formed. Thereafter boys are placed in sets in each subject according to academic ability so that teaching can be targeted and learning enhanced.

Education after 16/
Sixth form curriculum
The very large majority of pupils stay on into the Sixth Form where typically they start four AS level courses. In addition to the full range of subjects available at KS4 there are courses in Sociology, Economics and Business, Further Mathematics and Politics. Pupils also take an enrichment course from a range including Critical Thinking, Extended Project Qualification, Financial Services and Sports Leader Award.
Queen Elizabeth’s Girls’ School
High Street, Barnet EN5 5RR

Aims and expectations
The central aim of the school is to encourage the development of each girl’s inner resources, so that she acquires wisdom and integrity to make positive choices in a rapidly changing world. Most importantly, girls to leave our school as well-qualified, confident, caring and happy members of their community, equipped to be capable of supporting themselves financially, contributing economically and socially to wider communities.

We strongly believe that all students are individual and that all should pursue excellence and develop their talents in academic, creative, physical and social skills.

We provide an environment in which learning can flourish and be enjoyed not just as a means to good academic results but as an interest for life, motivated by the school’s commitment to provide the girls with access to a full range of study and enrichment experiences.

Oversubscription criteria (summary)
contact school for full criteria

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

2. children who, at the time of application, have a sibling living at the same address in years 7–11 of the school, (or who is in years 12–13 if they previously attended in years 7–11 for at least one year). Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant.

3. children who are living with a parent who has been employed by Queen Elizabeth’s Girls’ School for a period of at least two years at the application deadline, or who were recruited to fill a vacant post for which there was a demonstrable skill shortage, will be allocated places under this category by reference to the proximity of the child’s home address (as defined by this policy) to the School, with those living nearer receiving higher priority.

4. remaining places are offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the front door of the child’s home and the main school gate. The distance between these points is calculated using a computerised geographical information system.

Tie Breaker - distance will be used as a tie-breaker within each category.

Final Tie Breaker – applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Applications made on behalf of twins or triplets – when the over-subscription criteria are applied to applications made on behalf on twins or triplets, they will be selected in random order and places will be offered accordingly. This could result in one (or two) children in a family being offered a place but not the other(s). Where relevant, the remaining child(ren) would be retained automatically on the particular school's waiting list and would have priority should any vacancies arise at that school.

Facilities/Extra-curricular activities
The school has a full range of specialist facilities for curriculum delivery. The school also has an indoor swimming pool.

A wide range of extra-curricular activities is offered at lunchtimes and after school. The school is proud of its programme of visits and journeys.

You and your child’s progress
The partnership with parents is integral to success and is set out in the Home School Agreement. Reporting and Parents’ Evenings are on a termly basis.

Curriculum and homework
The school offers a broad and balanced curriculum based on the National Curriculum. Home learning is an integral part of the curriculum and will take a range of different forms, often using ICT and/or the Managed Learning Environment. There is a full range of GCSE and vocational subjects at Key Stage 4 and we review the offer in line with curriculum changes and demand each year.

Teaching and learning
High standards of teaching and learning are our highest priority with the aim of developing successful, independent learners. We seek to ensure that lessons are engaging, enjoyable and stimulating. Assessment for Learning supports pupils in knowing how to develop their learning, to make good progress and to achieve their very best.

Education after 16/
Sixth form curriculum
The school Sixth Form is popular and oversubscribed. A wide range of A level courses are offered and some places are available to external applicants. More detail is available on the website.

St Andrew the Apostle
North London Business Park, Brunswick Park Road, New Southgate N11 1BF

Aims and expectations
St Andrew the Apostle school opened in September 2013 with Year 7 and now has five year groups. The school was judged Outstanding at its first Ofsted inspection in June 2015. Our inspection recognised the very high academic standards and expectations at St Andrew’s; as well as our students’ impressive behaviour and attitudes. Progress made by our students, of all abilities, is exceptionally high. St Andrew is based on the Christian faith and moral principles of the Greek Orthodox Church and welcomes students of all faiths and beliefs. The school is part of the high performing Russell Education Trust group of schools.

We:
- deliver a broad curriculum that promotes academic excellence and exceptional progress across the ability range
- foster a spirit of kindness, tolerance and responsibility which allows each student to grow in character as an individual and as a community member
- help students to achieve in sport, music and the arts
- encourage students to progress to higher education

Uniform
The school has a strict uniform policy which students are expected to follow at all times. The uniform must be worn on the way to and from school. Our uniform supplier is Stevensons who provide fitting days on site. Full details can be found on the website.

Attendance, discipline and pastoral arrangements
The school’s pastoral system is based on the Christian ethos of the school. This provides a robust and secure approach to developing students’ achievements as well as an holistic approach to the development of character. The school’s tutorial programme enables students to develop study skills, social responsibility and an awareness of their place in the community, both within school, in church and beyond. St Andrew’s students embrace the opportunities they are given to accept responsibility for many aspects of school life.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children who are looked after or have been looked after by a local authority in accordance with Section 22 of the Children Act 1989
2. children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice from a doctor, social worker or other health professional, explaining why these needs can realistically only be met by St Andrew the Apostle
3. children who, on the date of admission, will have a sibling on the roll of the school. Sibling means a full, step, half, adopted or fostered brother or sister, but not cousin, who will be living permanently with them at the same address at the date of their entry to the school; the school may require proof of relationship
4. this is a designated Greek Orthodox School and if oversubscribed, up to 50% of the places available after the application of 1, 2 and 3 above, will be based on a ‘faith’ criterion.

Facilities/Extra curricular activities

We are located on the North London Business Park in a modern building which provides bright, well-equipped classrooms, specialist science laboratories and excellent IT facilities. A newly built school on the same site will be the school’s permanent home.

A wide range of after-school enrichment activities is provided, particularly focused on sports and music, but also including curriculum linked activities such as Art, Science, Computing, Dance and Drama. We provide the opportunity for all students to learn and practise a musical instrument. We encourage all students to view these clubs as an important part of the school day.

You and your child’s progress

We support all students to achieve their potential both academically and as creative, caring and responsible future adults. Our curriculum is broad and balanced and meets the needs of the full range of our students, developing them intellectually, socially, culturally, spiritually and morally.

There is a clear focus in every subject throughout the school on setting challenging academic targets. We work in partnership with parents to support every student in making exceptional progress.

Curriculum and homework

When this school was set up last year, our expert sponsor The Russell Education Trust (RET) worked closely with the Headteacher and the Classical Education Trust to develop the school’s curriculum. RET has a particular reputation for its expertise in English, maths and science. We intend to gain a nationally recognised reputation for examination and university entrance success in Classics, Greek and Latin as well as maths, science and languages. It should be noted that Greek is not a compulsory subject.

Underpinned by our Christian values, we offer an expertly-delivered, high quality ‘traditional but current’ curriculum, drawing on best practice from independent and state schools nationally. This curriculum is designed to meet the needs of students of all abilities and classes are grouped according to ability in most subjects.

Homework is set in all subjects and is an integral part of our learning process.

Teaching and learning

The quality of teaching and learning is the foundation of an outstanding school. Our teachers are very well-qualifed and are selected by the Headteacher and by RET’s inspectors on the basis of their track record and excellence in classroom teaching. All teachers are members of their RET subject network which disseminates best practice across our five schools nationally.

We also employ specialist instructors and coaches for some sports and clubs and some language assistants.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. Catholic ‘looked after’ students and Catholic students who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following have been ‘looked after’

2. practising Catholic students with a brother or sister in the school at the time of admission

3. practising Catholic students living closest to the school with places being offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the address point for the child’s home, supplied by Ordnance Survey, and the main school gate. The distance between these points is calculated using the Local Authority’s computerised geographical information system

4. other Catholics with those living nearest the school being accorded the highest priority

5. other ‘looked after’ students and students who have been adopted (or made subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’

6. students of other Christian denominations whose application is supported by a a certificate of baptism/enrolment or a minister’s reference showing membership of their church, with those living nearest the school being accorded the highest priority

7. any other applicants with those living nearest the school being accorded the highest priority.

In the event of two or more candidates meeting the same criteria and with only one place available, a random ballot in the presence of an independent observer will be used to determine which child will be admitted under the criterion in question.

In the event of there being only one place left available for an applicant and the next candidate is part of an application concerning a multiple birth in accordance with the above criteria, then the Governors will admit all of the students concerned.

Waiting list
The school will maintain a waiting list which will remain open until 31 August 2017. Applicants will be invited to have their names placed on the waiting list in accordance with the above criteria. Late applicants will be treated in a similar way.

Facilities/Extra-curricular activities
St James’ provides an environment conducive to learning, is equipped to a high standard and is well maintained. Accommodation includes a purpose built music centre, sports hall, gym, ten science laboratories and three drama studios. In addition, recent building work has provided a Sixth Form centre, a dance and drama studio with a sprung floor and ICT suites.

There is a wide range of activities available at lunchtime and after school which include a variety of sports, music, drama, art, homework and study clubs.

You and your child’s progress
Challenging subject targets are set for all students which are closely monitored and reviewed through our monitoring programme. Parents are invited to consultation and information evenings. Parents are encouraged to work in close partnership with staff at the school to support their child in making their faith and their educational journey.

Curriculum and homework
Students follow the National Curriculum in Years 7 – 11. Homework is set in each subject according to a homework timetable and parents are asked to sign homework undertaken, so they are actively involved in their child’s academic progress.

Teaching and learning
Actively engaging students in their learning is the cornerstone of teaching at St James’. Teachers strive to inspire students and kindle in them sparks of curiosity through high quality and carefully chosen learning activities. Lessons are designed to be exciting, relevant and provide high challenge at every level of ability. Tracking and monitoring of students is regular and thorough and appropriate support and intervention enables students to make better than expected progress.

Education after 16/
Sixth form curriculum
The overwhelming majority of our students stay at school beyond the compulsory stage. In the Sixth Form they are joined by a number of students from other schools. St James’ views the Sixth Form as an important period of preparation for the next stage in students’ lives. The School takes considerable care in ensuring that students have chosen appropriate courses which suit their interests and ability. St James’ caters for all students’, offering a wide range of AS Level, A Level and vocational courses.
St Mary’s and St John’s CE
Middle School, Bennett House, Sunningfields Road, Hendon NW4 4QR

Aims and expectations
St Mary’s and St John’s CE is an all-through Church of England School. We are proud to be a part of a diverse community where pupils have lots of opportunity to develop their own understanding of the Christian faith as well as developing their understanding about different beliefs and cultures. Our aim at SMSJ is for all pupils to achieve academically, socially, emotionally and spiritually. Our academic curriculum provides depth and breadth with an emphasis on thinking skills and philosophy, as well as performing arts and business and enterprise. We want our pupils to reach their academic potential by becoming creative, curious independent thinkers and responsible citizens fully prepared for the demands of 21st century life. Our extensive enrichment programme allows pupils to develop skills in many areas including drama, dance, and music, sporting teams and competitions as well as offering the Duke of Edinburgh and Arts Awards schemes.

Attendance, discipline and pastoral arrangements
High standards of discipline, conduct, attendance and punctuality are essential to success at SMSJ. Our pastoral team provides support and intervention for pupils to develop excellent learning behaviours. In addition, pupils have a Pastoral and Academic Mentor (PAM) who monitors and supports their development. Our House system provides a sense of community and healthy competition.
Oversubscription criteria (summary)

We operate a banding process. Every pupil is required to take the banding assessment tests, even if they are already on roll at St Mary’s and St John’s School. 25% of applicants are placed in each of the four ability bands, depending on where each pupil is placed in relation to the overall ability of those applying for places in that year. The purpose of these tests is solely to place pupils in the right ability band. The test result does not determine who is offered or refused a place.
There are 45 places available for each band. If an applicant does not attend the banding test so that they can be placed in the correct band they will not be considered for a place until all those who did attend the banding assessment have been offered a place or until the end of the summer term 2017. Pupils in Year 6 at St Mary’s and St John’s School at the time of secondary applications are already on roll and so they are guaranteed a place in Year 7 should they wish to remain at the school.
In the event that there are more applicants than places available all remaining places will be determined on the basis of the following oversubscription criteria which will be applied in each band in this order:
1. pupils who are Looked After or Previously Looked After;
2. up to 18 Performing Arts Scholarships;
3. Children with a ‘sibling’ on roll in years Reception to year 12 at SMSJ when they apply,
4. children of staff
5. 50% of the remaining places are designated as ‘Open Places’;
6. the other 50% of the remaining places designated as ‘Foundation Places’.
Performing Arts Scholars:
Up to 18 Performing Arts Scholarships are offered each year to pupils who can demonstrate a specific aptitude for instrumental or choral music, dance or drama. Performing Arts Scholars will be expected to take a lead in whole school and year group productions and concerts. Pupils who are already on roll at St Mary’s and St John’s School are welcome to apply to become Performing Arts Scholars.
All applicants who wish to be considered will be invited to take an aptitude test.
Open Places:
Places in each band are allocated on the basis of the proximity of the applicant’s Permanent Residence to the school’s main gate at Bennett House, with priority being given to those living closest.
Foundation Places:
In allocating the Foundation places, we will give priority in each band to:
1. Children who are committed members of an Anglican Church;
2. Children who are committed members of Churches or Chapels of other Christian denominations defined as those identified with “Churches Together in Britain and Ireland” or who are a member of the Evangelical Alliance.
Distance calculations
Distance will be used as a ‘tie-breaker’ if two or more applicants are equally qualified for a place within any of the above criteria. Distance is measured in a straight line between the address point for the child’s home to the school’s main gate at Bennett House, using Barnet Council’s computerised geographical information system.
Curriculum and homework
Students will develop excellent knowledge and skills in the core and EBacc subjects and all pupils will study Religious Studies. Drama, Dance, Music, Art, DT, ICT, PE and Enterprise will ensure personal development and creativity. The school’s specialism in Performing Arts and Business and Enterprise will contribute to learning both in the timetable and outside lessons. Homework and independent study will be vital to students’ progress; students will record and track homework in a planner which is checked by tutors and parents weekly.
Teaching and learning
Students at SMSJ will receive personalised, high quality teaching which will nurture their talent, inspire their curiosity and enable their achievement and excellence. Learning for students with Special Educational Needs, English as an additional language and the Gifted and Talented will be supported by carefully tailored provision in and beyond the classroom.
Education after 16/
Sixth form curriculum
SMSJ will open its sixth form in 2019 and will offer A level courses across a range of academic subjects, including the performing arts and business. There will be a strong emphasis on independent study and personal development, employability skills and enrichment as students make the transition to adulthood, university and the world of work.

Oversubscription criteria (summary)
contact school for full criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

Note: within living memory, St Michael’s has always been oversubscribed with candidates who fulfill criterion 1.

1. Catholic girls:
   • from a Practising Catholic family and
   • who have made their First Holy Communion in the Catholic Church.

All applicants selected in accordance with this criterion 1 will be required to take written tests in Verbal and Non-Verbal Reasoning, English and Mathematics. Following the tests all applicants will be ranked in order starting with the highest score. Places will be allocated strictly in accordance with score but if two or more applicants have an equal ranking then the applicant’s marks in the Verbal Reasoning test will take precedence over Non Verbal Reasoning which will take precedence over English which will take precedence over Maths.

If having applied this formula there are still two or more applicants who have an equal ranking then the Governing Body will give preference to Catholic girls who are looked after or have previously been looked after. (Previously looked after girls are girls who were looked after, but have ceased to be so because they have been adopted or become subject to child arrangements orders or special guardianship orders).

2. St. Michael’s, historically, has always been oversubscribed with candidates who meet criterion 1.

In the unlikely event that the number of such applicants falls below 150 in any year then the Governing Body may invite such other female applicants (eligible by age) to the tests in order to bring the total number of girls tested to 150:

In the event of over-subscription within this criterion 2 the Governing Body will give priority to the following, listed in order of importance:

a. Catholic girls who are looked after or have previously been looked after
b. other Catholic girls
c. non-Catholic girls who are looked after or have previously been looked after
d. girls from families practising in other Christian denominations (supported by a minister’s reference confirming that they are practising in that denomination
   e. other girls).

In the event that two or more applicants are of equal ranking under any of the criteria, but cannot all be admitted, then priority will be given to the applicant whose Home address is nearest to the School. For this purpose distance is measured in a straight line between the applicant’s home address point, supplied by Ordnance Survey to the School’s main gate using Barnet Council’s computerised geographical information system.

Waiting list
A Year 7 waiting list is maintained until 31 December 2016. Candidates are ranked according to score. The school holds a waiting list for Years 8 – 11 of Catholic girls who fulfil Criterion 1.

Facilities/Extra-curricular activities
The school is very well equipped with an up-to-date Maths/I.C.T. suite, six science laboratories, three technology laboratories, a computer suite, a language laboratory, a library, a music suite, a Sports Hall and a large hall well equipped for Drama, Art and Craft rooms and other practical rooms.

There is a fully equipped Sixth Form Centre resourced with full Information Technology access. Extra-curricular activities include netball, tennis, badminton, athletics, football, street dance and Outward Bound Activities. Exchange visits are also arranged.

There are choirs, orchestras and other ensembles as well as drama and other group activities. Societies of various kinds flourish each year according to the varied interests of the girls. The Sports Leadership and the Duke of Edinburgh Award scheme are available.

Curriculum and homework
There is fast academic pace.
Opportunities for students’ spiritual moral, social and cultural development are extensive. As a Christian school, the development of spirituality is a high priority and a strength of the school. A well-organised religious education programme is very effective in helping young people to understand the role of faith in a diverse world. As a result, students learn to work with and value others, develop tolerance and understand the needs of others. Students undertake numerous responsibilities around the school and are excellent role models for each other. Through their fundraising efforts, significant sums of money are raised for charities.

Parents are very positive about the work of the school. Many wrote about the strengths of the school summed up by one parent’s comment, ‘My daughter has blossomed at this school in academic ability, character and confidence.’

Uniform
The uniform will be traditional for pupils in Years 7-11, based on the Saracens colours. Students are expected to take pride in their uniform and dress smartly for school each day.

Attendance, discipline and pastoral arrangements
Our focus will be to ensure that every student maintains a high level of attendance, that is key to a successful school career. We will work with parents to ensure that their child is in school, ready to learn.
The school will be a place of calm reflection and self-control that supports learning. Discipline will be fair, firm and consistently enforced. We will ensure that the school is a safe haven where students can build on our values based education.
Oversubscription criteria (summary)

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.

2. Priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker of the child's need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child's medical or social needs cannot be considered.

3. Priority will next be given to the siblings of pupils attending the school at the time the application is received [where an older sibling is in year 13, siblings will not be prioritised under this criterion].

4. Priority will next be given to the children of staff who have been recruited to fill a skill-shortage area.

5. Other children

Tie-break

'Tie-break in categories 2-5 above to decide who has the highest priority for admission if the distance between a child’s home and the academy is equidistant in any two or more cases.'

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all and exceed our PAN.

How to apply

Until the Funding Agreement is signed by the Secretary of State for Education, the school cannot be part of the co-ordinated admissions process, and as such parents must complete a separate application form, in addition to the normal online admissions process. This is to be completed online at: https://enrol.barnet.gov.uk/Website/default.aspx

Please see http://www.thesaracenshighschool.co.uk/admissions for more information.

Facilities

The school will be opening in temporary accommodation in Lanacre Avenue, NW9 whilst the brand new, fully equipped building is prepared at Trinity Square, NW9. It is anticipated that we will move into the new building during the academic year 2019-20. The temporary accommodation will have every facility to allow us to deliver the same high standard of education that will be available in the permanent site.

Extra-curricular activities

Additional learning for all pupils is key to developing potential and talent. An extensive range of activities will be offered in sports, arts and technology. Student engagement in these enrichment activities will be compulsory.

You and your child’s progress

Each student will have a coach who will support them throughout the time at the Saracens High School. They will build relationships with the student and their family to ensure each individual student reaches their potential. You will receive reports across each academic year informing you of progress and how the student can challenge and extend their attainment both academically and in extra-curricular activities. There will also be opportunities for you to meet in school at parents’ evenings.

Curriculum and homework

The curriculum is being designed, created around a values-based education, ensuring not just academic success, but a more holistic approach. It will deliver a strong education, leading to GCSE’s and A Levels. Homework will be an important element, developing independent learning skills and a chance to consolidate the learning done in school.'

Teaching and learning

We will accommodate the needs of all students in the school, providing a personalised education for each student using proven and effective teaching methods. We will teach and coach our learners using learning programmes (our curriculum) and training sessions (our dynamic lessons).

Education after 16/
Sixth form curriculum

The Sixth Form will be open in 2023 when the first cohort of Year 7’s have completed their GCSEs.

Oversubscription criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. ‘looked after’ children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002. A child arrangements order is defined by section 8 of the Children Act 1989. A special guardianship order is defined by section 14A of the Children Act 1989

2. children who, at the time of admission, have a sibling living at the same address who is a pupil in years 7 – 11 of the school. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant

3. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line. Distance is measured between the address point for the child’s home, supplied by Ordnance Survey to the school’s main gate using the Council’s computerised geographical information system.

Attendance, discipline and pastoral arrangements

Students are placed in tutor groups which are overseen by a Director of Learning. It is expected that (as far as possible) the tutor and DoL move up through the school with their tutor/year group.

The school offers outstanding pastoral care. The work of the form tutor is enhanced by the support and guidance for students provided by Teaching Assistants, Learning Mentors, the school Counsellor and the Parent Support Advisor.

The school promotes student support with Year 10 peer mentors for students in KS3. The older students are trained in Restorative Justice techniques to support the younger students.

Facilities/ Extra-curricular activities

As well as a range of general classrooms we have a number of specialist teaching areas, including five technology workshops, seven IT rooms, eight Science laboratories, three specialist art rooms, a learning resource centre, drama studio, sports hall, gym, dance studio and weight training room.

We also have the following clubs:

- Astronomy Club
- Let's Get Cooking Club
- Science and Technology Club
- School Band
- Vocal Ensemble
- Drama Club
- Sports Clubs
- Girls Club
- Chess Club
- One to one music lessons
- Eco Mission
- DoE Training
- World Challenge Training
- TTA Choir
- Movie Club
- Breakfast Club

You and your child’s progress

We will provide:

- termly reports
- target setting
- parental meetings
- academic mentoring.

Curriculum and homework

In KS3 pupils follow a wide and varied curriculum that includes all National Curriculum Subjects. Homework is set on a weekly basis in all subjects.

Teaching and learning

Classes in Year 7 are of mixed ability and setting is introduced in some subjects from the start of year 8. Teaching and Learning also focuses on the skills that are required to be resourceful, resilient and independent learners and our students take an active role in discussing what will make them more effective learners. We aim to maximise the learning achievements of all groups of students.

Whitefield School
Claremont Road, Cricklewood NW2 1TR

Aims and expectations
Whitefield School is an academically successful school. We are passionate about ensuring every student maximises their potential and makes the most of every opportunity offered to them. Results in recent years have placed us among the top 1% of most improved schools in England and in January 2016 we were named as fourth best school in the country (and top in London) for the progress key students make. Our leadership and management were rated ‘Outstanding’ by Ofsted in 2014. Our aim is for students to:

- live a happy, productive and successful life during their time with us
- learn through the provision of the best possible teaching, support and learning resources
- aspire to fulfil their potential and realise their goals
- achieve to the very best of their ability throughout their time at the school.

Uniform
We have a smart and strict uniform policy, which we expect our students to adhere to at all times. Our Sixth Formers are also expected to follow a smart dress code, setting a positive example to their younger peers.

Attendance, discipline and pastoral arrangements
We maintain high standards of discipline and attendance, developing a strong work ethic and culture of respect amongst our students. The values of consistent attendance and excellent behaviour are communicated to our students from the moment they begin in Year 7, and continues throughout their time at Whitefield.

We have an excellent pastoral system which provides support for students at every stage of their education. Each student has a form tutor and co-tutor, as well as a non-teaching Pastoral Support Officer, all of whom can be contacted to discuss any issues. We take pride in our “outstanding teaching of spiritual, moral, social and cultural values”.

To make the move from primary school as smooth as possible, we run an excellent transition programme in close collaboration with our partner primary schools, ensuring students have many opportunities to get to know us before their first day. This transition process continues during Year 7.
Oversubscription criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. ‘looked after’ children (children applying who are in the care of a local authority under the provision of the Children Act 1989), and children who were ‘looked after’ but ceased to be so because they were adopted, or became subject to a child arrangements order or special guardianship immediately following having been ‘looked after’

2. children who, at the time of admission, have a sibling living permanently at the same address in Years 7-11 of the school, or who have left the school at the end of Year 11 immediately prior to the time of admission

3. children of members of staff (teaching and non-teaching) who have been employed for two years or more at the time at which the application for admission to the school is made

4. remaining places are offered on a geographical basis, measuring distance in a straight line from the school. Distances are measured between the address point of the child’s home, supplied by Ordnance Survey, to the school’s main gate using the Council’s geographical information system.

Tie Breaker – distance will be used as a tie-breaker within each category.

Final Tie Breaker – applicants from the same block of flats, or applicants who live the same distance from the school will be selected in random order and places will be offered accordingly.

Applications made on behalf of twins or triplets – When the over-subscription criteria are applied to applications made on behalf of twins or triplets, they will be selected in random order and places will be offered accordingly.

Curriculum and homework
Our curriculum offers a wide range of stimulating learning opportunities; ensuring students of all abilities are stretched and challenged. We regularly review and update our curriculum offer, embracing innovation and new approaches to provide a broad, balanced and rewarding experience. Including students sitting GCSE’s in years 9/10 & 11 We also consider home learning to be hugely important in developing independent learning habits. Regular tasks are set across all subjects, encompassing reading, writing, research or practical tasks. As part of our commitment to The Arts, Whitefield offers free peripatetic music lessons and a host of classical music opportunities to every KS3 student. The school is the eight school in the country to be part of the MISST programme. More details of this amazing scheme can be found at musicinsecondarieschoolstrust.org.uk/ misst-schools/

Facilities/Extra curricular activities
We have invested extensively in our facilities over the last six years. This has included refurbishment of classrooms, our seven science laboratories, the Sixth Form area, air-conditioned fitness suite, five refurbished DT rooms, refurbished gymnasium and changing rooms, resurfaced basketball courts, fully equipped theatre with industry standard lighting, sound and stage floor, two Apple Mac suites, recording studio, all classrooms with the latest Interactive Flat Panel screens and desktop PCs.

We take great pride in the extra-curricular opportunities we offer. A wide range of field trips, both in the UK and abroad. This includes cycling for all Year 7 students, Equine therapy in addition to a wide range of extracurricular activities.

Teaching and learning
We offer small class sizes and lessons are delivered by a passionate, talented and innovative team of teachers. Students receive a personalised, tailored experience and are placed in ability sets for English, maths and science. There are wide-ranging opportunities for gifted and talented students to test their abilities further, and those with special educational needs or English as an additional language receive extensive support at every stage of their learning. All students have the chance to have their achievements recognised at end-of-term Rewards Assemblies and end-of-year Celebration of Achievement evenings.

You and your child’s progress
We set challenging targets for all of our students and work hard to ensure these are met or exceeded, with our recent excellent results testament to the success of our approaches. The attainment of students is tracked throughout the year and reports are sent home regularly. We encourage parent involvement at every stage of their child’s learning, with our online reporting system allowing parents to get real-time details on their child’s progress and attendance. An annual Student Progress Evening also allows parents to meet with their child’s subject teachers.

Education after 16/
Sixth form curriculum
Our Sixth Form offers a wide range of A Level subjects, along with a number of BTEC courses. For the last five years 100% of our students have secured a place at their university of choice. We have established strong links with many Universities, including Cambridge, Kings and Middlesex. Sixth Form students have numerous opportunities to participate in additional enrichment programmes such as Leadership Awards, volunteering schemes, mentoring younger students, and work experience through the prestigious Access Aspirations organisation.
Wren Academy
Hilton Road, North Finchley N12 9HB

Open evening
Wednesday 27 September 2017 from 5.30pm

Aims and expectations
Our aims are to:

• be an active, celebratory and successful Christian community serving our local area and beyond
• be an outstanding school, maximising the academic achievement of all the young people who attend
• be an educational community where everything we do is of the highest standard we can achieve
• enable young people to succeed in whatever forms of activity they possess talent or interest, be these academic, musical, sporting or artistic.

These aims are achieved through an innovative approach to curriculum planning which includes single sex teaching in English, mathematics and science. There is an extensive enrichment programme with every student taking part in three hours of enrichment activities each week.

Supplementary Information Form
A Supplementary Information Form (SIF) is required if applying for a Foundation place

Specialism
Design and the Built Environment

Uniform
Details of the Academy uniform can be found in the prospectus and on our website. The uniform is popular and all students wear it with pride both in school and on their way to and from the Academy.

Attendance, discipline and pastoral arrangements
The Academy has a house system and vertical tutor groups of no more than 24 students. High standards of discipline and attendance are core elements of the Academy’s ethos. The vertical tutoring system promotes a family environment and is responsible for the strong sense of community throughout the school and between year groups.

Community places being offered first. The remaining places will be allocated equally between Community and Foundation applicants, with the Community places being offered first.

5. Community Places will be allocated to all applicants regardless of the faith background of the family. Places will be allocated on the basis of the applicant’s home address from the Academy. This will be based on the measured distance in a straight line from the applicant’s home address to the Academy gate on Hilton Avenue. This is calculated by the London Borough of Barnet’s computerised system.

6. Foundation Places will be allocated on the basis of 60% of those available to children attending Church of England churches, and 40% to those attending a church of another Christian denomination in fellowship with the Church of England. In each category preference will be given to those living nearest the academy based on the measured distance in a straight line from the student’s home address to the Academy gate on Hilton Avenue (calculated as above). Should a decision need to be made where more than one child lives the same distance from home to the Academy, this will be done using random allocation.

Waiting list
In addition to their right of appeal, unsuccessful applicants will be placed on the waiting list. Any places that become available will be offered to those on the waiting list in line with the oversubscription criteria set out above.

Late applications
a) Applications received after the closing date of 31 October 2015 and before 11 December 2015 will be considered equally with those applications received on time provided there is a good reason for the late application and provided applicants have filled out the local authority form as well as the Wren Academy Supplementary Information Form where required. b) Applications received directly at the school after 11 December 2015 will be subject to consideration by the school and the local authority along the lines set out in the Barnet Admissions procedure.

Facilities/Extra-curricular activities
Located in brand new buildings completed in 2012, Wren Academy benefits from an outstanding range of learning facilities. All students have two hours of enrichment activity timetabled every week from a wide and exciting menu. Every student has three hours of enrichment activity timetabled every week from a wide and exciting menu.

You and your child’s progress
Parents are essential in helping their child to succeed. This process begins with our Home-Academy Agreement and is supplemented by termly reporting, parents’ consultation meetings and additional information evenings.

Teaching and learning
The Academy was judged to be ‘outstanding’ by Ofsted in February 2011. Approaches to teaching and learning are both innovative and traditional with a high emphasis on students developing the skills to learn independently. Ofsted described teaching and learning as ‘stunning’ in their last report. Students make exceptional academic progress.

Curriculum and homework
The Academy has a broad and balanced subject offer based upon the National Curriculum. We operate a three year Key Stage 4 with GCSE courses in most subjects starting in Year 9. Home learning is set every week in all subjects.

Education after 16/
Sixth form curriculum
The Academy has a Sixth Form. The curriculum is based around A Level courses. Students gain entry to the full range of prestigious universities both in this country and abroad.
Further information

In-Year admissions

In-Year admission applications are processed by the local authority where the school is situated.

If you wish to apply for a place at a Barnet secondary school during the school year because you have just moved into the area, or your child wishes to transfer from one secondary school to another, please visit our website for further information and access to the online In-Year admission application form: www.barnet.gov.uk/schooladmissions

Waiting Lists

Waiting lists for Barnet secondary schools are closed at the end of each academic year. If you want your child to remain on waiting lists for the 2018/19 academic year you will need to submit a new In-Year application.

Fair access protocol

Barnet Council has an In-Year Fair Access protocol. This means that unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes children with challenging behaviour who are refused a place by a school which has places available. Schools are allocated on a ‘fair share’ basis to ensure that no particular school takes a disproportionate number of children under the protocol. All Barnet schools have signed up to the Fair Access Protocol. Children who may be eligible for admission under Barnet’s In-Year Fair Access protocol include:

- refugees/asylum seekers
- homeless children
- traveller children
- young carers
- pupils who have been excluded
- pupils with a history of serious attendance problems
- pupils with a higher than average pattern of moves between schools
- young people known to the police or returning from the criminal justice system
- children with special educational needs, disabilities or medical conditions (but without a Statement of SEN or an Education, Health and Care Plan)
- pupils who are attending a Pupil Referral Unit and are ready for reintegration into a mainstream school
- pupils whose families have a history of difficult relationships with schools
- pupils who have been out of school for two months or more.

Admission outside the normal age group

The Council believes that children should be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children, and that they should only be placed outside their normal age group in very exceptional circumstances. There are a number of potential risks a child could face if placed outside the correct year, which include the child being required to join their correct year group at a later date or not being considered for admission to a secondary school because they are outside the normal age range. A child may also exercise his or her right to leave school before they have the opportunity to take public examinations.

The decision whether to place a child out of their normal age group will be made by the admission authority for the school and will be based on the circumstances of the individual case and the best interests of the child. This will include taking account of the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

To apply for an out-of-year place, parents should complete an application for the correct year group in the normal way and then submit a request for out-of-year admission. The request should include supporting evidence that demonstrates why it would
be in the child's best interests to be educated out-of-year.

**Sixth form admissions**

Most secondary schools in Barnet have a sixth form (the exceptions are The Archer Academy, Friern Barnet School, Saracens High School, St Andrew the Apostle School and St Mary's & St John's CE School).

Admission to the sixth form is not automatic and students will need to have attained the academic requirements for the proposed course of study. Further information about sixth form admission arrangements is available directly from the schools.

**Raising the Participation Age**

All young people in England are now expected to continue learning until the end of the academic year in which they turn 18, or earlier if they achieve a level 3 qualification beforehand. This means that parents will need to plan for their child's education and/or training up to the age of 18. Upon leaving year 11 there will be a lot of choice about next steps, including choosing full-time or part-time education/training up to age 18.

Current options include:

- an apprenticeship or traineeship
- full-time education or training in a school sixth form, a college or a training provider
- full or part-time employment/ self-employment with training
- re-engagement provision for those who have been absent from learning before they were 16 or who leave school without a place in education, employment or training
- volunteering (including caring) or an internship.

Further information and guidance can be obtained from your child's current school.

**14-19 Admissions - University Technical Colleges (UTCs) or Studio Schools**

Most children aged 14 years will continue with their education at the secondary school they are already attending. Although this will be the best option for the vast majority of children this age, there other options available.

Schools which admit pupils at the beginning of Year 10 are called University Technology Colleges (UTCs) or Studio Schools. These schools offer a range of educational programmes which can lead to useful qualifications and progression to further learning, apprenticeship or employment.

There are currently no UTCs or Studio Schools in Barnet, so parents who choose to apply for a place at these schools will need to consider the travelling distance and journey involved.

**University Technology Colleges (UTCs)**

UTCs are set up by universities and business and specialise in one or two technical subjects. In years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject. You can find out more at [www.utcolleges.org](http://www.utcolleges.org)

Studio Schools

Studio schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employment, involving personal coaching and work experience. They have a similar curriculum to a typical secondary school. You can find out more at www.studioschoolstrust.org

A list of all UTCs and Studio Schools in the London and surrounding areas which admit pupils into Year 10 can be found below. The application process is set out on the website for each school.

Students aged 16 and over in school Years 12 – 13 or colleges

Students over 16 years and whose families are on low incomes, may be entitled to a bursary from the 16 – 19 Bursary Fund to help them continue in full-time education. Further information about the 16 – 19 Bursary Fund may be obtained from your child’s school or college.

School meals

- meals are available at midday in every school
- most secondary schools operate a cafeteria service
- set price, two course meals are available as well as a variety of individual items
- a number of schools now operate a cashless smartcard payment system
- pupils can bring their own food if they prefer.

Free school meals

If you are receiving any of the following, your child will be eligible for free school meals:

- Income Support
- Income-Based Job Seekers Allowance (IBJSA)
- an income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you are not also entitled to Working Tax Credit), and have an annual income (as assessed by the Inland Revenue) that does not exceed £16,190
- Working Tax Credit run-on, paid for 4 weeks after you stop qualifying for Working Tax Credit
- guaranteed element of State Pension Credit Universal Credit.

Please note: any family that receives Working Tax Credit is not entitled to free school meals for their children whatever the level of their income.

School journeys

Families entitled to free school meals may get financial help from the pupil’s own school for school journeys that involve an overnight stay away from home.

School uniform

School uniform plays a valuable role in contributing to the ethos of a school. While schools are encouraged to consider the introduction of uniforms they are also expected to help limit their expense. Parents on low incomes should not feel that the cost of a uniform means that they cannot apply for their school of preference.

Families having difficulty providing regulation school uniform should discuss this with their child’s school. There is no grant for school uniform available from the local authority. The Mayor’s Benevolent Fund may provide help to parents in receipt of Income Support or Child Tax Credit who have a child transferring to a secondary school. Further information is available online at www.barnet.gov.uk

Contributions to school funds and to participate in school trips

There is no charge or cost related to the admission of a child to a school. While parents from low-income families feel concerned about the level of voluntary contributions that schools request this should not deter them from expressing a preference for a school. Parents are assured that if they choose not to make voluntary contributions their child will not be disadvantaged.

Special Educational Needs

Provision is made in a number of different ways for children who have been identified as having Special Educational Needs. Support for most pupils is provided in their local mainstream school. A minority
of pupils require a higher level of support in specialist provision attached to a mainstream school or in a special school.

For more information about the types of support available in Barnet for pupils with Special Educational Needs, please contact SENadmin@barnet.gov.uk.

School attendance
By law, all children of statutory school age, 5 – 16 must receive full-time education. Parents are responsible for ensuring that this happens either by registering their child at a school or by making other arrangements which provide suitable education.

Support is available to pupils, parents and schools in order to improve attendance and outcomes for individual young people. If your child has problems with attending school, you should talk to school staff in the first instance. If the problem persists, the school will seek action from the Local Authority which would lead to you being contacted by an Education Welfare Officer or Targeted Youth Worker depending on the level of service provided to the school. Parents seeking advice on school attendance should contact the Local Authority, stating where their child attends school. Some schools also have in-house School Attendance officers who contact parents about absences.

Home Education
If you want to find out more about educating your child at home, you should contact the Inclusive Education Team on 020 8359 7691.

Barnet Council’s commitment to plain language
Barnet Council is committed to plain language. If there is anything in this booklet which you do not understand, please let us know.

Glossary

This section explains some of the terms used in this booklet. These definitions apply except where individual schools define the terms in their admission arrangements.

**Admission limit**

is the number of school places that is available in each year group.

**Admissions criteria**

are the conditions set by either the council or the governing bodies and are used to decide whether or not a place can be offered to a child.

**‘Looked after’ children**

are those being cared for by a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This Act only applies to England and Wales, which means that a child has to be looked after by an English or Welsh local authority in order to be given priority for admission.

**Previously ‘looked after’ children**

are those who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’

An adopted child is defined by section 12 of The Adoption Act 1976 and section 46 of the Adoption and Children Act 2002 and does not include children adopted abroad

A child arrangements order is defined by section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. A special guardianship order is defined by section 14A of the Children Act 1989

**Parent**

is the term used to refer to anyone who has parental responsibility for and care of a child in accordance with the Children Act 1989.

**Sibling**

refers to a brother or sister, half brother or sister, step brother or sister, adopted brother or sister and foster brother or sister living in the same family unit at the same address.

**Education, Health and Care Plan (EHC)**

is the document setting out the educational provision that will be made for a child with special educational needs, as well their health and social care needs. The EHC replaces the Statement of Special Educational Needs under The Children and Families Act 2014. Parents are given a copy of the EHC and will be involved in the review process.

**Supplementary Information Form (SIF)**

is the name of the form you may have to complete to be considered for faith schools or selective schools. The school pages of this booklet tell you if a SIF is required. The form can be obtained from the relevant school and should be returned to that school.

Ofsted reports
Ofsted reports on schools can be found on the internet at www.ofsted.gov.uk and at Hendon Reference Library.

School prospectuses
Secondary schools produce a prospectus each year that tells you more about the school. Contact individual schools to obtain a copy or download a copy from their websites. You can access all our schools’ websites from our schools directory at www.barnet.gov.uk
Travelling to school

When choosing a new school it is good to also consider how your child will travel to school.

Each school has a School Travel Plan (STP) which explains what the school is doing to encourage pupils and their families to travel more sustainably, such as walking, cycling or using public transport.

You can ask to see a copy of the school’s travel plan or you may find it on the school’s website.

To find out more, email: schooltravelplans@barnet.gov.uk or tel: 020 8359 7603

Walking

It is recommended that young people take 15,000 steps a day, so walking to school can contribute to this, as well as giving opportunities to develop road safety skills and a chance to talk and socialise with families and friends. For directions and a map showing how to walk to any location go to: http://www.walkit.com/

Public transport

11-15 year olds can travel free on buses at all times but need an 11-15 Oyster photo-card called Zip. In year 6 they receive a Zip card holder with an informative map of Barnet from Transport for London. Further details can be found on the Transport for London website www.tfl.gov.uk. The website also has a travel planner that can help you to plan your route to school.

Sustainable travel transition materials

Year 6 pupils will receive a Barnet ‘Stepping Up!’ booklet with advice and information about safer and active travel to their secondary school. Road safety advice includes not listening to music or using a mobile phone when attempting to cross the road. For a copy of ‘Stepping Up!’ email road.safety@barnet.gov.uk or call 020 8359 7105.

Cycling and scootering

Contact the school to find out if they encourage cycling/scootering and whether there is cycle and scooter storage available. The school may have a cycling/scootering policy explaining rules for pupils who wish to cycle or scooter.

You could also ask the school if they will be organising any cycle training for pupils and/or their families. If they are not, email cycling@barnet.gov.uk or call 020 8359 4972 for advice on receiving cycle training as well as information about local led rides and other cycling activities. To be able to ride on quieter residential roads students should have passed at least the level 2 Bikeability course. Level 3 training is required to cycle on busier, main roads.

To find out more about cycling training and Dr Bike sessions (where bike mechanics check the road worthiness of your bike and fix minor faults and you can get your bike security marked) look at the Council website: www.barnet.gov.uk/cycling

London cycle maps can be seen online or ordered from the TFL website www.tfl.gov.uk

If you have to drive your child to school you could car share, park and stride or park and ride.

Car sharing

Some schools co-ordinate car sharing lists so you could enquire if the school can help you to find another family to car share with.

Park and stride

Many schools have identified possible park and stride locations where parents/carers can park their cars and children walk the final part.

Park and ride

Alternatively you could drive your child part of the way before they catch a bus the remaining way.
Sustainable Modes of Travel Strategy (for children and young people)

The Council has a legal duty under the Education and Inspections Act (2006) to promote sustainable travel. The Sustainable Modes of Travel Strategy (for Children and Young People) can be found at: www.barnet.gov.uk/smots

Help with travel costs
Children in Years 7 – 11 in Secondary Schools

- The vast majority of children living in Barnet and starting secondary school will not be entitled to the cost of travel as there will be a suitable school within a three-mile walking distance of their home, accessible through a safe-walking route or by free travel on public transport.

Parents may qualify for support with their child’s home-to-school travel if:

- the child is entitled to free school meals or the family receives the maximum level of Working Tax Credit, and
- the home-to-school journey involves a cost, or
- the child is unable to get to school by foot or public transport as a result of exceptional social or medical needs.

Please note that fulfilling one or more of the above criteria does not give automatic entitlement to free travel to school and each application will be considered on its own merits.
Choice Advice Service

Choosing a school for your child can be a stressful time and the experience can lead to some families feeling confused and worried by the whole process.

There is a lot to think about, decisions to make and forms to fill in. The Choice Advisor can help you understand the system.

What is the Choice Advice Service?

- the Choice Advisor can offer individual support and guidance so that you can make the most informed choice of secondary school for your child
- the Choice Adviser may also provide support to parents/carers with the appeals process
- the Choice Advisor can offer you free and impartial advice and support. However, the Choice Advisor cannot make decisions for you or guarantee a place at a particular school.

The Choice Advisor can help by:

- explaining how the admissions process work
- explaining the admissions criteria for different types of school
- providing a wide range of information about local schools
- advising and supporting you if you do not get offered your preferred school.
