Apply for a school place at
www.eadmissions.org.uk

If your child is due to transfer to a secondary school in September 2019 you need to apply for a school place for them.

The benefits of applying online:
- it is quick and easy to do
- the system is available 24 hours a day, seven days a week up until the closing date, Wednesday 31 October 2018
- you can log in and change your application as many times as you like up until 11.59pm on the closing date
- you can register your mobile phone to receive reminder alerts
- you can attach documents to your application
- the system is secure and your information is safe
- the system helps you by checking for errors and telling you if you forget to fill anything in
- you will be sent an email with the outcome of your application during the evening of Friday 1 March 2019.
Message from Councillor David Longstaff

Barnet is very proud of the diversity of its schools, all of which provide an excellent education. Pupils educated in our borough achieve some of the best examination results in the country, both at GCSE and A level.

At the same time, local schools provide a wide range of sporting, musical and other activities that give children a rich and broad education. We know that the secondary school application process can seem daunting, schools and the council together work hard to make the process as smooth as possible.

The admissions system is co-ordinated across the whole of the London area and is operated by all 33 London boroughs. This booklet explains that co-ordinated secondary transfer process in detail and also provides information about all the secondary schools in Barnet.

It is important that you read the booklet carefully and look closely at each school’s admissions criteria in order to make the right choice for your child.

All Barnet schools have open evenings arranged when you will be able to meet staff and pupils. You will find a list of dates and times on page 19 of this booklet.

I hope that your child will enjoy his or her time at secondary school and I am sure the education children receive in Barnet will give them the skills, knowledge and qualifications to help them succeed in their future lives.

Councillor David Longstaff
Chairman of the Children, Education and Safeguarding Committee

About this booklet

This booklet will help you understand the admissions process when your child transfers to secondary school in 2019.

In this booklet we explain:
- how to choose a school
- how to fill in the application form
- how school places are allocated
- what happens if we cannot offer your child a place at a school you have chosen.

In this booklet you will also find:
- the secondary transfer timetable
- descriptions of all the secondary schools and academies in Barnet
- a schedule of open evenings.

There is also information about:
- in-year admissions
- fair access protocol
- placing children outside their correct year group
- post-16 education
- school meals
- help with travel costs
- school uniform.

When does my child transfer to secondary school?

- children born between 1 September 2007 and 31 August 2008 will transfer to secondary school in 2019.
- if your child has an Education, Health and Care Plan (EHCP), the arrangements for your child’s transfer will be different and these will be explained to you by the SEN Team. The EHCP replaces the Statement of Special Educational Needs. For more information contact SENadmin@barnet.gov.uk

Co-ordinated admissions

Each year, over 100,000 pupils living in London transfer to secondary schools.

All London boroughs work together on the secondary transfer process and this is known as the Pan-London co-ordinated admissions scheme.

How the scheme works

- you can apply for up to six schools
- the application is submitted to the local authority where you live
- you can apply for schools in Barnet or elsewhere
- a computer system is used to exchange information about Barnet residents applying for schools outside the borough, and other boroughs can tell us about their residents wishing to apply to Barnet schools
- if a school is oversubscribed, its published admissions criteria is used to decide who should be offered a place
- the scheme makes sure that no child is offered more than one school place
- you will get the result of your application on 1 March 2019.
Choosing a school

Before you make your application:

- **Visit** the schools that interest you...
- **Talk** to your child
- **Do your research**...
- **Consider** how your child will get to school...

**Read** the information in this booklet

- ...go to the open evenings and talk to the teachers
- find out what they want
- ...look at exam results and Ofsted reports
- by bus, walking, cycling

**Read** the school prospectus...

- available from the school

**Talk** to the Admissions Team...

- we can give you advice and answer your questions

**Don't listen** to gossip...

- what's right for other children may not be the same for your child

**Think** about how realistic your choice is

- most schools get more applications than they have places available so...
- ...look at the admissions criteria and the cut off distance for each school

Mythbusters

Answers to those playground myths:

**Myth:** My child has a right to a place at one of my choices

**Fact:** The schools listed on your application are preferences. We will offer your child the highest preference possible but if your child does not qualify for a place at any of your preferred schools, we will allocate a place at the nearest school with a vacancy.

**Myth:** It does not matter if my application is late

**Fact:** Applications submitted after 31 October will not be processed until after all those submitted on time and it is very unlikely that your child will be offered one of your preferred schools.

**Myth:** Listing one school will give me a better chance of getting that school

**Fact:** If you list only one school and your child does not qualify for a place under the school’s admissions criteria, we will offer a place at the nearest school with a vacancy.

**Myth:** I can only apply for Barnet schools

**Fact:** You can apply for both Barnet and out of borough schools by listing them on the Barnet application form.

**Myth:** Children in my road go to the school so my child will too

**Fact:** The number of children offered under each criterion at each school can change every year so just because you know children living near you go to a certain school, this does not mean that your child will be offered a place there.

**Myth:** If I apply to a school in another borough, their residents will have priority over my child

**Fact:** An admissions authority cannot give priority to its own residents and published admissions criteria cannot include the borough of residence.

**Myth:** I have an older child already at the school so my other child will automatically get a place

**Fact:** Everyone must apply for a school place even if there is an older child at the school. Many schools give priority to siblings but this does not guarantee a place if there are other children who qualify under a higher criterion.

**Myth:** Listing the same school six times will improve my chances of being offered a place

**Fact:** Your child can only be considered once for a school so any duplicated preferences will be deleted.

**Myth:** I live nearer to the school than the last child offered under the distance criterion last year so my child is guaranteed a place

**Fact:** Although the information in the allocation table on page 24 can give you an idea of how likely it is that your child will be offered a place at your preferred school, the furthest distance offered will change every year. We cannot guarantee that any child will be offered a place at any school.

Supplementary Information Form (SIF)
All voluntary aided (faith) schools, some foundation schools, free schools and academies require you to complete a SIF to provide additional information, such as a reference from your priest/minister or information needed in order to arrange aptitude tests.

Jewish voluntary aided schools may also require you to provide a Certificate of Religious Practice (CRP). SIFs and CRPs are available directly from the school.

Please remember an application is not valid unless an application has also been submitted at www.eadmissions.org.uk and the school is named on it.

Apply for a school place at www.eadmissions.org.uk
From 1 September 2018 you can apply for a school place online
The following guidance will help you to complete your application

Your child’s address
The address provided on your application form must be the child’s permanent address.

- You are not permitted to use a temporary address to secure a school place for your child. This includes a child minder’s address, a business address or the address of a relative or friend. We will not accept a temporary address if you still possess a property that was previously used as a home address; nor will we accept a temporary address that is used solely or mainly to obtain a school place.

- If you own a property, which is, or previously has been, used as a home address and you state that you are living at, and apply from a different address, we will treat the second address as temporary. Therefore, we will use the address of the property which you own as the valid address for school admissions purposes. If you own or rent a property, and you buy or rent another property or live with family or friends temporarily, and state that this is your and your child’s home address, we will not use the second address for school admissions purposes.

- Where owned property is being renovated, this will still be considered to be the child’s permanent address.

- We may also carry out additional checks with the new school to see whether the child’s home address has changed since the application and will investigate applications where:
  - There are any doubts about the information originally provided
  - Information has been received from a member of the public suggesting that misleading information has been provided and a fraudulent application made
  - The Council Tax is in a different name than the applicant’s

- If parents live separately, the application should be made by the parent the child normally lives with from the address which s/he attends primary school. When parents live separately but the child lives with both parents at different addresses, the child’s home address will be taken to be the address where the child lives most of the week.

- If the child spends an equal amount of time with each parent, the address will usually be taken to be that of the main parent/carer eligible to receive Child Benefit and Child Tax Credit. The exact arrangements must be made clear in a letter with a copy of any custody or residency order submitted with the application. The final decision about which address is to be used for admission purposes will be made by the Admissions Team.

Change of address
We can only accept a change of address after you have moved. We will not use an intended future address.

- If your child is still living abroad when you apply, we will consider the application based on the overseas address and any subsequent change will be in line with our change of address policy below. The only exception is in the case of UK service personnel with a confirmed posting or other Crown Servants returning from overseas. If you change address, please notify us immediately and provide the evidence required (see Proof of address below). If you do not tell us about a move, or an intended move that has failed to take place, we may withdraw any school place that has been offered.

A change of address will only be taken into account if it takes place before 12 December 2018, If we receive the required evidence before 12 December 2018 we will be able to use the new address to measure your home to school distance. If this information is received after 12 December, we will not be able to update your address until after 1 March 2019.

Proof of address

- In order for us to verify your address, please provide your council tax reference number on your application (you can find this on your Council Tax bill).

- You will also need to attach a scanned copy of one of the following documents to your application (or at least two documents if you cannot provide your council tax reference number):
  - tax credit documentation
  - a recent bank statement showing child benefit payments
  - a recent (within 3 months) utility bill.

- If your child has changed in the last two years, or if you move address after 31 October 2018, we may ask you for further proof that your current address is your permanent home address.

- If you have sold one property and purchased another, we will need to see all of the following:
  - evidence of completion on the property sold
  - evidence of completion on the property purchased
  - closing utility account for the previous property
  - the Council Tax reference number for the property purchased
  - a utility bill for the property purchased.

- If you have moved from one rented property to another, we will need to see all of the following:
  - copy of termination of tenancy agreement on the previous property
  - copy of tenancy agreement on the current property
  - proof of payment of rent to the landlord on a regular basis
  - the Council Tax reference number for the current property
  - two utility bills for the current property
  - if you are not liable for Council Tax or utilities you will need to provide official evidence that you are resident at that address (for example, child benefit letter, tax credit documentation, driving licence, child’s medical card).

If this information cannot be provided, we won’t be able to accept the new address and will continue to use the original address provided.

False or misleading information
It is important that the admissions system is fair for everybody. Nobody should be allowed to cheat by using a friend or relative’s address or by temporarily renting a property near to a popular school. Each year a small number of parents try to get a school place by providing false information, which could result in them taking a place that should have gone to another child.

Please realise that:
Providing false information to secure a school place is a criminal offence. Any applications suspected of being fraudulent will be referred to London Borough of Barnet’s Corporate Anti-Fraud Team (CAFT) for investigation, if your application is proven to be fraudulent you may be prosecuted in addition to the school place being withdrawn

- All information submitted to Barnet Council can be used in proactive data matching exercises to assist in the prevention and detection of fraud. If you know someone who intends to use, or has used, a false address to obtain a school place, you can report this confidentially to CAFT:
  - Fraud hotline: 020 8359 2007
  - Email: CAFT@barnet.gov.uk
  - Online: www.barnet.gov.uk/anti-fraud

School preferences
Please remember that:
- you may list up to six schools in the order you prefer them with your most preferred school as number one
- the preference order is very important, think carefully about this as only one offer can be made
- you can include schools within or outside Barnet
- you should check the admissions criteria for each of your preferred schools to make sure your child meets these
- all applications are processed as though they were equally preferred
- your ranking does not affect your child’s eligibility for a place at any Barnet school

If you wish to apply for Ark Pioneer Academy, you must make a separate application on the Parent Portal at https://enrol.barnet.gov.uk/Website/default.aspx as you will not be able to list the school on the local authority form.

Children with special educational needs

If your child has a statement of Special Educational Needs (SEN) or an Education, Health and Care Plan (EHCP), the arrangements for your child's transfer to secondary school will be different. There is no online application process. The SEN Team will write to you in September to explain what happens in detail. Your child will be allocated a school place in February 2019. For more information please contact SENadmin@barnet.gov.uk

Exceptional social/medical circumstances

Some schools give a higher priority to children with medical or social needs. If there is an exceptional medical or social reason why you want your child to attend a particular school, it may be taken into account. Check the oversubscription criteria for the school to see if there is a medical/social category. If there is, you can attach evidence to support your application.

Late applications

Applications received after 31 October will be treated as late. Late applications will not be considered until we have allocated school places for the applications that were received on time. This means that late applicants are unlikely to be offered one of their preferred schools. If there are good reasons why your application is late, you must complete a Reason for Late Application Form.

You can download the form from www.barnet.gov.uk/schooladmissions or request a form by sending an email to school.admissions@barnet.gov.uk

The completed form must be attached to your application with any supporting documents by 12 December 2018 at the latest.

Fair access and sharing information

The information you provide will be used in line with the provisions of the General Data Protection Regulation (GDPR). Barnet Council has a duty to protect the public funds it administers and may use the information you have provided for the prevention and detection of crime. We may also share information with other council departments or external organisations in order to undertake our functions as a local authority.

We will always comply with the requirements of the GDPR and never give information about you to anyone else, or use information for another purpose unless the law allows us.

If you want to know more about how your information is used visit www.barnet.gov.uk/privacy.

The people who may receive this information are:

- the current school
- the school to which the child is to be admitted
- other Admission Authorities so as to ensure that
- parents have provided consistent information and do not hold on to more than one school place.

How places will be allocated

When all the on-time applications have been submitted, the allocation process will begin:

- we will let other local authorities know about any preferences you have made for schools in their area
- we will also let any voluntary aided schools, free schools and academies in Barnet have details about your child if you have included any of these schools in your list of preferences
- your rankings will not be passed on to individual schools
- all your preferences will be processed by applying each school's oversubscription criteria to decide which children should be offered places
- the oversubscription criteria for our schools and academies are shown on pages 28 to 81.

When all the applications have been considered:

- ranked lists will be drawn up for all schools
- we will co-ordinate all the offers and exchange information with other local authorities
- if your child can be offered more than one school, we will offer the school you have ranked the highest
- lower preferences are automatically withdrawn at this stage
- all withdrawn preferences will be offered on to other children
- no child will be offered more than one place
- if it is not possible to offer a place at any of the schools you have chosen we will, if possible, allocate your child a place at an alternative school. This will usually be the nearest school with a vacancy.

Withdrawal of offers

Places offered at oversubscribed schools will be withdrawn if:

- the offer was made in error
- the offer was made on the basis of fraudulent or intentionally misleading information
- the offer was made in error
- the offer was made on the basis of information that cannot be verified to the satisfaction of the Admissions Team or later proves to be inaccurate
- the applicant has not responded to correspondence within a reasonable period of time.

If your child's place is withdrawn you have the right of appeal against this decision.

National Offer day – 1 March 2019

- you will receive an email with the outcome of your application during the evening of 1 March 2019
- if you have registered for text messaging you will also get a message to inform you that the outcome of your application is available to view online
- you should wait until you receive your email before logging into your eAdmissions account for further information
- if you forget your login details you need to go to the login page and select ‘Forgotten your username or password’
- all applicants who are not offered a place at their first preference school will be informed what happens next.
- please accept the school place you have been offered by 15 March 2019. Log into your eAdmissions account, go to your ‘My school admissions’ page and select ‘View outcome and respond’
- please remember to ‘submit’ your response otherwise we will not receive it.

If you are not accepting the offer you must tell us why, for example if:

- your child has been offered a place at an independent school
- you are moving out of the area.

Please select the appropriate option on the response page. It is important that you inform us so that we can offer the place to another child.

What happens if you have not been offered your preferred school?

**Waiting lists**
- If your child does not get a place at any of your preferred schools, their name will remain on the waiting list for your preferred Barnet school.
- Your child’s name will remain on the waiting list for any Barnet school listed higher on the application form than the school we have offered.
- All lower preferences will be withdrawn so if you want your child’s name to be added to the waiting list for a lower ranked school to the one your child has been offered, you will need to send us an email and tell us your reasons. You will also need to re-rank the order of your preferences.
- We can also add your child’s name to the waiting list for a school that you did not list on your application form.
- Waiting lists are ordered in accordance with the admissions criteria.
- Time spent on a waiting list is not taken into account and it is possible that your child’s position may go down as well as up.

**Please note:** Waiting lists are renewed each academic year. To ensure your child remains on a waiting list for consideration after 31 August 2019, you must apply for an In-Year place.

**In-year applications for 2019/20 will open on 1 August 2019.** Please apply on the Parent Portal by visiting www.barnet.gov.uk/schooladmissions and following the link to In-Year admissions.

**After 1 March 2019**

**Offers**
- Some parents may decide not to accept the school place offered to their child.
- When a place becomes available it will be offered to the next child on the waiting list.
- A second round of offers will be made at the end of March.
- If it is still not possible to offer your child a place at one of your preferred schools and you do not wish to accept a place at the school that has been allocated, you will become responsible for securing suitable education for your child.

**Appeals**

If your child is not offered a place at any of the schools listed on your application form, you have the right of appeal:
- For Friern Barnet School you can lodge an appeal online at www.barnet.gov.uk/schooladmissions
- For all other schools and academies you will need to contact the school/academy directly for further information.
- Appeals are heard by an independent panel and normally take place between May and July.
- Each case is decided on individual merit and any exceptional circumstances are likely to lead to a successful appeal.
- No places are reserved for successful appeals, so any appeals allowed are likely to increase the school’s intake above the admission limit.
- The fact that a school is single sex or that the school is a child’s or parents’ particular choice, or that other schools with vacancies involve a longer journey is unlikely to lead to a successful appeal.
- Decisions made by the appeals panel are binding on the local authority and the school.
- Accepting a place at another school will not affect your chances of having a successful appeal.
- You can only have one appeal for each school in the same academic year unless there are significant changes in your circumstances.
- Further information about the appeals procedure will be included with your notification on 1 March 2019.

Ark Pioneer: Prospective parents and children are invited to our open evening events to hear from the school principal and Ark’s Regional Director for North London, who will be speaking shortly after 6pm. There will also be an opportunity to ask questions and meet the team that will be leading the school. Guided tours of Ark John Keats Academy in Enfield will take place on 4 October to give parents the chance to see a successful Ark school and meet with Ark Pioneer’s principal and Regional Director, who will lead the tours. If you’d like to attend please arrive at either 9am or 10am, when the tours will begin. Please visit the school website for further details www.arkpioneer.org

Ashmore: Parents and pupils are invited to attend the prospective parents evening. The headteacher will speak in the hall at 7pm and 8.15pm. Guided tours of all areas of the school will be given by 6th form students throughout the evening. Pupils’ work will be on display. Staff will be available in teaching areas to talk with parents and address any questions or concerns. Parking within the school grounds will be limited to disabled parking permit holders. Other prospective parents are advised to walk if possible. Access roads must be kept clear.

Bishop Douglass: Guided tours by students will be available between 5.30 – 8pm. The headteacher will address prospective parents at 7pm. In addition there will be Open Mornings on Thursday 27 September and Thursday 4 October during the summer term. Parents will also have the opportunity to meet with the headteacher for a question and answer session. Please contact the School Office to book a tour. Arrival at the school by 9.15am will ensure a prompt start at 9.30am.

Christ’s College: The Opening Evening for prospective parents and pupils will be from 6.30 – 8.30pm. The first talk by the headteacher will be at 6.30pm and again at 7.30pm. Guided tours will be arranged both during and after the head’s talks. Open Mornings will be held during Monday 1 October – Friday 5 October from 10am – 12 noon for parents to see the school at work, visit lessons and talk informally to the headteacher, staff and students. Please email txb@ccfplus.com if you would like to attend. Please telephone the school on 020 8349 3581 or go to www.ccfplus.com/school for further details.

The Compton: Parents are invited to view the school between 5 – 8.30pm. There will be a talk by the headteacher at 6pm, 7pm and 8pm. Please be aware that there is no parking on the school premises. Parents should park away from the school site as roads become very congested. There will be a limited number of places on guided tours of the school during the evening. Please telephone the school office, from Friday 5 October 2018 on 020 8368 1783 for more details.

Capstall: We welcome prospective parents and their daughters to visit us from 6pm until 8.30pm on Tuesday 11th September. The headteacher Ms Forde will speak in the main hall at 6.45pm and again at 7.15pm. Guided tours will be arranged following each talk. The final tour is at 8pm. Limited parking is available on site via our Purlsey Road entrance. Meet our pupils, see their impressive work and experience the exciting array of extra-curricular activities on offer here at Capstall, including our STEM scholarship programme. Please express your interest in attending here: https://tinyurl.com/y73l3bqg where you can also let us know if you would like to visit during the school day at a time which is convenient to you. Open Mornings will take place w/c 17th September so please look at our website for confirmed dates nearer the time www.tinyurl.com/y2lsvvglga

East Barnet: The school will be open for parents and pupils between 6 – 8.30pm. Guided tours of the school by current pupils from 6pm. There will be a talk by the headteacher in the Auditorium at 7.30pm. Please be aware that there is no parking on the school premises. Parents should park away from the school site as roads become very congested. Tours of the school in normal working hours will be available in the days following the Open Evening; please make appointments with the School Secretary during the Open Evening or telephone the school (020 8344 2100).

A guide to Secondary Education in Barnet 2019
Open evening information

Queen Elizabeth's Girls*: Parents are invited to view the school between 6pm - 8.30pm (final admission at 8pm). There will be three talks by the headteacher in the school hall at 6:45pm, 7:30pm and 8:15pm. Parents are advised that there is no parking on the school site and that parking around the school is extremely limited. If possible parents should walk or use public transport. Tours of the school during normal working hours will be available in the days following the open evening. Please telephone the school on 020 8449 2994 to make an appointment.

St Andrew the Apostle: The school will be open for parents and Year 6 pupils between 6pm and 8.30pm. The headteacher will be speaking at 6.45pm and 7.30pm. St Andrew’s is in the grounds of the North London Business Park and there is plenty of parking on the site; but please use the Brunswick Park Road entrance only. Open mornings to see the school at work will be held in the weeks beginning 1 October and 8 October. Please telephone for an appointment on 020 3195 5444 or email admissions@standrewtheapostle.org.uk For further information please visit our website www.standrewtheapostle.org.uk

St James' Catholic High: Prospective parents and students are invited to view the school between 5.30pm – 8pm (final admission at 7.30pm). There will be a talk by the Headteacher in the Hall at 6pm and again at 7pm. Parking on-site will be available. Open mornings will also take place by appointment, during the week commencing Monday 8 October between 9.30am and 10.30am. Parents are welcome to come and view the school at work, to meet students and senior staff. Please contact the school on 020 8358 2800 for further details or email admin@st-james.barnet.sch.uk

St Mary’s & St John’s: Prospective parents and students are warmly invited to our Upper School site where Years 9 to 11 are based. You are welcome to view our fantastic facilities and to talk to students, staff and governors about our community and distinctive ethos. The Principal and Senior Leadership Team will give talks at 5.45pm and 7.00pm. We will also be touring Bennett House, where your children will start their journey with us. Open mornings while school is in session are also available by appointment during the week commencing 1st October. Further information about our exciting Performing Arts Scholarship programme can be found on our website, and please note that there is an earlier application deadline for these places. You can find more information on our website at www.smsj.london or by telephoning the school office on 020 8202 0026.

St Michael’s Catholic Grammar: Guided tours of the school will be arranged between 3.30 – 5pm and between 7 – 9pm. Parents are also invited to a short meeting with the headteacher at one of these times: 5pm or 7pm or 9pm. All visitors should come to the main hall. If parents wish, transfer age children may accompany them but no other children should be brought because of the lack of space. Unfortunately, there is no parking on site. It is suggested that parents park in Lodge Lane car park as the route to the school become easily congested with traffic. Visitors should not try to drive onto the school premises.

Saracens High School: The school will be open for prospective parents and pupils between 6 - 8.00pm. There will be a talk by the Principal at 6.15pm and again at 7.00pm. Guided tours by current pupils will be available from 6.00pm. Limited parking is available within the school so parents should park in the residential streets nearby, showing consideration for our neighbours. For parents unable to attend, there will be Open Mornings on Tuesday 9 October and Wednesday 10 October from 9.00 - 10.30am. Please email admin@saracenshigh.org if you would like to attend one of the open mornings.

The Totteridge Academy: Prospective parents and pupils are warmly invited to view the school between 5.30pm - 8.00pm on Thursday 4 October 2018. The Principal Mr Fairbairn will address visitors in the school hall at 6.30pm. Before and after this address, students will be available to lead guided tours of the school for parents and their children. Ample on-site parking is available.

Whitefield: Prospective parents and their children are invited to our Open Evening on Wednesday 26 September, to view the School between 5 - 8pm, with a 7.30pm last admission. Students will guide parents and their children around the school. The Headteacher will give a talk at 6.15pm and 7.15pm in The Acorn Theatre. Refreshments will be available. Parents and their children are also invited to visit Whitefield School whilst our students are at work. Please telephone the school on 020 8455 4114 to arrange an appointment for a tour. For further information on any of the above, either visit our website www.whitefield.barnet.sch.uk or telephone Whitefield School on 020 8455 4114.

Wren Academy: Parents and students are invited to tour the Academy between 5.30 – 8pm. The Principal will speak three times during the course of the evening. Access to the Academy is via our Woodhouse Road entrance. Tours will be held (for parents of Year 6 children only) during the Academy’s working hours in the following weeks. More information about booking tours can be found on the Academy website at www.wrenacademy.org

Barnet Schools

Information about the types of secondary school

Barnet has 27 secondary schools

Community schools (1)
Community schools are owned and funded by Barnet Council.

Our community comprehensive school is:
• Friern Barnet School

Voluntary aided schools (7)
Voluntary aided schools are owned by religious or voluntary bodies but funded by Barnet Council. The school governors are responsible for setting admissions criteria.

The seven Barnet voluntary aided schools are:
• Bishop Douglass Catholic School
• Finchley Catholic High School
• JCoSS
• Menorah High School for Girls
• St Michael’s Catholic Grammar School
• St James’ Catholic High School
• St Mary’s and St John’s CE School

Academies and free schools (19)
Academies are independent of the local authority and funded directly by the government. Although the governors are responsible for setting admissions criteria, academies are required to participate in co-ordinated admissions arrangements.

The 19 Barnet academies and free schools are:
• The Archer Academy
• Ark Pioneer Academy
• Ashmole Academy
• Christ’s College Finchley
• The Compton School
• Copthall School
• East Barnet School
• Harrowdown High School
• Hendon School
• The Henrietta Barnett School
• London Academy
• Mill Hill County High School
• Queen Elizabeth’s School Barnet
• Queen Elizabeth’s Girls’ School
• St Andrew the Apostle Greek Orthodox School
• Saracens High School
• The Totteridge Academy
• Whitefield School
• Wren Academy

University Technical Colleges and Studio Schools (0)
UTCs are technical academies for 14 to 19-year-olds. They are independent of the local authority and have university and employer sponsors. UTCs combine practical and academic studies and specialise in subjects that need modern, technical, industry-standard equipment.

Studio Schools are innovative schools for 14 to 19-year-olds. They are independent of the local authority and are backed by local businesses and employers. Studio Schools often have a specialism, but focus on equipping young people with a wide range of employability skills and core academic subjects.

### Secondary schools and academies in Barnet

The following pages (28 – 81) have been written by the schools themselves. Barnet Council has made every effort to ensure accuracy but responsibility for the content lies with the individual schools.

#### Oversubscription criteria

When more applications are received than there are places available, schools and academies will use their ‘oversubscription criteria’ to decide who will be offered places.

The oversubscription criteria at voluntary aided schools, foundation schools and academies may be subject to review and you are advised to check the schools’ websites for the finalised criteria before making an application.

#### How we calculate home to school distances

We use the Synergy Admissions and Transfers system to calculate the distance from your child’s home (the start point) to the school (the end point). The system calculates the distance in miles to three decimal places. The routing database uses two dimensional maps. This means it does not take into account any contours or terrains.

#### The start point (applicant’s home)

For calculation purposes, the local authority uses the AddressBase database supplied by Ordnance Survey to determine the start point from the applicant’s address. This provides a national grid co-ordinate and a unique property reference number (UPRN) for each property in Great Britain. The grid reference is provided to a resolution of 0.1 metre (10cm).

Calculations are based on the assumption that the child’s home address is classified at the point of application as a residential address. If you live in a block of flats where you use a communal entrance, the local authority will used the UPRN for the block and not the centroid of your individual flat for the distance calculation.

#### The end point (school)

Unless otherwise stated, the main gate to the school is used as the end point for calculation purposes.

Please note that you cannot compare distances produced on the local authority’s Synergy system to those calculated using any online geographical information system software you may have access to, such as satellite navigation systems or Google maps.

Aims and expectations
We aim to be an outstanding secondary school at the heart of our community, providing girls and boys from all backgrounds with the education and inspiration they need to live successful and fulfilling adult lives:

- realising potential – We encourage all our pupils to pursue academic excellence and achieve to the best of their abilities
- inspiring creativity – We place a firm emphasis on critical thinking and creative abilities across all aspects of the curriculum, encouraging our pupils to become well-rounded, inventive and self-motivated adults
- engaging with our community – We foster a culture of respect and concern for pupils, teachers and the wider community, and encourage full participation in both the life of the school and the world outside.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. children in Care at the time of application and who were previously in Care but ceased to be so because they were adopted (or become subject to a child arrangements order or special guardianship order) immediately following having been in Care. ‘Children in Care’ are children who are looked after by a Council in accordance with Section 22 of the Children Act 1989(b)
2. children whose parents are Founders of the Archer Academy and who have been granted this provision by the Secretary of State for Education
3. children who will have siblings in the school at the time when they are admitted to the school
4. children of staff (teaching or support) of the school, provided they have been directly employed for a minimum of two years at the time at which the application for a place is made, or have been recruited to fill a post where there is a demonstrable skills shortage. (The definition of a direct employee is an employee holding a contract of employment with the school).
5. children in the priority catchment area – which is the postcode areas N2, N3 and NW11 – as follows: 45% of places will be offered to children whose home address is within N2, 35% to children whose home address is within N3 and 20% of places to children whose home address is within NW11. Any fraction of places that remain when dividing places to each postcode will be allocated to applicants in the N2 postcode. Places will be offered to those children who live closest to the school, based on measuring distance in a straight line from the front gate of the Lower School Stanley Road campus to the front door of the applicant’s home.

6. after places have been filled under the first five criteria, any remaining places will be offered from a geographical basis with priority given to children who live closest to the school, based on measuring distance in a straight line from the front gate of the Lower School Stanley Road campus to the child’s home.

Attendance, discipline and pastoral arrangements
Good behaviour and firm discipline are the basis of a happy and productive learning environment, so we will set high expectations for the standards of behaviour in our school.

This is underpinned by a nurturing house structure and a culture that celebrates hard work and achievement in all aspects of school life. We have a zero tolerance attitude towards bullying, and act swiftly to prevent small problems from becoming big ones.

Facilities/Extra-curricular activities
Our enrichment programme is a central part of Archer Academy life. All Archer students take part in enrichment activities at the end of the formal school day on a Tuesday and Thursday, to enable them to learn important skills that help them in and beyond their lessons and to discover their hidden talents and passions.

The programme offers more general opportunities for students in Years 7 and 8, becoming more tailored once they reach Year 9. We also offer a range of extra sport, language and performing arts opportunities before, during and after the formal school day.

You and your child’s progress
Every student is given an individual learning plan, which includes ambitious, measurable targets for them to work towards. We monitor their progress regularly, and hold termly review sessions which give pupils and their parents the opportunity to identify any issues and be clear about any actions that are needed.

Curriculum and homework
We offer a broad and balanced curriculum that follows the National Curriculum. In Year 7, 25% of the timetable is dedicated to our specialist areas, English and Maths. However, our curriculum delivers a wide range of other subjects and skills, including sciences, modern languages, humanities and the creative and performing arts. We also set aside time for a range of competitive sports. Homework is set in all subjects.

Teaching and learning
The success of our school lies in the hands of our teaching staff, who enthuse and educate our pupils in equal measure. The structure of the Archer Academy has been designed to allow our staff to nurture the academic, social and emotional potential of each child.

All of our teachers are fully qualified. Outside of the usual curriculum, we offer regular Bright Ideas lectures, designed to inspire and engage our students in their learning, develop them as independent thinkers and help them stretch and challenge themselves through discussion and debate.

Education after 16/Sixth form curriculum
We are delighted to have a strategic partnership with both Woodhouse College and Barnet Southgate College which creates exceptional opportunities for students. Archer Academy students are given priority places at both colleges.

About our school

Aims and expectations
Ark Pioneer is a brand new school that will open its doors to its first year 7 pupils in September 2019. Ark has opened four other new schools in North London in the last ten years (King Solomon Academy, Ark Academy, Isaac Newton Academy and Ark John Keats Academy) and all have been judged outstanding by Ofsted.

We believe Ark Pioneer will be an exceptional school from its very first day and that our founding pupils will benefit hugely from being the only year group in the first year as has been shown in our other new schools.

We believe local Barnet children should have access to a standard of education that is a match for the very best schools, state or private, in the country and this is what we will deliver. Every child has the ability to be an articulate, knowledgeable and successful individual and we will work tirelessly with our pupils to realise their potential and enable them to go to the best universities in the country.

Ark Pioneer will open in September 2019 with 180 places for its founder cohort of year 7 pupils. Parents, if you share our values of high expectations, strong discipline and a rigorous academic curriculum, please join us at one of our open evenings or mornings to find out more.

Uniform
All pupils will be required to adhere to our school’s uniform and appearance policy. Details of our uniform can be found on our website.

Attendance, discipline and pastoral arrangements

Strong Discipline:
Ark Pioneer will have the highest standards for every member of the school community. We believe pupils learn best in an environment that is calm, respectful and focused on learning. We will teach pupils good discipline and how to conduct themselves well.

Poor behaviour will not be tolerated and will be dealt with quickly and effectively. We will work to develop a sense of responsibility in our pupils and to embed a common set of values.

Important Information

New schools do not take part in the PAN London co-ordinated admissions process in their first year.

If you wish to apply to Ark Pioneer Academy, you should make your application on the Parent Portal at https://enrol.barnet.gov.uk/Website/default.aspx as you will not be able to list the school as one of your preferences on your eAdmissions application.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. looked after children and all previously looked after children
2. children of a staff member who fills a post for which there is a demonstrable skill shortage as approved by Ark Schools. (This priority is limited to no more than one place in each form of entry in any year)
3. children who have a sibling who already attends the school and who will continue to do so on the date of admission (for this purpose “sibling” is a whole, half or step-brother or step-sister or an adopted child resident at the same address)
4. children of staff in the school who may also receive priority where the parent has been employed in the academy for two or more years at the time of the application for admission (that is the year before admission). Priority is limited to no more than one place for each form of entry in any year
5. children who live closest to the school using a straight line distance from the main entrance of the academy to the child’s home.

Facilities/Extra-curricular activities

Enrichment Opportunities: We want pupils to develop interests and passions that will give them enjoyment throughout their lives. Pupils will be able to choose from activities ranging from cooking, debating and drama to coding, football and playing in our orchestra.

First Class Facilities:
Our new purpose built school will offer state of the art facilities for all our pupils, including a multi-court sports hall and fully equipped fitness centre, drama, art & technology specialist spaces and suites of chromebooks and desktop computers for pupil use.

We will offer subsidised music lessons for all pupils. Additionally, we will provide a morning breakfast club and an evening homework club open to all pupils.

You and your child’s progress

Knowing Every Child:
We will place significant emphasis on ensuring we know every child well. We will visit every pupil in their home with their family before they start at Ark Pioneer academy.

High Aspirations:
At Ark Pioneer, we believe every pupil should have the opportunity to go to university or pursue the career of their choice. We will set challenging goals and provide individualised support to ensure each pupil makes rapid progress from their starting point and realises their potential. Parents will be invited to meet teachers three times a year to discuss their child’s progress.

Curriculum and homework

Mastery Curriculum: Our subject leaders will craft a rigorous curriculum in each subject that promotes curiosity, develops a depth of understanding and includes a thorough base of content. We are confident our curriculum offer will provide each pupil with a solid foundation for further study and preparation for university.

More time for learning:
Pupils at Ark Pioneer will have a longer school day, so that every pupil receives the teaching to fulfil their potential and ultimately secure a place at university.

Teaching and learning

Exceptional Teaching:
Our teachers will be curriculum experts, passionate about their subject and with high expectations of every pupil. They will cultivate energetic and engaged learners who work hard and participate fully in every lesson. Their belief in the growth mindset will ensure pupils are ready to embrace challenging academic material and can become successful lifelong learners.

Education after 16/
Sixth Form curriculum

Ark Pioneer will open its sixth form in 2024 after our 2019 founder pupils complete GCSEs and will offer A level courses across a range of academic subjects.

Aims and expectations

We are a thriving Catholic Comprehensive School located in East Finchley, geared towards achieving the best for our young people. We were delighted to recently be recognised by the Department for Education for being in the top 100 most improved schools in the country. Our results continue to show outstanding value-added year on year and our results at A Level place us in the top 10% nationally for value-added.

We strive to uphold strong spiritual and moral values, both in and outside the classroom and our approach is strict and traditional. We are an inclusive school and celebrate our diversity, with high expectations of students in our care. We have a clear, well shared and continuous emotional and academic support for all learners. All students in Years 7 and 8 receive subsidised music lessons leading to graded qualification. Our most able and talented students from Year 7 and 8 provide the opportunity to develop a passion for education through a comprehensive trips programme. This includes an annual activities week, whilst students from Year 7 to 10 as part of an annual activities week, whilst a comprehensive trips programme enriches the broad curriculum and supports learning at all levels.

Curriculum and homework

Investment in your child’s future begins in Year 6 with a transition summer school and continues with a broad and balanced curriculum at Key Stages 3, 4 and 5. KS4 commences in Year 9 and enables students to study up to four Foundation Subject GCSEs over three years in addition to the Core subjects (English, Maths, Science, PE, RE and ICT). We aim to develop a passion for education through personalised pathways that develop the individual. This approach ensures that every child can succeed and provides stretch and challenge for students of all abilities. Our PSHE programme allows students to develop important personal, social and intellectual skills in a safe and friendly environment.

Education after 16/ Sixth form curriculum

We have a thriving and oversubscribed Sixth Form that secures excellent outcomes for students. Our success over the last few years has meant that at A-Level we are in the top 5% of all schools nationally for value added. We offer 3+ courses at Level 2 and Level 3 as well as providing GCSE mathematics and English. As a result our curriculum offers a broad range of subjects available to suit different types of learners of all abilities. Our retention from Year 11 into the Sixth Form is exceptional, with a very high percentage of students choosing to stay on at Bishop Douglass. We also attract a large number of applications from external students - largely due to the success we have secured for students at post-16 level.

Aims and expectations

Christ’s College Finchley is a highly successful comprehensive school for girls and boys. We pursue academic excellence for all of our students; resolute in the belief that every child has great potential and should be given every opportunity to fulfill it. Our most important aims include:

- the highest standards of academic achievement within a comprehensive setting. (“The Headteacher has very high ambitions for the pupils and a relentless determination to provide the highest quality of education.” Ofsted 2016)
- development of the ‘whole child’ so that they couple academic progress with the skills and personal attributes needed to thrive in life after school. (“The Headteacher has established an environment where pupils thrive.” Ofsted 2016)
- happy young people: we want to develop in our students: an optimism for life; an unshakeable belief in their own ability to shape their world and a faith to believe the best in people. (“Pupils are encouraged to celebrate their differences. As a consequence they mix well and show tolerance and respect in this diverse learning environment.” Ofsted 2016)

Extra-curricular activities

We place a high value on allowing our young people to develop skills and expertise in important areas outside of the main curriculum. We have a strong record of sporting success and our curriculum is fortified with a rich and varied diet of learning experiences. Our thriving sports department regularly produces championship winning teams in basketball, football and cricket and we also excel in individual sports. We have a highly successful chess club with nationally ranked players who represent the UK and we have been national champions in Robotics for the last 3 years. We continue to improve our facilities and have a new £500,000 all-weather sports pitch.

You and your child’s progress

Individual students’ progress is monitored closely and assessed formally against aspirational targets set by the school each half term. Progress towards these targets is tracked carefully via each individual student’s “Learning Ladder”. Parents have constant access to their child’s progress record online. Every year group has a parent consultation evening and a full report is produced for each student every year. The school prides itself on being welcoming to parents and places great emphasis upon forging productive links with families to support students’ learning.

Curriculum and homework

All students follow a traditional Curriculum in Year 7 and Year 8. Latin is offered in Year 9 and students have an opportunity to gain the Cambridge Latin Course qualification at the end of KS3. In Year 9 students start to study for separate Science GCSEs, providing a secure base from which to access Science A Levels. At KS4, the curriculum offered is traditional in nature reflecting the subjects most welcomed by the major Universities. In Year 7 students are taught in their tutor groups for the first few weeks. They are then placed into sets based on academic ability.

These sets are regularly reviewed and students moved according to their progress. Homework is set once per week. The School places emphasis upon home learning.

Teaching and learning

Our approach has been to secure and deliver the very highest standards of teaching possible and this has been fundamental to the vast improvements at the school. We insist on appointing only the very best teachers who see teaching as their vocation. The school’s powerful blend of the best aspects of traditional education combined with skilled innovation and creativity provides a rich environment for student progress and development. This year we have been awarded Confucius Classroom status and Year 7 students will now learn Mandarin as well as French and Spanish. (“Improvements, particularly in teaching and learning, have been rapid and sustained.” Ofsted 2016)

Education after 16/
Sixth form curriculum

The Christ’s College Sixth Form is an amazing learning community. We have some of the most brilliant young minds, in their formative years, preparing for life at the country’s top universities. These bright minds support the school’s highly aspirational ethos. The Sixth Form is an integral part of our school and we are very proud of the young people we develop. All students are treated equally, cared for and given a very high standard of teaching and guidance to allow them to realise their aspirations. New students will be warmly welcomed into our friendly community.

1. looked after children and children who were 'looked after' but ceased to be so because they were adopted, or became subject to a child arrangements order, or special guardianship order immediately following having been 'looked after'

2. children who, at the time of application for admission is made, have a sibling at The Compton in years 7 - 11 or a sibling in the 6th Form who previously attended The Compton School for at least one year prior to Year 12

3. children of staff of The Compton School where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made

4. remaining places, out of 180, are offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the address point for the child’s home (supplied by Ordnance Survey) and the main school gate. The distance between these points is calculated using Barnet Council’s computerised geographical information system

5. an additional planned 30 places are offered at Year 7 secondary transfer to children from the agreed feeder schools in the N2 and N3 postcodes according to the following quotas: 16 places to Mass Hall Junior School, 7 places to Manorside School and 7 places to Martin Primary School. The allocation will be offered to children from each of these schools based on geographical distance in a straight line from their home to the Compton School.

At The Compton we regard learning as an active partnership between school and home. Students are issued with homework through an on-line resource (Show My Homework) which parents can also access. A homework timetable is issued to parents and students at the start of the academic year.

Teaching and learning

The school provides a consistently high quality of teaching throughout the school. Achievement is recognised and rewarded throughout the year and at celebration evenings. Classes are initially taught as mixed ability with setting introduced from Year 8 in Mathematics and Science.

Education after 16/

About our school

Aims and expectations

The Compton is a high achieving mixed school which converted to Academy Status in January 2011. The school was selected as one of only 100 outstanding schools nationally to become a Teaching School which is a very prestigious national award. We have received three successive outstanding Ofsted designations and are one of a handful of schools nationally to achieve this record.

We run an excellent induction programme in close partnership with our feeder primary schools to help familiarise students with the school well before the first day of term. The Compton operates a Positive Behaviour Policy where excellent behaviour for learning and positive outcomes are encouraged. Alongside this students are familiar with the clear framework of consequences of poor behaviour. Excellent attendance and punctuality are also expected.

The 11 plus at The Compton is a very prestigious national award. We have received two awards in the last three years. A significant majority of our academic sixth form in September 2015. A significant majority of our existing Year 11 students chose to continue their education at the school. Aims and expectations
Since the appointment of a new headteacher in September 2016 and a newly constituted governing body, Copthall school has been transformed. Our Ofsted inspection in May 2018 judged the school to be a ‘Good’ school because it has improved rapidly and significantly to provide pupils with a good level of education.

In 2017, the progress made by Year 11 pupils was significantly above the national average compared to pupils nationally with similar starting points. Our progress score was +0.81 which placed us in the top 4% in the country. Pupils with a range of abilities, including the most able and those speaking English as a second language, made equally excellent progress from their starting points.

Our staff provide a good education for our students as they set clear routines and purposeful teaching strategies to ensure that pupils engage in their learning. Teachers’ clear explanations enable our students to grasp new learning concepts quickly and staff use pupils’ prior knowledge to design work at different levels.

We believe that no child should be left behind, so we make sure that everyone is supported to develop the skills and strategies needed so they can leave Copthall and take their rightful place as responsible citizens. Our extensive curriculum meets pupils’ needs and lays the foundation for our school mission of ‘Excellent education for all’. In addition, we offer a range of extra-curricular activities which are complimented by a wealth of trips (including overseas trips), visits and clubs, which enable pupils to develop their skills and interests further. As a values-driven school, everything we do at Copthall is driven by core values of Respect, Equality for all, Support & Safety, Aspiration and Responsibility.

Uniform
Copthall School has a strict uniform policy for all students. We have a new uniform which includes a blazer, shirt, tie, skirt or trousers and formal black shoes. All students must wear their uniform when travelling to and from school, as well as during the school day. There is a formal dress code in the sixth form and students are expected to wear professional dress.

Attendance, discipline and pastoral arrangements
The school has high expectations for all of its students and celebrates positive behaviour. A consistent rewards and sanctions policy is in place at the school to maintain excellent behaviour at all times. Exemplary punctuality and attendance is a must, with all students expected to maintain at least 97% attendance. Copthall has Directors of Learning who work closely with Form Tutors to lead each year group alongside our specialist Primary, EAL and SEND teams who support the transition of students into Year 7 and beyond.

Facilities/Extra-curricular activities
The school has good facilities to meet the needs of the curriculum. These include well-equipped computer suites, learning centre, internet access, library, science laboratories, sports hall, dance/multipurpose suite and netball/tennis courts.

Each classroom is equipped with interactive whiteboard technology.

The school has a number of clubs and activities which take place during lunchtime and after school. A programme of the clubs and activities is circulated at the start of the year.

The school also organises a range of trips and cultural experiences. These include trips to the theatre, dance workshops, museums, the seaside, outward-bound activity days and some residential opportunities.

You and your child’s progress
The school works closely with parents to celebrate students’ progress and identify areas for development, implementing intervention sessions where necessary.

Parents will receive a termly summary that details how their daughters are progressing in all areas of their curriculum, along with annually publishing Subject and Pastoral reports and hosting Parents’ Evenings. Aspirational targets are set for all students, allowing them to reach their full potential and making the tracking of progress for parents and teachers clear.

Curriculum and homework
Copthall offers a broad and balanced curriculum that is tailored to meet the needs of all our students. Regular homework tasks are designed to build on and consolidate students’ understanding of topics while also nurturing students to become independent learners. Students are encouraged to make effective use of ICT resources with all homework tasks being published online for parents and students to view. We operate a three year Key Stage 4 curriculum offering GCSE and Vocational pathways which are reviewed each year to accommodate curriculum changes and meet the needs of our students.

(The definition of a direct employee is an employee holding a contract of employment with the school)
5. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line.

Supportive learning
Each classroom is equipped with interactive whiteboard technology.

The school has a number of clubs and activities which take place during lunchtime and after school. A programme of the clubs and activities is circulated at the start of the year.

The school also organises a range of trips and cultural experiences. These include trips to the theatre, dance workshops, museums, the seaside, outward-bound activity days and some residential opportunities.

You and your child’s progress
The school works closely with parents to celebrate students’ progress and identify areas for development, implementing intervention sessions where necessary.

Parents will receive a termly summary that details how their daughters are progressing in all areas of their curriculum, along with annually publishing Subject and Pastoral reports and hosting Parents’ Evenings. Aspirational targets are set for all students, allowing them to reach their full potential and making the tracking of progress for parents and teachers clear.

Curriculum and homework
Copthall offers a broad and balanced curriculum that is tailored to meet the needs of all our students. Regular homework tasks are designed to build on and consolidate students’ understanding of topics while also nurturing students to become independent learners. Students are encouraged to make effective use of ICT resources with all homework tasks being published online for parents and students to view. We operate a three year Key Stage 4 curriculum offering GCSE and Vocational pathways which are reviewed each year to accommodate curriculum changes and meet the needs of our students.

Teaching and learning
Our vision for teaching and learning is ‘A positive learning environment that inspires a passion for learning, so that every student progresses and thrives.’ We have a strong system for encouraging good behaviour for learning, with an emphasis on rewards for the majority of our students who behave extremely well.

We have dedicated specialist teachers who love their subjects and share their passion with our girls. We have clear routines and purposeful teaching strategies in place to make sure that every student is supported to make progress and thrive. Furthermore, we have an extensive SEND and EAL team who provide tailored support for students who need it. We have a dedicated year 7 ‘catch-up’ teacher who will provide an individualised curriculum for any students who have gaps in their primary-school learning in English, Maths or Science.

Education after 16/
Sixth Form curriculum
Our Sixth Form is made up of both internal and external students. The education offered in the Sixth Form is exciting, challenging and highly creative enabling our students to access academic challenge.

The Sixth Form curriculum offers students a wide range of courses for all ability of students, including A Level subjects, BTEC options and Vocational pathways alongside our extensive tutorial, ‘skills for life’, ‘lead the way’ and careers programmes.

Our pastoral care is paramount to the wellbeing of our students and we have many internal and external staff and agencies that work with our students, including a Careers Advisor.

We are part of the school community and the core values of our school permeate across all aspects of the Sixth Form provision. Students arrange and run events, mentor students and take on Leadership responsibilities. We also have a very robust and successful Work Experience and UCAS programme, which help our students to prepare for their next step.
Aims and expectations
East Barnet is a high performing school with ‘an exciting and stimulating environment for learning’. OFSTED inspectors have described the behaviour of our students as ‘exemplary’ in both of the last two inspections. We are a National Support School, providing support and guidance to many other schools. Our success is built upon an “I want to learn” philosophy through which students develop to their full potential as independent and self-motivating learners.

We have a rich and diverse community that supports and promotes respect, courtesy and understanding. We expect high standards of behaviour from all our students and promotes respect, courtesy and understanding. We help to create a sense of belonging. The school offers guidance and support to students to help them achieve in all aspects of their lives.

Uniform
All students are required to adhere to the school’s uniform policy and dress code. There is also an expectation that all Sixth Form students will dress appropriately for school.

Attendance, discipline and pastoral arrangements
East Barnet School has a well deserved reputation for being a caring school. All members of staff are dedicated to providing a safe, secure and energised environment. Our students have an excellent attendance record because they really enjoy being at school.

We have very high standards of discipline and a first class pastoral team. Students are under the care of the same Form Tutors and Head of Year as they move through the school from Year 7 to Year 11, which helps to create a sense of belonging. The school offers guidance and support to students to help them achieve in all aspects of their lives.

Curriculum and homework
Our curriculum is designed to support the needs and talents of all our students. It provides stretch and challenge for students of all abilities and all key stages, as well as opportunities to learn in innovative ways through Triple E School, extra-curricular activities, lectures from eminent speakers, our More Able Programme and options to work with artists, authors and scientists in residence. Our PSHE programme allows students to develop important personal, social and intellectual skills.

Homework is set in all subjects in line with school policy and student timetables.

Teaching and learning
The school provides students with high calibre and innovative lessons, as well as many learning experiences beyond the classroom. Subjects are taught in both mixed ability and set groups as students move up through the years. The focus is on developing independent learning skills and active learning. The school’s learning culture promotes positive relationships between students and teachers. We also challenge the students to think creatively and encourage them to demonstrate curiosity about the world around them.

Education after 16/ Sixth form curriculum
The vast majority of our Year 11 students choose to continue their education in our highly successful Sixth Form, and a significant number of external students also choose to join us at this stage of their education. The school offers nearly 30 AS and A Level courses, and many opportunities for developing leadership skills. The Sixth Form has an enviable record in ‘A’ Level examinations and the vast majority of students secure university places.

If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions

2. a child with a sibling attending the school at the time of application. Sibling is defined in these arrangements as a child who lives as brother or sister in the same house, including natural, adopted, step and foster brother and sister

3. a child of an East Barnet School member of staff, providing that the member has been employed for a minimum of two years at the time of application, or is recruited to fill a vacant post for which there is a demonstrable skill shortage. “Staff’s Child” is defined in these arrangements as a child who lives as the staff member’s son or daughter in the same house, including natural born, adopted, step and foster son or daughter

4. other children by distance from the school, with priority for admission given to children who live nearest to the school. Distances are measured in a straight line from the main gate of the school to the address point for the child’s home, as supplied by Ordnance Survey. The distance between these points is calculated using Barnet Council’s computerised geographical information system

5. random allocation will be used as a tie-break to decide who has highest priority for admission if the distance between the school and the home of two children is the same.

Facilities/Extra-curricular activities
The school is contained on a single site in a £30 million modern state-of-the-art building, boasting the very latest in technology, sports facilities, and independent study areas.

We have a discreet Sixth Form study area, a fabulous library with fantastic views of London, a unique Sixth Form Coffee Shop, large and fully equipped classrooms and amazing Project Faraday experiments, including a large “Wetland” feature for ecology studies.

It is fully compliant with the needs for disabled access. We have literally hundreds of extra-curricular clubs, activities and trips on offer!

This includes a wide range of sports, art, music, drama, dance, robotics, lectures from eminent speakers, working with artists, authors and scientist in residence, as well as homework and coursework clubs.

You and your child’s progress
All parents receive a termly report for their child, and are invited to attend an annual Parents’ Consultation Evening. A student’s progress can also be monitored by parents through the school’s e-portal.

5 in the case of secondary transfer, ‘time of application’ will be taken as the closing date for the application process.
Aims and expectations
Finchley Catholic High School recognises the unique nature of each young person and is dedicated to the fullest possible development of the spiritual, academic, physical, cultural and artistic potential of every pupil.

We have very high expectations of pupils, parents and staff. It is important that all those involved with the school are committed to its ethos and prepared to uphold its values.

Full School uniform is required for all pupils in Years 7-13. A separate dress code operates in the Sixth Form.

Attendance, discipline and pastoral arrangements
Student attendance is vital to success and is closely monitored by the pastoral teams. A significant proportion of our pupils achieve 100 per cent attendance and punctuality. As a school, our attendance level of over 95 per cent is one of the highest in the Local Authority.

Facilities/Extra-curricular activities

- The school is located on an attractive site, five minutes’ walk from the main road. It has a newly refurbished professional teaching block and a state-of-the-art 6th form hall. A state-of-the-art 6th form building was completed recently along with a newly refurbished professional standard food technology area. Offsite sports pitches and pavilions are located five minutes’ walk from the school.
- The school is committed to the provision of a wide range of activities to support the development of the whole person. music and drama are also very popular. A wide range of enrichment opportunities exist for students, from sports clubs, music and drama societies, debating and theatre trips.

Curriculum and homework
Students follow a common curriculum in KS3 during Years 7 and 8. They are taught in sets for English, Maths, and Languages from Year 7, in Science from Year 8 and in mixed ability forms for other subjects. KS4 commences at the beginning of Year 9 and GCSEs are studied over three years. A wide range of A levels and Level 3 BTECs are offered at post 16 level and Level 2 BTEC courses are also available.

A homework timetable is produced for all Year 7 – 11 students at the start of the year.

Teaching and learning
Teaching and Learning is our ‘core business’ and is at the very heart of what we do as a school. At FCCHS we accept as the underlying principle of our work that all pupils can achieve and make excellent progress in all areas of their development, irrespective of their attainment level. Effective teaching and learning is achieved through using a variety of teaching styles, planning lessons carefully and making good use of the available technology.

Education after 16/
Sixth form curriculum
Most students enter the Sixth Form on Level 3 courses. They choose three to four A level options from an extensive range. Some students opt for L3 BTECs and a small number of students will follow Level 2 BTEC courses.

A guide to Secondary Education in Barnet 2019
Aims and expectations
Friern Barnet School is a vibrant, culturally diverse, mixed comprehensive specialist arts school. In line with our school motto, ‘Enjoy and Excel’, we are hugely ambitious academically for all our students, ensuring that they secure the results to go on to excellent further and higher education institutions and then on to fulfilling careers.

But we also want them to live lives which are personally and socially fulfilling, developing a love for art, music, dance, theatre and culture which will enrich the whole of their lives. Our desire is that students leave us as mature, independent learners who are also engaged and responsible citizens.

We have high expectations of all our students, helping them develop self-esteem and respect for others. We care about all our students and we have high expectations of our students. Students must be smart and reflect a positive attitude to learning both in and on their way to and from school.

Education after 16/Sixth Form curriculum
Students at Friern Barnet School gain preferential places at Woodhouse College where they can study a wide range of post-16 courses including AS and A level. We also have strong links with other sixth forms and colleges across North London. Many of our students progress on to leading universities including Oxford and Cambridge.

Curriculum and homework
Students at Friern Barnet School experience a broad, balanced and innovative curriculum. Programmes of personalised learning ensure every student’s needs are met and their progress is outstanding.

Home Learning is an important aspect of students’ education and plays a significant part in raising achievement. This is set regularly in every subject and gives an opportunity for students to learn independently.

Teaching and learning
Learning is at the heart of our school and we are constantly seeking to make this experience engaging, enjoyable and enriching. High expectations, stimulating lessons and a wide range of extra-curricular opportunities ensure all students are challenged and develop their talents.

Facilities/Extra-curricular activities
Friern Barnet has an excellent and diverse range of extra-curricular arts provision and students of all abilities enjoy taking part. The school holds the Artsmark Gold Award and has won a number of recent, prestigious national awards. Students regularly produce high quality dance, drama and music performances and there is an annual art and design exhibition. Students perform in school and to wider audiences. Many students enjoy sport and participate in our extensive programme which includes athletics, badminton, trampolining, football, rugby, cricket, table-tennis and basketball.

In addition, we have an exciting extra-curricular programme which includes Media and Film Club, Science Club, English 7Up Club, ICT Club, Photography Club, Year 7 Writers’ Group, Chess and Debating Clubs to name but a few.

A great variety of day and residential trips take place throughout the year, including visits to art galleries, museums and the theatre and field trips in Geography and Science. We have regular trips to Europe and welcome international visitors to our school.

You and your child’s progress
We have careful monitoring procedures to ensure that every student achieves their potential and is happy at school. We believe that for successful education to take place there must be a strong partnership between school and home.

Within the first month of your child being at the school we hold a Year 7 Settling In Evening and at the end of the first half term, a celebration event for Year 7 students takes place, reflecting their learning during their first 6 weeks at the school.

We hold a target review day in the autumn term where parents can meet form tutors to discuss targets and we hold parents’ evenings throughout the year so that parents can meet with subject teachers to discuss progress.

There are many occasions to celebrate students’ achievements at our prize giving evenings and at the many performances and productions throughout the year.

About our school

Aims and expectations
Hasmonean High School combines the secular with the religious, within a framework of Torah Im Derech Eretz (respect for others, both within the school community and in the wider world). Academic rigour is combined with in-depth Torah study, incorporating values such as chessed (caring, kindness) and tzedokah (charity).

The ethos of Hasmonean High School is based unambiguously on the principles of Orthodox Judaism. At the core of these principles is the recognition that both the written and the oral Torah are Divine. The principles are enshrined in the Shulchan Aruch, the Code of Jewish Law and its commentaries which delineate the laws, customs and values of an Orthodox Jewish lifestyle.

It is the school’s aim to maximise the individual capabilities of its students to provide them with the knowledge and skills that will enable them, subsequently, to take their place in society whether in the worlds of Jewish learning, teaching or social service, or in the general academic, professional or business worlds.

If there are more applications than the number of places available, places will be offered according to the following order of priority:
1. Orthodox Jewish children who are ‘looked after’ or were previously ‘looked after’ as defined by the Admissions Code
2. Orthodox Jewish pupils with medical or social grounds for admission to this school in particular. Supporting evidence from a suitably qualified professional will be required
3. Orthodox Jewish pupils whose siblings are at the school at the time of admission
4. Orthodox Jewish pupils who are only or eldest children (due to the difficulty in our community for only or eldest children to receive a place at a Jewish school)
5. Orthodox Jewish pupils whose siblings are former pupils of the school (i.e. were previously on the school roll)
6. all other Orthodox Jewish pupils
7. ‘looked after’ children and previously ‘looked after’ children other than those who are Orthodox Jews
8. other children.

A. a child must observe and practise Orthodox Jewish traditions and practices as set out in Parts 1 & 2 of our Rabbi reference form.

B. a child must have a parent or guardian who observes Orthodox Jewish traditions and practices according to the criteria set out in Parts 1 & 2 of our Rabbi Reference Form.

Confirmation of the above will be required through completion of our Rabbi Reference Form.

In each category priority will be given to those living nearest the school by straight line measuring using the Local Authority’s measuring system.

Waiting list
The school will maintain a waiting list for the new Year 7. Children will be placed on the list in accordance with the above criteria. Children will move down the list if children with a higher priority are added. This waiting list will remain open until 31st December 2019.

Facilities/Extra-curricular activities
An extensive programme of enrichment is delivered within and outside the curriculum. An array of clubs run during lunch and after school, and there are numerous societies devoted to volunteering and charity work.

You and your child’s progress
Three times a year all students in key stages 3 and 4 are assessed by their teachers using a combination of in-class activities and tests. They are awarded a National Curriculum level or GCSE grade. In addition, targets are set in each subject based on past performance which challenge each at their own level.

Enrichment is part of the curriculum at Hasmonean in all year groups, especially in Year 9 where the students can choose to study courses such as Chinese Culture, First Aid and Photography. Homework is set on a regular basis, often as a project. The VLE is also used to test and monitor homework.

Teaching and learning
The central focus of teaching and learning at Hasmonean is to raise the achievement of our pupils.

Enrichment focuses towards continuous improvement and there are high expectations for both pupils and the teachers. The school is committed to Assessment for Learning whereby pupils are made aware of the level at which they are working and know what to do to reach the next stage. Teachers are expected to set clear expectations and model positive attitudes to learning to help pupils become independent learners who are committed to lifelong learning and able to cope with the demands of adult life.

Education after 16/ Sixth form curriculum
Students are given guidance in Year 11 to help them select their AS and A Level subjects. Further Sixth Form vocational courses are available.

Students at Hasmonean almost invariably go on to further academic study of both Jewish and secular learning. Aswell- rounded scholars, they are fully equipped for further learning and the world of work and to take their place in the Jewish and wider community as active and responsible citizens.

A 'looked after' child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This definition has been widened to include formerly ‘looked after’ children who have been adopted or made subject to a child arrangement or special guardianship order.
Aims and expectations
Believe, Achieve, Lead, Belong

At Hendon School students are part of a thriving learning community where everyone is valued. Working in partnership with parents and carers we aim to get the best out of every student. This is why we put learning and teaching at the heart of everything we do.

The strong curriculum extends beyond the classroom with students enjoying success in an impressive range of creative, sporting, technological and enterprise activities. Leadership flourishes and many students have been recognised nationally and internationally for their contributions to citizenship.

Hendon is a happy, vibrant and purposeful school. We foster an ethos of respect and mutual support and strive to ensure that our students gain the skills they need to follow their chosen pathways at university, in further education or employment. Our students leave school prepared for the challenges of adult life and ready to make a valuable difference to the society.

At Hendon School and transition from primary to secondary is well supported. We aim to nurture the whole child and ensure that students develop positive moral values which enable them to make valuable contributions to both school and in wider society. Students are expected to maintain a minimum 96% attendance, given the proven link between good attendance and attainment.

High standards of behaviour are expected and students joining the school agree to abide by our Code of Conduct, school rules and behaviour code. The Home School Agreement sets out the expectations and responsibilities of the school, the student, and their family. Excellent pastoral care and inclusion are of exceptional quality at Hendon School.

About our school

Aims and expectations
We aim to:

- The Henrietta Barnett School (HBS) is a warm, friendly and vibrant community that prides itself on happy and productive relationships. We are consistently one of the top state schools in the country and have an exemplary local and national reputation for academic excellence. Dame Henrietta Barnett strongly believed in the power of education to shape people’s lives and founded the School to provide educational opportunities of the highest quality for its students. She built the School on the principle that education should be open to girls from different backgrounds to study and learn together and from each other. This principle is alive and well at HBS.

- We provide a broad education that is ambitious, varied and stimulating. Academic excellence and a wide range of extra-curricular and enrichment opportunities are offered in an open, caring and supportive environment, enabling each individual to thrive and achieve her potential. We are committed to developing the whole person, encouraging students to explore their interests in a wide variety of ways and promoting curiosity of mind, independence of spirit and a love of learning.

- In a culture of respect for others but without the need for bells or lists of imposed rules, HBS students are driven by self-motivation, self-discipline and a common purpose, a thirst for learning and a strong sense of pride in belonging to the diverse, inclusive, high-performing, friendly and supportive school community. They leave HBS full of integrity and ambition, ready and equipped to make a positive contribution to society, with the world at their fingertips.

Admission is by academic selection through entrance test. Students are offered places solely on the results of the test. The Entrance Test Entry Form available from the school’s website must be completed in order to enter the test. See the school website for full details, dates and deadlines.

The Round One entrance test will be held in morning or afternoon sessions on Tuesday 4 September 2018. The first round of tests will consist of a verbal and numerical reasoning test set by a nationally recognised body.

The results of the Round One test will be standardised and placed in rank order. On the basis of this rank order, the top 300 candidates will be invited back to sit the second round of tests. The second round tests are in English and Mathematics and will take place at the School on one session in one day in October 2018. Candidates will only be able to take the Test once and will be tested on literacy and numeracy appropriate to Key Stage 2.

Following the second round test, the results will be combined with the results from the first round, standardised and placed in rank order before being submitted to the Local Authority who will offer the highest ranked applicants in accordance with parental preference. The results of both tests will be used to determine the final rankings.

Applicants whose Education, Health and Care Plan (EHCP) or Statement of Special Educational Needs names the School will be admitted. If the school is oversubscribed, priority for admission will be given to those candidates who meet the criteria set out below, in the following order:

1. a ‘looked after’ child under the provision of the Children Act 1989, or a child who was ‘previously looked after’ but immediately after being looked after became subject to an adoption, residence, or special guardianship order, providing that the candidate is capable of following The Henrietta Barnett School education. A candidate will be considered to have the necessary capability if she is ranked in the top 300 applicants in the tests.

Please provide written evidence if you are responsible for a looked after child. This evidence must be received by Tuesday 17 July 2018.

2. a maximum of 30 candidates who are eligible for Pupil Premium funding, providing that the candidate is capable of following The Henrietta Barnett School education. In this category, a candidate will be considered to have the necessary capability if she is ranked in the top 300 applicants in the tests. Candidates will be considered for a Pupil Premium place only if they provide written confirmation, directly from their current school, of their Pupil Premium eligibility. This evidence must be received by Tuesday 17 July 2018. Please note the School will not contact the current school directly for this information, this is for the candidate to provide.

3. all remaining candidates in rank score order.

Where candidates are equally ranked, geographical proximity to the School as measured by the London Borough of Barnet will be used to decide the final placings.

Waiting list
All candidates whose names were forwarded to the Local Authority but have not been offered a place at the school on National Offer day will automatically be put on the waiting list in rank order of their test score, but only if they have not already been offered a place at a higher ranked school. The waiting list remains open until the end of the first term of Year 7.

Should a vacancy occur during this time the next girl on the waiting list will be offered the place. The school holds lists for Years 8 – 11 and parents must inform the school, in writing, if they wish their daughter’s name to be entered on the appropriate list.

Facilities/Extra-curricular activities
We are located in the peaceful surroundings of Hampstead Garden Suburb. Our Science wing has been refurbished and in 2011 two new purpose-built buildings were opened, housing state-of-the-art Music, Art, Drama and Technology suites.

In 2015 our library was extended and refurbished and is now a favourite place in the heart of the school. The school grounds were re-landscaped and accommodate a large MUGA (Multi Use Games Area). HBS places great emphasis on the importance of extra-curricular activities and a wealth of weekly clubs and societies enable girls to extend their knowledge in favourite subject areas. They are complemented by a wide array of opportunities for girls to discover or develop their talents in the arts, music and sport.

You and your child’s progress
We regularly review targets set for pupils and communicate with parents regarding progress, through reports and consultation evenings.

Information on progress and attendance is also available on our secure online reporting system.

Curriculum and homework
Our broad and balanced curriculum exceeds the statutory requirements of the national curriculum and allows pupils to pursue their own interests. Pupils study up to twenty different subjects throughout Key Stages 3 and 4 encompassing aesthetic, creative, human, social, linguistic, literary, mathematical, moral, physical, scientific, spiritual and technological experiences. Students are responsible for the organisation of their own homework with all students being given homework guidance and diaries.

Education after 16/
Sixth form curriculum
Sixth Form students have greater independence and freedom within a firm structure of guidance and support. All our students follow a programme of four or five A Level. Students select from a wide variety of subjects and all study, Global Perspectives and curriculum enrichment.
Aims and expectations

JCoSS is the UK’s only pluralist cross-communal Jewish Secondary School, providing a high achieving, aspirational environment.

We are committed to the success of each child in all that they do and attain a high value to academic attainment as well as celebrating personal achievement across every field of endeavour. The JCoSS environment enriches our students with a wealth of opportunities both in and out of the classroom so that they are well grounded and well rounded, able to achieve their potential in every way. Our hope is that JCoSS students leave us enriched and inspired, and go on to enrich and inspire others with all they have gained during their time at JCoSS.

About our school

Attendance, discipline and pastoral arrangements

We have high expectations of behaviour, attendance and punctuality. Our behaviour code is clear, consistent and positive, rewarding good learning and behaviour as well as exceptional performance. A strong staff team comprising form tutors, Year Learning Co-ordinators and Heads of each Key Stage provide supportive pastoral care to ensure that every student reaches their potential.

Oversubscription criteria

Contact school for full criteria. If there are more applications than the number of places available, places will be offered using the following 4 categories:

1. first priority – Jewish children who demonstrate, or of whom at least one parent demonstrates, commitment to the Jewish faith or involvement in recognised Jewish faith activities.
2. second priority will be given to non-Jewish ‘looked after’ and previously ‘looked after’ children
3. third priority will be given to children who demonstrate, or of whom at least one parent demonstrates, commitment to a faith or involvement in recognised religious activities. This will be assessed by documentary evidence of the attendance by the child or by a parent/carer at a minimum of 4 religious services in the six months prior to the application
4. all other children who do not fulfil the criteria for any category above.

In the event of oversubscription within the above, the following criteria order will be used.

First Priority Children

a) Jewish children who are ‘looked after’, or who previously were ‘looked after’
b) Jewish children who have a sibling who attends the school at the date of admission or who was on-roll on the last day of the summer term of the academic year three years prior to application

c) a maximum of 10 places for Jewish children attending Akiva School

d) a maximum of 5 places for Jewish children attending Clare Shalom School

e) a maximum of 10 places for Jewish children attending Clare Tikva School

Second Priority Children

f) all other children who are ‘looked-after’ or who were previously ‘looked after’

Third Priority Children

g) ‘other-faith’ children who have a sibling attending the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application

h) all other ‘other-faith’ children

Remaining Places

i) all other children who have a sibling who attends the school at the date of admission or who was on roll on the last day of the summer term of the academic year prior to application

j) all other children.

Tie-break

(If in any category there are more applicants than there are available places remaining, offers will be made by random allocation which will be supervised by an independent scrutineer appointed by the School)

Curriculum and homework

At Key Stage 3 (Years 7-9), students follow the National Curriculum which comprises English, Maths, Science, Art, Computing, Geography, History, Languages (which include French, Latin, Spanish and Latin), Music, Technology, Religious Education, Physical Education and PSHE. This provision is enhanced with Drama and Jewish Education. Jewish Education is delivered through an exciting and thematic curriculum which has been uniquely developed for JCoSS.

A JCoSS student should expect to spend an hour per night on Home Learning in Year 7, rising towards three hours by the 6th Form.

Teaching and learning

Our exceptional teachers and subject leaders have a wealth of experience and create an environment that celebrates academic achievement and promotes success. Our teachers ensure that students receive an excellent education by taking the time to understand each student and tailor their teaching accordingly to their individual needs. This provides a stimulating, demanding and enjoyable learning experience. Our rigorous process of target setting, monitoring and analysis ensures that our students achieve – and exceed – their potential.

Education after 16/sixth form curriculum

Our 6th form, rated Outstanding by Ofsted, has a wide range of A Level and Vocational courses for students either moving up internally or arriving from other schools. We have unrivalled facilities available for the 6th form, including a dedicated state-of-the-art study room and 6th Form coffee shop. The majority of our Year 13 students leave JCoSS to attend their first choice Universities including Oxbridge and prestigious Russell Group Universities.

The admission limit is 210 with an additional 5 places in the Speech and Language Unit (CDSL). Admission to the CDSL is by relevant statement of educational needs.

If there are more applications than the number of places available, places will be offered according to the following

1. children who are ‘looked after’ and children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order under the provisions of the Children Act 1989
2. siblings at the Academy (siblings would include half, step, adaptive and foster siblings provided they also live at the same address as the applicant). It will also include siblings of former students provided they completed their education at the end of year 11 or in Sixth Form.
3. children attending our Academy Trust partner school, Deansbrook Junior School
4. students in the defined catchment area: in the case of oversubscription, geographical location will be used as a tie breaker. Distance will be measured in a straight line from the child’s home to the entrance of the Principal’s office with those living closest being given priority
5. students whose parent has been employed at the Academy for two or more years at the time of which the application is made and children of staff who have been employed to fill a post for which there is a demonstrable skill shortage
6. for students who live outside the defined catchment area, priority will be given to those who live nearest to the school. Distance will be measured in a straight line from the child’s home to the Principal’s office.

Facilities/Extra-curricular activities
Our facilities provide ample opportunity for activities at lunchtime and after lessons. Sports include football, rugby, badminton, table tennis, basketball, sailing, hockey, athletics, cricket, weight training, tennis, netball, dance and rounders.

The Academy enjoys a good deal of success in a wide range of inter-academy competitions. We also have a multi-gym and a climbing wall. Students can opt to play golf, go canoeing and sailing and go dry slope skiing.

Other clubs and activities include Dance, Homework Club, Sailing, Steel Pans, Youth Band and Self Defence.

You and your child’s progress
Regular consultations are organised between teachers and parents to discuss individual student progress and to set achievable but demanding targets.

Curriculum and homework
We offer a broad and balanced curriculum from Year 7 to 13 that enables students to achieve their full potential. Homework is an essential part of a student’s academic development and is set regularly from Year 7.

Education after 16/
Sixth form curriculum
At post-16 we recognise that students have different desires or designs. Some have clear ideas on careers they wish to follow at 17 or 18 whilst others have plans to move onto Higher Education.

In order to meet these different demands we offer different pathways which lead to Advanced Levels, Applied ‘A’ Levels or vocational qualifications. All students are expected to take advantage of the optional enrichment courses available.

A core aim of the school is to create good relationships between all who work and learn here. We aim to let the pupils know that they are cared for as people, both inside and outside the classroom.

Through good models of adult behaviour, consistent approaches in dealing with students and constant encouragement to develop self-esteem, we aim to engender self-discipline and autonomous adherence to high standards by all. The Head Teacher and school staff implement behaviour and discipline practices which are made explicit to students through assemblies, tutorial programmes and parents’ involvement.

The implementation of these practices involves both rewards and sanctions. Rewards and sanctions are implemented consistently, recognising that one must have regard to the individual situation and the individual pupil. Regular attendance and punctuality are taken seriously with regular monitoring and follow up.

**Admissions**

The following criteria are applied when considering an application for admission.

**Oversubscription criteria**

Where applications for admission of children exceed the number of places available, girls will be prioritised on the basis of the following criteria in the order set out below:

1. Charedi Jewish girls who are ‘looked after’ or were previously ‘looked after’. A ‘looked after’ child is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. Previously ‘looked after’ children are children who were ‘looked after’, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).

2. Charedi Jewish girls with medical or social grounds for admission to this school in particular. Supporting evidence from a suitably qualified professional will be required at the time of application.

3. Charedi Jewish girls with sisters attending the School at the time of application. A sister must live permanently at the same address as the child for whom the application is being made. This includes half-sisters, stepsisters, adopted sisters and foster sisters who live permanently as a family unit at the same address.

4. other Charedi Jewish girls

5. other girls who are ‘looked after’ children or previously ‘looked after’ children in accordance with the definition at 1

6. all other girls.

**Facilities/Extra-curricular activities**

We incorporate a wide range of enrichment, both within and outside the curriculum. Our pupils are involved in voluntary and charity work within the local community.

**You and your child’s progress**

Pupils are set aspirational progress targets based on their effort and achievement which are monitored effectively. There is an efficient system of intervention for pupils who are not reaching their expected targets. We integrate a wide range of learning opportunities to further challenge our most able pupils. We report regularly to parents through parents’ evenings and written reports.

**Curriculum and homework**

Menorah High School exists to serve girls of the fully Orthodox Jewish Community. In consequence the curriculum is designed to equip them to function, to succeed, as fully observant Jewish citizens of this country.

The curriculum is divided into two parts. The Limmudei Kodesh (Jewish Studies) programme which comprises the study of traditional Jewish texts, underpinned and supported by Jewish ethics and Jewish practice.

Our secular curriculum includes all National Curriculum subjects delivered to a high level by our skilled and dedicated teaching staff. Regular homework is set and assessed and is used to monitor progress and inform further teaching.

**Teaching and learning**

We have high expectations of the effort that pupils should make and what they can achieve. We aim for well-paced teaching, using stimulating activities matched to a range of learning styles. We systematically develop pupils’ skills so that their learning becomes increasingly independent. We aim to create an environment that promotes learning in a settled and purposeful atmosphere.

**Education after 16/ Sixth form curriculum**

The sixth form offers a challenging range of A-Level subjects and a BTEC in Art and Design, together with a high-level Kodesh programme.

Some pupils with SEND are offered personalised vocational opportunities such as NVQ qualifications and work experience.
Aims and expectations
The school aims to provide children with a safe, stimulating and challenging environment in which to develop their talents and abilities and to learn to care for others and for their environment. Students are expected to try to learn, to try to help others to learn and to try to be a pleasure to teach and to know. While all members of the school community, adult and child, are expected to treat each other with respect, there is an explicit expectation that students will be respectful to their elders, be they teachers, other staff, contractors, visitors or members of the general public, both in school and out.

Supplementary Information Form
A Supplementary Information Form (SIF) is required and is completed online.

Uniform
Students are required to wear our distinctive uniform in the traditional manner, for example, collars buttoned, ties in place and shirt tails tucked in.

Attendance, discipline and pastoral arrangements
The school believes that every child matters, irrespective of their circumstances and that therefore, every child will be provided with a full range of support in order to help them to be a successful learner. However, every child is also required to take full responsibility for their behaviour and to show consideration towards the learning and well-being of others.

Facilities/Extra-curricular activities
Though we are very short of space, we are well-off for equipment including IT facilities. We have our own attractive playing fields, with beautiful views over the Hertfordshire hills. Music is quite exceptional, as is our programme of educational visits. There is first class drama, dance and we excel in both team and individual sports.

Curriculum and homework
Homework is a vital part of every student’s educational experience at MHCHS. It offers girls and boys the opportunity to develop skills which they need to become independent and successful learners; it can consolidate the learning which takes place during the school day and it helps to improve students’ personal organisation and study skills.

You and your child’s progress
Parents of Year 7 students are invited to meet their children’s tutors in early October and a full Parents’ Evening takes place in February. There are regular progress checks and parents are informed of any concerns and encouraged to communicate concerns of their own.

Teaching and learning
We seek ever-improved ways of removing barriers to children’s learning and of finding teaching methods which are suited to each individual child’s needs.

Education after 16/
Sixth form curriculum
Year 11 students are offered places providing they have previously displayed a positive attitude to study and a determination to succeed. We offer a wide ranging curriculum, which includes an extensive extra-curricular programme.
A guide to Secondary Education in Barnet 2019

Effective learning and participation, and is expected as a norm fairly. Regular attendance is a pre-requisite for high standards which are expected. If a pupil’s conduct falls short of these, sanctions are applied consistently in accordance with the published admissions criteria.

Regular homework supports and augments the work done in school. In the event of two or more applicants scoring the same mark, the rank order for allocation of places will be determined by the distance measured in a straight line between the address point for the applicant’s home, supplied by Ordnance Survey, and the main school gate, with the closest given the highest rank.

Waiting list

Places which become available will be offered to those on our waiting list in accordance with the published admissions criteria.

Waiting lists will remain open until 31st December 2019.

Facilities/Extra-curricular activities

The school is housed on a 23 acre site adjoining the green belt, making a pleasant educational setting. The facilities are continually upgraded, with the most recent additions being an eight lane indoor swimming pool, a large multi-purpose hall, a new library, an independent learning centre for Sixth Form pupils and a new dining hall.

There is a vast range of extracurricular activities available through the house system, subject-based clubs and societies and competitions on a local, national and international scale. It is expected that there will be something of interest for all, and every boy is encouraged strongly to participate.

You and your child’s progress

We recognise that education is a partnership between home and school, and that full involvement of parents and harmony of expectations are vital to a boy’s success. Regular briefing evenings are held and parents are kept updated on the progress of their sons frequently. Communication is encouraged through the use of diaries and organisers which we ask parents to monitor on a weekly basis.

Curriculum and homework

Throughout the school all boys receive a broad and balanced curriculum, supplemented by a vast range of additional activities upon which equal importance is placed. In all aspects they are encouraged to the highest levels of effort and commitment, and are acknowledged, praised and rewarded for their achievements. Regular homework supports and augments the work done in school, allowing boys the opportunity to enhance qualities of independent learning.

Teaching and learning

On admission to the school, most lessons are taught to boys in their tutor groups (apart from subjects in which safety or effectiveness of delivery demands a smaller group size). This gives an opportunity for a common basis of knowledge to be established whilst friendships are being formed. Thereafter boys are placed in sets in each subject according to academic ability so that teaching can be targeted and learning enhanced.

Education after 16/ Sixth form curriculum

The very large majority of pupils stay on into the Sixth Form where typically they start four AS level courses. In addition to the full range of subjects available at KS4 there are courses in Sociology, Economics and Business, Further Mathematics and Politics. Pupils also take an enrichment course from a range including Critical Thinking, Extended Project Qualification, Financial Services and Sports Leader Award.

Aims and expectations
The central aim of the school is to encourage the development of each girl’s inner resources, so that she acquires wisdom and integrity to make positive choices in a rapidly changing world. Most importantly, girls to leave our school as well-qualified, confident, caring and happy members of their community, equipped to be capable of supporting themselves financially, contributing economically and socially to wider communities.

We strongly believe that all students are individual and that all should pursue excellence and develop their talents in academic, creative, physical and social skills. We provide an environment in which learning can flourish and be enjoyed not just as a means to good academic results but as an interest for life, motivated by the school’s commitment to provide the girls with access to a full range of study and enrichment experiences.

Attendance, discipline and pastoral arrangements
The school has high expectations of behaviour in and out of lessons and promotes full attendance. Pupils are in tutor groups of approximately 26 or 27.

About our school

Curriculum and homework
The school offers a broad and balanced curriculum based on the National Curriculum. Home learning is an integral part of the curriculum and will take a range of different forms, often using ICT and the Managed Learning Environment. There is a full range of GCSE and vocational subjects at Key Stage 4 and we review the offer in line with curriculum changes and demand each year.

Teaching and learning
High standards of teaching and learning are our highest priority with the aim of developing successful, independent learners. We seek to ensure that lessons are engaging, challenging and stimulating.

Assessment for Learning supports pupils in knowing how to develop their learning, to make good progress and to achieve their very best.

Education after 16
Sixth form curriculum
The school Sixth Form is popular and oversubscribed. A wide range of A level courses are offered and some places are available to external applicants. More detail is available on the website.

Oversubscription criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. a ‘looked after child’ or a child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989)

2. children who, at the time of application, have a sibling living at the same address in years 7–11 of the school, or who is in years 12–13 if they previously attended in years 7–11 for at least one year. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant

3. children who are living with a parent who has been employed by Queen Elizabeth’s Girls’ School for a period of at least two years at the application deadline, or who were recruited to fill a vacant post for which there was a demonstrated skill shortage, will be allocated places under this category by reference to the proximity of the child’s home address (as defined by this policy) to the School, with those living nearer receiving higher priority

4. remaining places are offered on a geographical basis measuring distance in a straight line from the school. Distances are measured between the child’s home and the main school gate. The distance between these points is calculated using a computerised geographical information system.
Aims and expectations
St Andrew the Apostle school opened in September 2013 with Year 7 and now has five year groups. The school was Judged Outstanding at its first Ofsted inspection in June 2015. Our inspection recognised the very high academic standards and expectations at St Andrew’s; as well as our students’ impressive behaviour and attitudes. Progress made by our students, of all abilities, is exceptionally high. St Andrew is based on the Christian faith and moral principles of the Greek Orthodox Church and welcomes students of all faiths and beliefs. The school is part of the high performing Russell Education Trust group of schools.

We:
- deliver a broad curriculum that promotes academic excellence and exceptional progress across the ability range
- foster a spirit of kindness, tolerance and responsibility which allows each student to grow in character as an individual and as a community member
- help students to achieve in sport, music and the arts
- encourage students to progress to higher education
- aim to promote, in particular, the study of maths, sciences, the classical subjects and languages at university.

Uniform
The school has a strict uniform policy which students are expected to follow at all times. The uniform must be worn on the way to and from school. Our uniform supplier is Stevensons who provide fitting days on site. Full details can be found on the website.

Attendance, discipline and pastoral arrangements
The school’s pastoral system is based on the Christian ethos of the school. This provides a robust and secure approach to developing students’ achievements as well as an holistic approach to the development of character. The school’s tutorial programme enables students to develop study skills, social responsibility and an awareness of their place in the community, both within school, in church and beyond. St Andrew’s students embrace the opportunities they are given to accept responsibility for many aspects of school life.

If there are more applications than the number of places available, places will be offered according to the following order of priority with Where the number of applications for admission is greater than the places available and after the agreed admission of any children with an Education, Health and Care Plan, the following oversubscription criteria will be applied in the order below:

1. children who are looked after or have been looked after by a local authority in accordance with Section 22 of the Children Act 1989
2. children for whom it is essential to be admitted to this school because of special circumstances to do with significant medical or social needs evidenced by written professional advice from a doctor, social worker or other health professional, explaining why these needs can realistically only be met by St Andrew the Apostle
3. children who, on the date of admission, will have a sibling on the roll of the school. Sibling means a full, step, half, adopted or fostered brother or sister, but not cousin, who will be living permanently with them at the same address at the date of their entry to the school; the school may require proof of relationship.
4. this is a designated Greek Orthodox School and if oversubscribed, up to 50% of the places available after the application of 1, 2 and 3 above, will be based on a ‘faith’ criterion
5. if fewer than the designated number places are taken up by those satisfying the Greek Orthodox faith criterion, remaining places will be first offered to those meeting the Wider Faith Criterion in order of distance
6. the places remaining after the ‘faith’ places have been allocated will be offered to any other applicants in order of distance from the school.

Faith Criterion
A supplementary information form will be completed by applicants under this criterion and will be certified by their priest confirming baptism certificate and regular attendance at a Greek Orthodox Church.

Wider Faith Criterion
The faith criterion is based on monthly Church attendance at a Church which is recognised by Churches Together in England. A supplementary information form is available for applications under this criterion

Facilities/Extra-curricular activities
We are located on the North London Business Park in a modern building which provides bright, well-equipped classrooms, specialist science laboratories and excellent IT facilities. Anewly built school on the same site will be the school’s permanent home. A wide range of after-school enrichment activities is provided, particularly focused on sports and music, but also including curriculum linked activities such as Art, Science, Computing, Dance and Drama. We provide the opportunity for all students to learn and practise a musical instrument. We encourage all students to view these clubs as an important part of the school day.

You and your child’s progress
We support all students to achieve their potential both academically and as creative, caring and responsible future adults. Our curriculum is broad and balanced and meets the needs of the full range of our students, developing them intellectually, socially, culturally, spiritually and morally.

There is a clear focus in every subject throughout the school on setting challenging academic targets. We work in partnership with parents to support every student in making exceptional progress.

About our school

Aims and expectations
St Mary’s and St John’s CE is an all-through Church of England School. We are proud to be a part of a diverse community where pupils have lots of opportunity to develop their own understanding of the Christian faith as well as developing their understanding about different beliefs and cultures.

Our aim at SMSJ is for all pupils to achieve academically, socially, emotionally and spiritually. Our academic curriculum provides depth and breadth with an emphasis on thinking skills and philosophy, as well as performing arts and business and enterprise.

We want our pupils to reach their academic potential by becoming creative, curious independent thinkers and responsible citizens fully prepared for the demands of 21st century life. Our extensive enrichment programme will ensure personal development and creativity. The school’s specialism in Performing Arts and Business and Enterprise will contribute to learning both in the timetable and outside lessons. Homework and independent study will be vital to students’ progress; students will record and track homework in a planner which is checked by tutors and parents weekly.

Teaching and learning
Students at SMSJ will receive personalised, high quality teaching which will nurture their talent, inspire their curiosity and enable their achievement and excellence. Learning for students with Special Educational Needs, English as an additional language and the Gifted and Talented will be supported by carefully tailored provision in and beyond the classroom.

Education after 16/
Sixth form curriculum
SMSJ will open its sixth form in 2019 and will offer a level courses across a range of academic subjects, including the performing arts and business. There will be a strong emphasis on an independent study and personal development, employability skills and enrichment as students make the transition to adulthood, university and the world of work.

Uniform
Details of the School uniform can be found on our website and in our prospectus information. Our pupils wear our uniform with pride both in school and on their way to and from school.

Attendance, discipline and pastoral arrangements
High standards of discipline, conduct, attendance and punctuality are essential to success at SMSJ. Our pastoral team provides support and intervention for pupils to develop excellent learning behaviours. In addition, pupils have a Pastoral and Academic Mentor (PAM) who monitors and supports their development. Our House system provides a sense of community and healthy competition.

Oversubscription criteria
We operate a banding process. Every pupil is required to take the banding assessment tests, even if they are already on roll at St Mary’s and St John’s School. 25% of applicants are placed in each of the four ability bands, depending on where each pupil is placed in relation to the overall ability of those applying for places in that year. The purpose of these tests is to place pupils in the right ability band. The test result does not determine who is offered or refused a place.

There are 65 places available for each band. If an applicant does not attend the banding test so that they can be placed in the correct band they will not be considered for a place until all those who did attend the banding assessment have been offered a place or until the end of the summer term 2018. Pupils in Year 6 at St Mary’s and St John’s School at the time of secondary applications are already on roll and so they are guaranteed a place in Year 7 should they wish to remain at the school.

In the event that there are more applicants than places available all remaining places will be determined on the basis of the following oversubscription criteria which will be applied in each band in this order:

1. pupils who are Looked After or Previously Looked After
2. up to 18 Performing Arts Scholars
3. children with a ‘sibling’ on roll in years Reception to year 12 at SMSJ when they apply.
4. children of staff
5. 50% of the remaining places are designated as ‘Open Places’
6. the other 50% of the remaining places designated as ‘Foundation Places’.

Performing Arts Scholars:
Up to 18 Performing Arts Scholarships are offered each year to pupils who can demonstrate a specific aptitude for instrumental or choral music, dance or drama. Performing Arts Scholars will be expected to take a lead in whole school and year group productions and concerts. Pupils who are already on roll at St Mary’s and St John’s School are welcome to apply to become Performing Arts Scholars.

All applicants who wish to be considered will be invited to take an aptitude test.

Open Places:
Places in each band are allocated on the basis of the proximity of the applicant’s Permanent Residence to the school’s main gate at Bennett House, with priority being given to those living closest.

Foundation Places:
In allocating the Foundation places, we will give priority in each band to:

1. Children who are committed members of an Anglican Church;
2. Children who are committed members of Churches or Chapels of other Christian denominations defined as those identified with “Churches Together in Britain and Ireland” or who are a member of the Evangelical Alliance.

Distance calculations
Distance will be used as a ‘tie-breaker’ if two or more applicants are equally qualified for a place within any of the above criteria. Distance is measured in a straight line between the address point for the child’s home to the school’s main gate at Bennett House, using Barnet Council’s computerised geographical information system.

Facilities/Extra curricular activities
SMSJ Secondary Phase is currently based over two campuses, Bennett House, which is where our Years 5 to 8 are based and Stamford Raffles, where our Years 9-11 are based.

You and your child’s progress
The partnership between school and parents is crucial for pupils to be able to achieve. Our home-school agreement is the starting point and is supported by home-school liaison about progress, development, reporting, as well as parents’ consultation evenings, academic review days and parent information sessions.

Curriculum and homework
Students will develop excellent knowledge and skills in the core and EBacc subjects and all pupils will study Religious Studies. Drama, Dance, Music, Art, DT, ICT, PE and Enterprise will ensure personal development and creativity. The school’s specialism in Performing Arts and Business and Enterprise will contribute to learning both in the timetable and outside lessons. Homework and independent study will be vital to students’ progress; students will record and track homework in a planner which is checked by tutors and parents weekly.
About our school

Aims and expectations
The prime aim of the school is the formation of responsible and committed Catholic citizens. It seeks to encourage the highest standards in academic achievement, social responsibility and personal development in a specifically Catholic environment.

Uniform
The school has a distinctive purple uniform, which is the colour of the St Michael's lily. St Michael's has a strict uniform policy including skirts (knee-length or lower), the school black coat is to be worn on specific term times noted on the school calendar.

Attendance, discipline and pastoral arrangements
‘Outstanding care, guidance and support contribute to students’ excellent personal development. Transition, both into school and higher education, is well planned and students settle quickly and confidently’ OFSTED 2008.

Facilities/extra-curricular activities
There are chairs, orchestras and other ensembles as well as drama and other group activities. Societies of various kinds flourish each year according to the varied interests of the girls. The Sports Leadership and the Duke of Edinburgh Award scheme are available.

Curriculum and homework
There is fast academic pace. Opportunities for students’ spiritual, moral, social and cultural development are extensive. As a Christian school, the development of spirituality is a high priority and a strength of the school. A well-organised religious education programme is very effective in helping young people to understand the role of faith in a diverse world.

As a result, students learn to work with and value others, develop tolerance and understand the needs of others. Students undertake numerous responsibilities around the school and are excellent role models for each other. Through their fundraising efforts, significant sums of money are raised for charities.

Parents are very positive about the work of the school. Many wrote about the strengths of the school summed up by one parent’s comment, ‘My daughter has blossomed at this school in academic ability, character and confidence.’

Education after 16/
Sixth form curriculum
The Sixth Form is both very popular and highly academic; significant numbers of students join Year 12 from other schools, including boys. Large numbers go on to Russell Group Universities, Medicine and to Oxbridge - and all are encouraged to follow their aspirations for a fulfilling future which makes society a better place.

About our school

Aims and expectations

The Saracens High School will be a fully inclusive, mixed 11-18 school, with plans to open with the first cohort of Year 7s in September 2018. This opening date is subject to the school entering into a Funding Agreement with the Secretary of State.

The Saracens High School will be underpinned by the following features:

- An ethos based on discipline, hard work, honesty and humility.
- Students and staff will be nurtured as team players where leaders can emerge.
- Teaching styles will reflect an unquestionable commitment to success for all.
- We will teach and coach our learners, embracing key learning skills. These will include leadership, decision-making, self-control, communication, literacy, social etiquette and strategic thinking.
- Educational success where ambitions are awakened through a values-based curriculum designed both to develop character and promote academic excellence;
- A strong focus on science and mathematics;
- An academically high-performing school that also excels in sport;
- Impeccable behaviour with rewards for good citizenship and consistently high standards of behaviour.

Uniform

The uniform will be traditional for pupils in Years 7-11, based on the Saracens colours. Students are expected to take pride in their uniform and dress smartly for school each day.

Attendance, discipline and pastoral arrangements

Our focus will be to ensure that every student maintains a high level of attendance, that is key to a successful school career. We will work with parents to ensure that their child is in school, ready to learn.

The school will be a place of calm reflection and self-control that supports learning. Discipline will be fair, firm and consistently enforced. We will ensure that the school is a safe haven where students can build on our values based education.

Curriculum and homework

The curriculum is being designed, created around a values-based education, ensuring not just academic success, but a more holistic approach. It will deliver a strong education, leading to GCSE’s and A Levels. Homework will be an important element, developing independent learning skills and a chance to consolidate the learning done in school.

Teaching and learning

We will accommodate the needs of all students in the school, providing a personalised education for each student using proven and effective teaching methods. We will teach and coach our learners using learning programmes (our curriculum) and training sessions (our dynamic lessons).

Education after 16/ Sixth form curriculum

The Sixth Form will be open in 2023 when the first cohort of Year 7’s have completed their GCSEs.

About our school

Oversubscription criteria

(summary) contact school for full criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order

2. priority will next be given to children based on their exceptional medical or social needs. Each application must include evidence, from a medical specialist or social worker of the child’s need and why they must attend this school rather than any other, based on those needs. If evidence is not submitted to the local authority with the application, a child’s medical or social needs cannot be considered.

3. priority will next be given to the siblings of pupils attending the school at the time the application is received (where an older sibling in year 13, siblings will not be prioritised under this criterion)

4. priority will next be given to the children of staff who have been recruited to fill a skill-shortage area

5. other children.

Tie-break

If in categories 2-5 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured from the child’s home to the GPS point for the school (Latitude 51.600963 / Longitude -0.247048).

Random allocation undertaken by the local authority will be used as a tie-break in categories 2-5 above to decide who has the highest priority for admission if the distance between a child’s home and the academy is equidistant in any two or more cases.

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all and exceed our PAN.

Facilities

The school will be opening in temporary accommodation in Lanacre Avenue, NW9 in September 2018 whilst the brand new, fully equipped building is prepared at Trinity Square, NW9. It is anticipated that we will move into the new building during the academic year 2019-20. The temporary accommodation will have every facility to allow us to deliver the same high standard of education that will be available in the permanent site.

Extra-curricular activities

Additional learning for all pupils is key to developing potential and talent. An extensive range of activities will be offered in sports, arts and technology. Student engagement in these enrichment activities will be compulsory.

You and your child’s progress

Each student will have a coach who will support them throughout the time at the Saracens High School. They will build relationships with the student and their family to ensure each individual student reaches their potential. You will receive reports across each academic year informing you of progress and how the student can challenge and extend their attainment both academically and in extra-curricular activities. There will also be opportunities for you to meet in school at parents’ evenings.

Oversubscription criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. ‘looked after’ children and children who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’. A child looked after is a child in the care of a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. An adopted child is defined by section 46 of the Adoption and Children Act 2002. A child arrangements order is defined by section 8 of the Children Act 1989. Aspecial guardianship order is defined by section 144 of the Children Act 1989

2. children who, at the time of admission, have a sibling living at the same address who is a pupil in years 7 - 11 of the school. Siblings would include half, step, adoptive and foster siblings provided they also live at the same address as the applicant

3. remaining places are offered on a geographical basis, with priority given to those who live closest to the school when measuring distance in a straight line. Distance is measured between the address point for the child’s home, supplied by Ordnance Survey to the school’s main gate using the Council’s computerised geographical information system.

Attendance, discipline and pastoral arrangements
Students are placed in tutor groups which are overseen by a Director of Learning. It is expected that (as far as possible) the tutor and DoL move up through the school with their tutor/year group.

Curriculum and homework
In KS3 pupils follow a wide and varied curriculum that includes all National Curriculum subjects. Homework is set on a weekly basis in all subjects.

Teaching and learning
Classes in Year 7 are of mixed ability and setting is introduced in some subjects from the start of Year 8. Teaching and Learning also focuses on the skills that are required to be resourceful, resilient and independent learners and our students take an active role in discussing what will make them more effective learners. We aim to maximise the learning achievements of all groups of students.

You and your child’s progress
We will provide:
- termly reports
- target setting
- parental meetings
- academic mentoring.

About our school

Aims and expectations
Whitefield School is a vibrant, inclusive comprehensive school serving the local community of North West London. We have high expectations for every student and we are immensely proud of all that they achieve academically, in The Arts and creative, in sports and in becoming good citizens. Ofsted recently graded us ‘outstanding’ for personal development, behaviour and welfare. Whitefield’s ethos of ‘Live, Learn, Aspire and Achieve’ permeates the work of the school. Students, irrespective of background, are welcomed warmly and supported to make good progress from their diverse starting points.

Our aim is for students to:
- live a happy, productive and successful life during their time with us
- live through the provision of the best possible teaching, support and learning resources
- aspire to fulfil their potential and to realise their goals
- achieve to the very best of their ability throughout their time at the school.

Our students get on exceptionally well. The importance of consistently high attendance and excellent behaviour are communicated to students from the moment they begin in Year 7. Our excellent pastoral system has a clear focus on building resilience and promoting wellbeing. We have a dedicated Student Services team which provides support for students at every stage of their education. Each student has a form tutor, a co-tutor, a dedicated Year Team Leader and access to counselling and other specialist services. Behaviour and our student’s attitude to learning is ‘outstanding’ (Ofsted 2017). Our students offer warmth, guidance and care to all new arrivals.

We run an excellent transition programme in close collaboration with our partner primary schools, ensuring students have many opportunities to get to know us before their first day. This transition process continues throughout Year 7.

All this in a safe and supportive environment where the development of positive relationships is key.

About our school

We are growing each year and now have Reception, Year 1 and Year 2 pupils and in September 2018 we will have our first cohort of Year 3 pupils. Wren is an All Through school with excellent examination results and two outstanding Ofsted reports.

Aims and expectations
Our aims are to:

- be an active, celebratory and successful Christian community serving our local area and beyond
- be an outstanding school, maximising the academic achievement of all the young people who attend
- be an educational community where everything we do is of the highest standard we can achieve
- enable young people to succeed in whatever forms of activity they possess talent or interest, be these academic, musical, sporting or artistic

These aims are achieved through an innovative approach to curriculum planning which includes single year groups of no more than 24 students. High standards of discipline and attendance are core elements of the Academy’s ethos.

The vertical tutoring system promotes a family environment and is responsible for the strong sense of community throughout the school and between year groups.

Facilities/Extra-curricular activities
Located in brand new buildings completed in 2012, Wren Academy benefits from an outstanding range of learning facilities. All students have two hours of enrichment activity timetabled every week from a wide and exciting menu. Every student has three hours of enrichment activity timetabled every week from a wide and exciting menu.

Oversubscription criteria (summary) contact school for full criteria
If there are more applications than the number of places available, places will be offered according to the following order of priority:

1. ‘looked after’ children (LAC) and previously ‘looked after’ children. Previously ‘looked after’ children are those who were ‘looked after’ in the care of a local authority, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. young people whom the Governors and Principal accept have an exceptional medical, social or educational need for a place at Wren Academy. Applications will only be considered under this category if they are supported by a written statement from a medical consultant, senior social worker or other appropriate professional. In each case there must be a clear connection between the child’s need and Wren Academy, and an explanation of the difficulties which would be caused if the child were to attend another school.
3. children who have a sibling attending Wren Academy in Years Reception-12 at the time of application
4. children of staff members at the academy who are on a permanent contract of employment and have been so for a period of two or more years at the time at which the application for admission to the school is made.
5. community Places will be allocated to all applicants regardless of the faith background of the family. Places will be allocated on the basis of the applicant’s home address from the Academy. This will be based on the measured distance in a straight line from the applicant’s home address to the Academy gate on Hilton Avenue. This is calculated by the London Borough of Barnet’s computerised system
6. foundation Places will be allocated on the basis of 60% of those available to children attending Church of England churches and 40% to those attending a church of another Christian denomination in fellowship with the Church of England. In each category preference will be given to those living nearest the academy based on the measured distance in a straight line from the student’s home address to the Academy gate on Hilton Avenue (calculated as above). Should a decision need to be made where more than one child lives the same distance from home to the Academy, this will be done using random allocation.

Waiting list
In addition to their right of appeal, unsuccessful applicants will be placed on the waiting list. Any places that become available will be offered to those on the waiting list in line with the oversubscription criteria set out above.

Additional information

In-Year admissions

If you wish to apply for a place at a Barnet secondary school during the school year because you have just moved into the area, or your child wishes to transfer from one secondary school to another, please visit our website for further information and the link to the In-Year admission application form: www.barnet.gov.uk/schooladmissions

If you are applying for a school outside Barnet, please contact the local authority where the school is situated for information about their application procedure.

Waiting Lists

Waiting lists for Barnet secondary schools are closed at the end of each academic year. If you want your child to remain on waiting lists for the 2019/20 academic year you will need to submit a new In-Year application.

Fair access protocol

Barnet Council has an In-Year Fair Access Protocol to ensure that children without a school place, especially the most vulnerable, are offered a place at a suitable school as quickly as possible.

This includes children with challenging behaviour who are refused a place by a school which has places available. Schools are allocated on a ‘fair share’ basis so that no particular school takes a disproportionate number of children under the protocol. Children may be placed in a school that is already full and ahead of other children on the waiting lists.

Admission outside the normal age group

The Council believes that children should be educated within their correct chronological year group, with the curriculum differentiated as necessary to meet the needs of individual children, and that they should only be placed outside their normal age group in very limited circumstances.

There are a number of potential risks a child could face if placed outside the correct year, which include having to request admission out of the normal age group again when they transfer to a secondary school. A child may also exercise their right to leave school before they have the opportunity to take public examinations.

The decision whether to place a child out of their normal age group will be made by the admission authority for the school and will be based on the circumstances of the individual case and the best interests of the child.

This will include taking account of the parent’s views, information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

To apply for an out-of-year place, you should complete an application for the correct year group in the normal way and then submit a request for out-of-year group admission. You will need to give the reasons for your request and provide supporting evidence that demonstrates why it would be in the child’s best interests to be educated out-of-year.
Sixth form admissions
Most secondary schools in Barnet have a sixth form (the exceptions are Ark Pioneer Academy, Friern Barnet School and Saracens High School).

Admission to the sixth form is not automatic and students will need to have attained the academic requirements for the proposed course of study. Further information about sixth form admission arrangements is available directly from the schools.

Raising the Participation Age
All young people in England are now expected to continue learning until the end of the academic year in which they turn 18, or earlier if they achieve a level 3 qualification beforehand. This means that parents will need to plan for their child’s education and/or training up to the age of 18. Upon leaving year 11 there will be a lot of choice about next steps, including choosing full time or part-time education/training up to age 18.

Current options include:
- an apprenticeship or traineeship
- full-time education or training in a school sixth form, a college or a training provider
- full or part-time employment/self-employment with training
- re-engagement provision for those who have been absent from learning before they were 16 or who leave school without a place in education, employment or training
- volunteering (including caring) or an internship.

Further information and guidance can be obtained from your child’s current school.

14-19 Admissions - University Technical Colleges (UTCs) or Studio Schools
Most children aged 14 years will continue with their education at the secondary school they are already attending. Although this will be the best option for the vast majority of children this age, there other options available.

Schools which admit pupils at the beginning of Year 10 are called University Technology Colleges (UTCs) or Studio Schools. These schools offer a range of educational programmes which can lead to useful qualifications and progression to further learning, apprenticeship or employment.

There are currently no UTCs or Studio Schools in Barnet, so parents who choose to apply for a place at these schools will need to consider the travelling distance and journey involved.

University Technology Colleges (UTCs)
UTCs are set up by universities and business and specialise in one or two technical subjects. In years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject. You can find out more at www.utcolleges.org

Studio schools
Studio schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employment, involving personal coaching and work experience.

They have a similar curriculum to a typical secondary school. You can find out more at www.studioschoolstrust.org

A list of all UTCs and Studio Schools in the London and surrounding areas which admit pupils into Year 10 can be found below. The application process is set out on the website for each school.

Students aged 16 and over in school Years 12 – 13 or colleges

Students over 16 years and whose families are on low incomes, may be entitled to a bursary from the 16 – 19 Bursary Fund to help them continue in full time education. Further information about the 16 – 19 Bursary Fund may be obtained from your child’s school or college.

School meals
- Meals are available at midday in every school
- Most secondary schools operate a cafeteria service
- Set price, two course meals are available as well as a variety of individual items
- A number of schools now operate a cashless smartcard payment system
- Pupils can bring their own food if they prefer.

Free school meals

All children in Reception, Year 1 and Year 2 automatically get free school meals.

From Year 3 onwards, your child will be eligible for free school meals if you are receiving any of the following:

- Income Support
- Income-Based Job Seekers Allowance (IBJSA)
- An income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- Child Tax Credit (provided you are not also entitled to Working Tax Credit), and have an annual gross income of no more than £16,190
- Working Tax Credit run-on, paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit (provided your household income is less than £7,000 a year)

Please note: Any family that receives Working Tax Credit is not entitled to free school meals for their children whatever the level of their income.

School journeys

Families entitled to free school meals may get financial help from the pupil’s own school for school journeys that involve an overnight stay away from home.

School uniform

School uniform plays a valuable role in contributing to the ethos of a school. While schools are encouraged to consider the introduction of uniforms they are also expected to help limit their expense. Parents on low incomes should not feel that the cost of a uniform means that they cannot apply for their school of preference.

Families having difficulty providing regulation school uniform should discuss this with their child’s school. There is no grant for school uniform available from the local authority.

The Mayor’s Benevolent Fund may provide help to parents in receipt of Income Support or Child Tax Credit who have a child transferring to a secondary school. Further information is available online at www.barnet.gov.uk

Contributions to school funds and to participate in school trips

There is no charge or cost related to the admission of a child to a school. While parents from low-income families feel concerned about the level of voluntary contributions that schools request this should not deter them from expressing a preference for a school.

Parents are assured that if they choose not to make voluntary contributions their child will not be disadvantaged.
Home schooling
If you decide you want to educate your child at home instead of sending them to school you will need to register with the Council. You can find out more about home schooling at www.barnet.gov.uk or by contacting the Inclusive Education Team on 020 8359 7691.

Keywords
This section explains some of the terms used in this booklet. These definitions apply except where individual schools define the terms in their admission arrangements.

Admission limit is the number of school places that is available in each year group.

Admissions criteria are the rules set by either the council or the governing bodies and are used to decide whether or not a place can be offered to a child.

‘Looked after’ children are those being cared for by a local authority or provided with accommodation by that authority in accordance with Section 22 of the Children Act 1989. This Act only applies to England and Wales, which means that a child has to be looked after by an English or Welsh local authority in order to be given priority for admission.

Previously ‘looked after’ children are those who were adopted (or subject to child arrangements orders or special guardianship orders) immediately following having been ‘looked after’.

An adopted child is defined by section 12 of The Adoption Act 1976 and section 46 of the Adoption and Children Act 2002 and does not include children adopted abroad.

A child arrangements order is defined by section 14A of the Children Act 1989.

Parent is the term used to refer to anyone who has parental responsibility for and care of a child in accordance with the Children Act 1989.

Sibling refers to a brother or sister, half brother or sister, step brother or sister, adopted brother or sister and foster brother or sister living in the same family unit at the same address.

Education, Health and Care Plan (EHC) is the document setting out the educational provision that will be made for a child with special educational needs, as well their health and social care needs.

The EHC replaces the Statement of Special Educational Needs under The Children and Families Act 2014. Parents are given a copy of the EHC and will be involved in the review process.

Supplementary Information Form (SIF) is the name of the form you may have to complete to be considered for faith schools or selective schools. The school pages of this booklet tell you if a SIF is required. The form can be obtained from the relevant school and should be returned to that school.

Special Educational Needs
Provision is made in a number of different ways for children who have been identified as having Special Educational Needs. Support for most pupils is provided in their local mainstream school. A minority of pupils require a higher level of support in specialist provision attached to a mainstream school or in a special school.

School attendance
By law, all children of statutory school age, 5 – 16 must receive full-time education. Parents are responsible for ensuring that this happens either by registering their child at a school or by making other arrangements which provide suitable education. Support is available to pupils, parents and schools in order to improve attendance and outcomes for individual young people.

For more information about the types of support available in Barnet for pupils with Special Educational Needs, please contact SENadmin@barnet.gov.uk

If your child has problems with attending school, you should talk to school staff in the first instance. If the problem persists, the school will seek action from the Local Authority which would lead to you being contacted by an Education Welfare Officer or Targeted Youth Worker depending on the level of service provided to the school.

Parents seeking advice on school attendance should contact the Local Authority, stating where their child attends school. Some schools also have in-house School Attendance officers who contact parents about absences.

### Other useful contact details

This section contains details and contact numbers for organisations who may be able to offer you assistance with your application.

#### ACE Education Advice
ACE Education Advice is a new organisation that provides independent advice and information for parents and carers on the admissions process and a wide range of school-based issues, including bullying, exclusion, SEN and attendance issues.

For advice, call the confidential telephone advice line on 0300 0115 142. Normal opening hours are Monday to Wednesday from 10am to 1pm. Term time only.

#### Boarding schools
If you want further information about boarding schools, contact SBF (State Boarding Forum) through their website: [http://stateboarding.org.uk/](http://stateboarding.org.uk/)

#### Families and young people’s information service (FIS)
FIS provides advice and guidance for families who have children or young people up to the age of 20. For further information visit [www.barnet.gov.uk/FIS](http://www.barnet.gov.uk/FIS)

#### Department for Education (DFE)
For general enquiries contact 0370 000 2288. If you would like to obtain information on school performance tables visit [https://www.gov.uk/school-performance-tables Independent schools](https://www.gov.uk/school-performance-tables Independent schools)

Information on independent schools is available from ISC (The Independent Schools Council) at [www.isc.co.uk](http://www.isc.co.uk)

#### Ofsted reports
Ofsted reports on schools can be found on the internet at [www.ofsted.gov.uk](http://www.ofsted.gov.uk) and at Hendon Reference Library.

#### School prospectuses
Secondary schools produce a prospectus each year that tells you more about the school. Contact individual schools to obtain a copy or download a copy from their websites. You can access all our schools’ websites from our schools directory.
Travelling to school

When choosing a new school it is good to also consider how your child will travel to school.

Each school has a School Travel Plan (STP) which explains what the school is doing to encourage pupils and their families to travel more sustainably, such as walking, cycling or using public transport.

You can ask to see a copy of the school’s travel plan or you may find it on the school’s website.

To find out more, email: schooltravelplans@barnet.gov.uk or tel: 020 8359 7603

Walking

It is recommended that young people take 15,000 steps a day, so walking to school can contribute to this, as well as giving opportunities to develop road safety skills and a chance to talk and socialise with families and friends. For directions and a map showing how to walk to any location go to: http://www.walkit.com/

Public transport

11-15 year olds can travel free on buses at all times but need an 11-15 Oyster photo-card called Zip. In year 6 they receive a Zip card holder with an informative map of Barnet from Transport for London. Further details can be found on the Transport for London website www.tfl.gov.uk. The website also has a travel planner that can help you to plan your route to school.

Sustainable travel transition materials

Year 6 pupils will receive a Barnet ‘Stepping Up!’ booklet with advice and information about safer and active travel to their secondary school. Road safety advice includes not listening to music or using a mobile phone when attempting to cross the road.

For a copy of “Stepping Up!” email road.safety@barnet.gov.uk or call 020 8359 7105.

Cycling and scootering

Contact the school to find out if they encourage cycling/scootering and whether there is cycle and scooter storage available. The school may have a cycling/scootering policy explaining rules for pupils who wish to cycle or scoot.

You could also ask the school if they will be organising any cycle training for pupils and/or their families. If they are not, email cycling@barnet.gov.uk or call 020 8359 4972 for advice on receiving cycle training as well as information about local led rides and other cycling activities. To be able to ride on quieter residential roads students should have passed at least the level 2 Bikeability course. Level 3 training is required to cycle on busier, main roads.

To find out more about cycling training and Dr Bike sessions (where bike mechanics check the road worthiness of your bike and fix minor faults and you can get your bike security marked) look at the Council website: www.barnet.gov.uk/cycling

London cycle maps can be seen online or ordered from the TfL website www.tfl.gov.uk

If you have to drive your child to school you could car share, park and stride or park and ride.

Car sharing

Some schools co-ordinate car sharing lists so you could enquire if the school can help you to find another family to car share with.

Park and stride

Many schools have identified possible park and stride locations where parents/carers can park their cars and children walk the final part.

Park and ride

Alternatively you could drive your child part of the way before they catch a bus the remaining way.

Sustainable Modes of Travel Strategy
(for children and young people)

The Council has a legal duty under the Education and Inspections Act (2006) to promote sustainable travel.

Help with travel costs

Children in Years 7 – 11 in Secondary Schools

The vast majority of children living in Barnet and starting secondary school will not be entitled to the cost of travel as there will be a suitable school within a three-mile walking distance of their home, accessible through a safe-walking route or by free travel on public transport.

Parents may qualify for support with their child’s home-to-school travel if:

- the child is entitled to free school meals or the family receives the maximum level of Working Tax Credit, and
- the home-to-school journey involves a cost, or
- the child is unable to get to school by foot or public transport as a result of exceptional social or medical needs.

Please note that fulfilling one or more of the above criteria does not give automatic entitlement to free travel to school and each application will be considered on its own merits.
