By agreeing to pay for the service you will be accepting these terms and conditions.

2. Service Description

2.1 The collection service begins on April 6, 2020. The collection service will begin once payment has been received from the Customer to the Council and a sticker(s) (notifying of payment) has been sent to the Customer and placed correctly onto their garden waste bin(s).

2.2 The Customer will receive a yearly subscription with around 23 fortnightly collections each year (depending on when the customer has signed up to the service), the end date of the customers' garden waste collection service will be communicated by the Council, this is included on the bin sticker provided by the council.

2.3 The collection service will pause during the winter period and details of the pause will be available to customers each year in advance via the council's website.

2.4 The service starts on April 6, 2020. For subsequent years, the collection service start date will be communicated to the customers through the website www.barnet.gov.uk/gardenwaste. There will be a short mobilisation period after payment is made and before collections commence, to allow for any administration, provision of bin stickers and delivery of bins (if required). Information regarding whether a household is eligible to participate in the service is outlined in the council's Household Recycling and Waste Policies. <https://www.barnet.gov.uk/recycling-and-waste/household-recycling-and-waste/household-recycling-and-waste-policies>.

3. Payment

3.1 The annual charge for the service can be viewed at www.barnet.gov.uk/gardenwaste.

3.2 The current method of payment is through debit and credit card only. The council plans to offer a web-based payment and a 10-month direct debit option as soon as it is able to arrange it.

3.3 The customer can sign up to the service at any time during the collection year and the dates for the collection year will be on the Barnet council website (www.barnet.gov.uk/gardenwaste). The charge for the service is currently the same irrespective of whether the customer subscribes at the beginning of the year or part way through the collection service year.

3.4 Subscriptions need to be renewed on an annual basis. Customers will be requested to provide an email address so that a reminder can be sent to them before the expiry of their subscription. Arrangements will be made for those who do not wish to use email.

3.5 If the customer(s) wants to pay for more than one bin to be collected, a reduced charge will be made for additional bins.

4. Stickers

4.1 A personalised subscription sticker will be printed and delivered to the customer once payment has been processed. The sticker will include the customers address and the expiry date of the subscription.

4.2 The customer must place their subscription sticker on their garden waste bin as directed by the instructions provided by the council. Valid stickers will identify to the Council's collection crews that the bin is subscribed to

the service. Failure to place the sticker as directed may result in non-collection(s) of the customers garden waste bin(s).

4.3 The customer must request a replacement sticker from the council, if the original sticker is damaged to an extent where the address and subscription date is illegible. The council will require proof of the damage to the sticker before a replacement sticker will be issued. Replacement stickers will be posted to the customer.

When a "force majeure" occurs, we will endeavour to make a garden waste collection from the road when:

- And the road is deemed safe for the crews to collect.

If missed collections have occurred due to force majeure or other circumstances, updates will be made available at www.barnet.gov.uk/bincollectionupdates.
