*Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan, or its compliance with the duty to co-operate, please also use this box to set out your comments.*

I am concerned about the proposal to build 556 units of affordable housing in the immediate vicinity of Finchley Central Station. This will include tall tower blocks located close to the railway line at the top of Station Road and on the other side of the railway bridge. Significant buildings are proposed on the north side of the bridge behind Dollis Park as well as in the station car park.

I understand the need for more housing in the Barnet area, however this proposal involves a large number of units in a very small space, and the proposed large tower blocks would be seriously detrimental to the environment and to the area.

The actual construction is likely to cause massive disruption along Ballard's Lane and Regents Park Road causing increased traffic chaos,, and air pollution as well as serious overload on the existing amenities and services of Finchley Central.

I am therefore raising my objection to this proposal.

**Continue on a separate sheet if necessary**

**Question 4: Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect to the matters you have identified in Question 3 above.** *Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

I suggest finding alternative sites for this project.

**Continue on a separate sheet if necessary**

**Please note:**

*In your representation you should summarise succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

***After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.***

**Question 5: If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing sessions?**

Yes, I wish to participate in hearing session(s)

No, I do not wish to participate in hearing session(s) /

I am not seeking modification to the Plan

**Question 6: If you wish to participate at the examination hearings, please outline why you consider this to be necessary.**

*Please note that the inspector will make the final decision as to who is necessary to participate in hearing sessions, and to which hearing session(s) they should attend, and they will determine the most appropriate procedure to adopt to hear those who wish to participate at the examination hearings.*
