|--|------------------------------|--|
| a) Legally compliant | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

| c) Compliant with the Duty to Co-operate | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

Question 3: Please give details of why you consider this part of the Local Plan is not legally compliant, is unsound, or fails to comply with the duty to co-operate.

Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan, or its compliance with the duty to co-operate, please also use this box to set out your comments.

This Area of Special Archaeological Significance (ASAS) [now known as Archaeological Priority Areas APAs) consists of two sections:

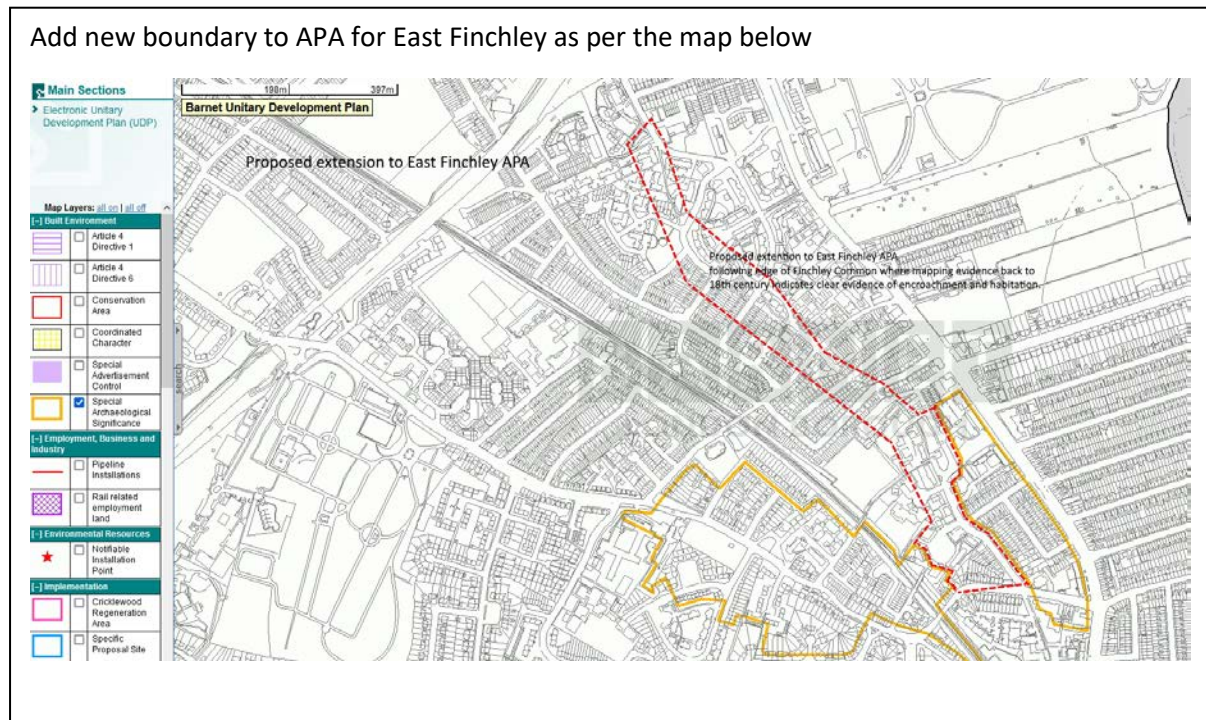

- East End (western area): A medieval hamlet is located here, which is believed to have developed in the 14th century. The East End Road was an ancient road connecting the hamlet with the hamlet at Church End.
- Park Gate (eastern area): East End and Park Gate, mentioned respectively in 1365 and 1375 AD, together formed a scattered hamlet where the East End Road met the Great North road. The traditional village centre was located at Market Place, which held a hog market in the 18th century.

The attached map shows the two wings of the East Finchley APA. Unfortunately, the mapping evidence and recent excavations all point to the fact that the core part of historic East Finchley – that part which bordered Finchley Common - has been left out. To remedy this situation a new boundary incorporating Market Place and the Walks should be adopted. This will enable us to understand the mediaeval core of the hamlet of East Finchley rather than unwittingly lose it through an incorrectly drawn boundary.

Substantial additional mapping and documentary evidence can be submitted to substantiate this boundary change.

Continue on a separate sheet if necessary

Question 4: Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect to the matters you have identified in Question 3 above. Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Continue on a separate sheet if necessary

Please note:

In your representation you should summarise succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.

Question 5: If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing sessions?

Yes, I wish to participate in hearing session(s) x

No, I do not wish to participate in hearing session(s) / I am not seeking modification to the Plan

Question 6: If you wish to participate at the examination hearings, please outline why you consider this to be necessary.

Please note that the inspector will make the final decision as to who is necessary to participate in hearing sessions, and to which hearing session(s) they should attend, and they will determine the most appropriate procedure to adopt to hear those who wish to participate at the examination hearings.

The extension of the APA will require explanation and examination.
