Question 3: Please give details of why you consider this part of the Local Plan is not legally compliant, is unsound, or fails to comply with the duty to co-operate.

Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan, or its compliance with the duty to co-operate, please also use this box to set out your comments.

The plan fails to recognise the issue of light pollution – its impact on wildlife particularly birds, and on climate change through wasted energy. In addition to other forms of pollution (air, noise), this should be measured with the goal of reducing it. It is a great loss that in Barnet we can no longer see dark starry skies.

Barnet’s plan has a duty to conform to the Mayor of London’s plan and the National Planning Policy Framework (see para 180 section c).

Continue on a separate sheet if necessary

Question 4: Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect to the matters you have identified in Question 3 above. Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The plan should specify light quality and installation requirements for the exterior of all buildings, following the guidelines drawn up by the Institution of Lighting Professionals and the Commission for Dark Skies.

The plan should measure light pollution and include targets for reducing it.

Continue on a separate sheet if necessary

Please note:

In your representation you should summarise succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues they identify for examination.

Question 5: If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing sessions?

Yes, I wish to participate in hearing session(s)

No, I do not wish to participate in hearing session(s) /

I am not seeking modification to the Plan

Question 6: If you wish to participate at the examination hearings, please outline why you consider this to be necessary.

Please note that the inspector will make the final decision as to who is necessary to participate in hearing sessions, and to which hearing session(s) they should attend, and they will determine the most appropriate procedure to adopt to hear those who wish to participate at the examination hearings.
