| c) Compliant with the Duty to Co-operate | Yes <input type="checkbox"/> | No <input type="checkbox"/> |

Question 3: Please give details of why you consider this part of the Local Plan is not legally compliant, is unsound, or fails to comply with the duty to co-operate.

Please be as precise as possible. If you wish to support the legal compliance or soundness of the Plan, or its compliance with the duty to co-operate, please also use this box to set out your comments.

- Your guidance mentions assessing the “areas” needs. Given the huge amount of development that has taken place and is still ongoing in the Colindale area, I do not believe that the proposal to build 128 residential units on this strip of woodland meets the needs of the current local community in any way.
- By all means build on brownfield sites but, It is surely negligent of the council to consider destroying a comprehensively wooded area, with a mixture of long established planted and self-seeded trees, bushes and undergrowth.
- The removal of all these trees, will increase the likelihood of flooding, which this area is already prone to.
- There is also a considerable amount of wildlife that lives in this embankment, including bats, foxes, squirrels, mice, butterflies and many species of birds.
- It forms a natural green corridor to the Silk Stream which is listed as a site of importance in the borough. This proposed development would therefore have a negative impact on a local conservation area.

Question 4: Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect to the matters you have identified in Question 3 above. *Please note that non-compliance with the duty to co-operate is incapable of modification at examination. You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.*

I do not object to a cycle path being constructed, linking Colindale and Rushgrove Parks. This would have a positive and beneficial effect for the community, allowing people to enjoy the natural beauty of the woodland.

No, I do not wish to participate in hearing session(s) /

I am not seeking modification to the Plan

Question 6: If you wish to participate at the examination hearings, please outline why you consider this to be necessary.

Please note that the inspector will make the final decision as to who is necessary to participate in hearing sessions, and to which hearing session(s) they should attend, and they will determine the most appropriate procedure to adopt to hear those who wish to participate at the examination hearings.
