

Applying for an Organisational Blue Badge.

These questions are intended for organisations involved in the care of disabled people who are seeking a Blue Badge for a vehicle/vehicles (e.g. minibus, or specially adapted commercial vehicle) which is/are to be used to carry disabled people who would themselves qualify for an individual Blue Badge. Please see Section 6 of the accompanying guidance notes for a list of the eligibility criteria prescribed in the regulations that govern the scheme.

An 'organisation' is defined in legislation as meaning an organisation concerned with the care of disabled persons to which a disabled person's badge may be issued.

Organisational badges will therefore only be issued to an organisation which:

- cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- has a clear need for an organisational badge rather than using the individual Blue Badges of people it is transporting?

Organisational badges should only be used when transporting disabled people in their care who meet one or more of the eligibility criteria for a badge – and must not be used for the employee's benefit when they are carrying out other business on behalf of the organisation. It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge.

If you are unsure about how to answer these questions, then please read the guidance notes enclosed with this application form.

Organisational badges

Please complete this section if you are representing an organisation applying for an organisational badge. An organisational badge may be issued to organisations whose responsibility includes the care and transportation of disabled people who would themselves meet the eligibility criteria for a badge should they apply individually. An eligible disabled person is defined as a person who is over two years old and:

- receives the Higher Rate of the Mobility Component of Disability Living Allowance; or
- receives 8 points or more under the 'Moving Around' activity of the mobility component of Personal Independence Payment; or
- is registered blind (severely sight impaired); or
- receives a War Pensioner's Mobility Supplement; or
- receives a lump sum benefit under the Armed Forces and Reserved Forces (Compensation) Scheme within tariff levels 1-8 (inclusive) and has been assessed

and certified as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking; or

- drives a vehicle regularly, has a severe disability in both arms and is unable to operate, or has considerable difficulty in operating, all or some types of parking meter; or
- has a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking.

In addition, eligibility covers children under the age of three who fall within either or both of the following descriptions:

- a child who, on account of a condition, must always be accompanied by bulky medical equipment which cannot be carried around with the child without great difficulty;
- a child who, on account of a condition, must always be kept near a motor vehicle so that, if necessary, treatment for that condition can be given in the vehicle or the child can be taken quickly in the vehicle to a place where such treatment can be given.

Organisational badges will therefore only be issued to an organisation which both:

- cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- has a clear need for an organisational badge rather than using the personal Blue Badges of people it is transporting.

In all circumstances, badges will be supplied to organisations or departments (e.g. Social Services Department) rather than to individual staff members.

All employees of the organisation who will be using the badge should be reminded that they must only use the badge for the purposes of transporting disabled people in their care who meet one or more of the eligibility criteria for a badge. These employees should be reminded that if they use the badge to take advantage of the concessions when there are no passengers in the vehicle who are eligible for a badge they will face a fine of up to £1,000.

It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge. Such operators are, of course, able to use an individual's Blue Badge when carrying that person as a passenger.

You will be asked to supply the company logo of your organisation if you are applying for an organisational badge. The criteria for these are largely the same as those for photo on individuals' badges.

- Images can be in colour or black + white (in accordance with the company logo).
- The permitted image format is .JPG or .GIF
- The maximum size of the image is 200kb.
- The dimensions of the logo/image **on the badge** will be 274 pixels (wide) x 354 pixels (high) @ 200dpi (depth of pixels per inch).

This equates to 1.37 inches (wide) by 1.77 inches (high) or 35mm (wide) by 45mm (high).

Declarations and signatures

Section a): The relevant mandatory declarations must be completed by all applicants, since they underpin the terms of applying for a Blue Badge. Please take the time to read and understand these declarations, since not ticking those that are relevant to your applicant may result in your local authority being unable to accept your Blue Badge application.

Section b): You may wish to tick the optional declarations in order to speed up your application and improve the service you receive from your local authority. In doing so, you will be providing specific consent to your authority to allow them to share information about you with relevant departments and service providers within the authority.

Section c): All applicants must sign and date the form prior to submitting it.

A local authority may refuse to issue a badge if they have reason to believe that the applicant is not who they claim to be or that the badge would be used by someone other than the person to whom it has been issued.

If your badge application is successful, the leaflet “The Blue Badge scheme - rights and responsibilities in England” will be sent to you with the badge. This leaflet explains the rules of the Scheme and how you should use the badge properly. The leaflet can be viewed at <https://www.gov.uk/government/publications/the-blue-badge-scheme-rights-and-responsibilities-in-england>
