Dear Neighbour,

**Brent Cross Thameslink –part of the Brent Cross Cricklewood Regeneration Programme**  
**Night time/weekend work & gate access off Brent Terrace**

Further to the letter advising you of work commencing on 8<sup>th</sup> January 2019, I wish to inform you that we are undertaking work at night and weekends near to your property on the dates and times in the table below.

This involves building new accommodation for train staff and the replacement sidings which will support the new Brent Cross West Station.

To enable the existing north railway sidings to be moved and create the space needed for the new station, we need to change the track layout, install piles for signals and overhead line equipment.

The sidings work is being carried out by Network Rail and the train operating company accommodation building work by Graham Construction.

The work requires a variety of machines and equipment to be used including excavators, piling rigs, generators and lighting. Piling by its nature is a very noisy activity, with the noise levels you are likely to experience being dependent on your distance from the piling location.

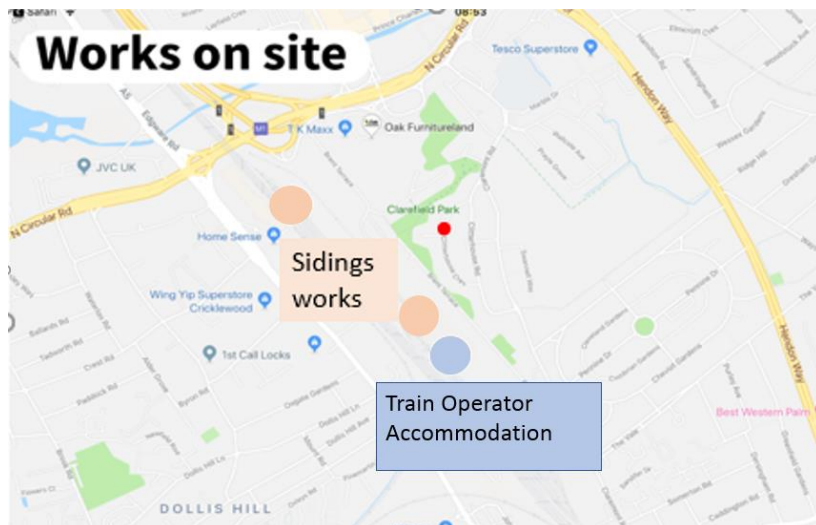

A short animation that explains the piling process is available at: <http://bit.ly/NetworkRailPiling>

Some disturbance is unavoidable but we are committed to making every effort to minimise unnecessary noise. As part of the Considerate Constructors Scheme personnel working on site are briefed to work as quietly as possible to minimise impact on the local community.

**Night time & weekend working period Feb to Apr 2019 (Overnight work highlighted in bold)**

<b>Date</b>	<b>Time of works</b>		
<b>Sat 16<sup>th</sup> to Sun 17<sup>th</sup> Feb</b>	<b>0730 - 2200</b>	<b>Tue 19<sup>th</sup> to Sat 23<sup>rd</sup> Mar</b>	<b>2300 - 0530</b>

		<b>Mon 22<sup>nd</sup> to Sat 27<sup>th</sup> Apr</b>	<b>2330 - 0545</b>

## Map showing general site locations

For residents on the south end of Brent Terrace, I would like to make you aware that the access gate will be re-instated to provide access for those working on the site. It will only be used by cars and small vans for parking. They will not park on the road and this will be monitored.

If you have any additional questions or concerns, in the first instance, please visit [www.networkrail.co.uk/contactus](http://www.networkrail.co.uk/contactus) or telephone their **24-Hour National Helpline on 03457 11 41 41**.

In addition to the new station, the Brent Cross Thameslink programme will deliver associated infrastructure works to provide pedestrian and cycle links across the railway and replace outdated waste and freight facilities. For more information, please visit [www.barnet.gov.uk/brentcrossthameslink](http://www.barnet.gov.uk/brentcrossthameslink)

Yours faithfully

A handwritten signature in black ink, appearing to read 'Chris Adams'.
